Humana Medicare Group Plan – Rating Assumptions and Stipulations

CITY OF WEST ALLIS - PPO

Proposal Terms

The benefits presented on the previous page are a high-level summary. Please consult the Plan Design Exhibit for a more detailed outline of the benefits proposed. Final benefits may differ due to annual changes in CMS benefit requirements.

For members with End Stage Renal Disease (ESRD), the Humana Group Medicare Advantage Plan is only offered to eligible members who are diagnosed and enrolled in a manner that is consistent with applicable Medicare secondary laws, and the rules and regulations set forth by CMS.

The rates provided do not reflect any potential premium adjustments provided by Center for Medicare and Medicaid Services (CMS) or federal regulations based on a Medicare beneficiary's income.

Humana will hold the proposed rate(s) unless there are material changes or clarifications to existing or implementation of new federal regulations or requirements, and/or any unforeseen/unusual circumstances (i.e. pandemic) that would impact Group Medicare.

Humana will hold the proposed rates, assuming all of the information provided is accurate, and could be subject to change should any of the following differ:

All members are retired and enrolled in Medicare Part A and/or Part B.

A minimum average employer contribution level of 50% of the proposed premium for the plan.

A majority of members' (51% or more) primary residence is in an adequate Humana Medicare Advantage network service area. Humana will monitor network adequacy throughout the year to confirm standards are met.

Enrolled membership should not change from current, or differ from the information provided, by more than 10% per year. This proposal assumes 330 currently enrolled members.

Part D, administered by Humana Pharmacy Solutions, will utilize Humana's Group Plus formulary and include utilization management programs such as: quantity limits, prior authorization, and step therapy. Humana continually updates its drug list and quantity limits, and ensures these updates are in accordance with CMS regulations.

Benefits, deductibles, maximum out of pocket accumulators, and any applicable pharmacy TrOOP accumulators will be reset on January 1 each year.

Humana is the sole carrier offered and there is no additional secondary plan wrapping around or offered in conjunction with this plan for all current and future Medicare eligible retirees.

We are pleased to present this Humana Group Medicare Advantage proposal to you and assume all information provided is accurate with the understanding if there is a material change from the current offering environment, Humana has the right to revise or rescind the quote.
