Dear Mr. Lueth,

During the afternoon of Tuesday, July 23, 2024, a library patron at the West Allis Public Library alerted staff that you were carrying a knife on library property. The action violates Wisconsin Statute 941.13(1m)(c)4 that prohibits anyone (except police officers and military personnel), from entering or remaining in a governmental building with a weapon. This regulation is clearly posted at both entrances of the library. Surveillance footage confirmed to police that you indeed had a knife in your possession and displayed it in the atrium of the building. Police detained and arrested you.

As a result, you are hereby immediately banned from being present at the West Allis Public Library and surrounding property. If you violate this order, the West Allis Police Department will be contacted, and you will be charged appropriately.

At a meeting scheduled for August 28, 2024, the West Allis Public Library board will vote to confirm this action.

Sincerely,

Michael Koszalka, Director
West Allis Public Library
