Re: Karin M. Gale's Resignation from the City of West Allis Community Development Authority

Patrick,

It is with heavy heart that I am resigning from the Community Development Authority board effective June 30, 2024. As I have mentioned I and my husband are relocating to our home on Big Cedar Lake.

At this point we have not listed or sold our West Allis home. We will be listing our home for sale in the coming weeks.

It has been my pleasure to work with you, the CDA team and your predecessor, John Stibal, over the past 20 years of my involvement on the authority. I am so proud to have been a part of the transformation of our community. I know the City of West Allis is in good hands and will continue to attract families and businesses.

I am looking forward to continuing to watch West Allis' growth.

Sincerely,
