

Proposal

Date: 12/21/23

Location: West Allis Municipal Court Lobby

Project: Municipal Court Lobby Glass

Safe Haven Defense, LLC. is pleased to provide you with this proposal.

Scope: Replace four (4) interior lobby windows with ½" glass of same dimensions. Furnish and install Bullet Resistant film on four (4) lobby windows per site walk and take off. Safe Haven Defense will caulk any window that film is installed on per manufacturer's specifications.

Existing Glass Notes: Safe Haven Defense installation crews will remove any vinyl lettering prior to the installation of our security laminate. We do not replace vinyl lettering, but we will take photos of what was there prior. All glass must be clear of existing cracks/ damage prior to our crews arrival and installation.

Pricing:

Smash Resistant - 000 /sqft: \$

Riot Control - 000 /sqft: \$

Bullet Resistant 35 /sqft: \$7,169.08

Caulking - 48 /LF: \$227.04

Glass Replacement - \$2,060.00

Total Project Cost: \$9,456.12

Exclusions: Sales Tax is not included. This proposal does not include any adjustments to the windows or frames not discussed in "Scope". Any work not listed in "Scope" and not included in take-off provided. Unforeseen issues with glass or frames. Overtime, Holiday work, Night work and Weekends work. Miscellaneous permits.

Thank you for this opportunity, please do not hesitate to contact me directly with any questions or comments.

Respectfully submitted,

Ryan Vossekuil
Safe Haven Defense, LLC.

Disclaimer

Since films are applied with a water-based solution, it is normal for minor bubbling and hazing to occur during installation before curing. This curing period will vary in time depending on the level of exposure to direct sunlight and time. All moisture and water bubbles will disappear with time. SAFE HAVEN DEFENSE will take every necessary action possible to clean all windows prior to the installation of the window film; minor dust particles may appear after the installation of the window film as a result of airborne dust. These particles will dissipate with time and should not be visible when looking through the glass at a distance of 6 feet. (Ask for further details). Security Films/Laminates are a deterrent and may not prevent ultimate entry.
