FOR VALUE RECEIVED, the City of West Allis, Milwaukee County, Wisconsin (the "City"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on October 1, 2016 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by Bond Trust Services Corporation, Roseville, Minnesota (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding the semi-annual interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the City are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$16,570,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the City pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the public purpose of refunding certain outstanding obligations of the City, all as authorized by resolutions of the Common Council duly adopted by said governing body at meetings held on March 15, 2016 and May 3, 2016. Said resolutions are recorded in the official minutes of the Common Council for said dates.

The Bonds maturing on April 1, 2025 and thereafter are subject to redemption prior to maturity, at the option of the City, on April 1, 2024 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the City and within each maturity, by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____, _____ and _____ are subject to mandatory redemption by lot as provided in the resolution awarding the sale of the Bonds at the redemption price of par plus accrued interest to the date of redemption and without premium.]

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the City, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrevocable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond is transferable only upon the books of the City kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the City appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the City for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and City may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, the City of West Allis, Milwaukee County, Wisconsin, by its governing body, has caused this Bond to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Mayor and City Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.

FISCAL AGENCY AGREEMENT

THIS AGREEMENT, made as of the 25th day of May, 2016 between the City of West Allis, Wisconsin ("Municipality"), and Bond Trust Services Corporation, Roseville, Minnesota, a wholly owned subsidiary of Ehlers & Associates, Inc. ("Bank" or "Fiscal Agent"), a corporation duly organized and existing as a limited purpose trust company under the laws of the State of Minnesota, Section 48A.03 and authorized by the Department of Financial Institutions of the State of Wisconsin to operate in Wisconsin pursuant to Wisconsin Statutes Section 223.12.

WITNESSETH:

WHEREAS, the Municipality has duly authorized the issuance of its \$16,570,000 Taxable General Obligation Refunding Bonds, Series 2016B, dated May 25, 2016 (the "Obligations") pursuant to the applicable provisions of the Wisconsin Statutes and the resolutions adopted by the Municipality on March 15, 2016 and May 3, 2016 (collectively, the "Resolution"); and

WHEREAS, the Municipality is issuing the Obligations in registered form; and

WHEREAS, pursuant to the Resolution and Section 67.10(2), Wisconsin Statutes the Municipality has authorized the appointment of the Fiscal Agent as agent for the Municipality for any or all of the following responsibilities: payment of principal and interest on, registering, transferring and authenticating the Obligations as well as other applicable responsibilities permitted by Section 67.10(2), Wisconsin Statutes.

NOW, THEREFORE, the Municipality and the Fiscal Agent hereby agree as follows:

I. APPOINTMENT

The Fiscal Agent is hereby appointed agent for the Municipality with respect to the Obligations for the purpose of performing such of the responsibilities stated in Section 67.10(2), Wisconsin Statutes, as are delegated herein or as may be otherwise specifically delegated in writing to the Fiscal Agent by the Municipality.

II. INVESTMENT RESPONSIBILITY

The Fiscal Agent shall not be under any obligation to invest funds held for the payment of interest or principal on the Obligations.

III. PAYMENTS

At least one business day before each interest payment date (commencing with the interest payment date of October 1, 2016 and continuing thereafter until the principal of and interest on the Obligations should have been fully paid or prepaid in accordance with their terms) the Municipality shall pay to the Fiscal Agent, in good funds immediately available to the Fiscal Agent on the interest payment date, a sum equal to the amount payable as principal of, premium, if any, and interest on the Obligations on such interest payment date. Said interest and/or principal payment dates and amounts are outlined on Schedule A which is attached hereto and incorporated herein by this reference.

IV. CANCELLATION

In every case of the surrender of any Obligation for the purpose of payment, the Fiscal Agent shall cancel and destroy the same and deliver to the Municipality a certificate regarding such cancellation. The Fiscal Agent shall be permitted to microfilm or otherwise photocopy and record said Obligations.

V. REGISTRATION BOOK

The Fiscal Agent shall maintain in the name of the Municipality a Registration Book containing the names and addresses of all owners of the Obligations and the following information as to each Obligation: its number, date, purpose, amount, rate of interest and when payable. The Fiscal Agent shall keep confidential said information in accordance with applicable banking and governmental regulations.

VI. INTEREST PAYMENT

Payment of each installment of interest on each Obligation shall be made to the registered owner of such Obligation whose name shall appear on the Registration Book at the close of business on the 15th day of the calendar month next preceding the interest payment date and shall be paid by check or draft of the Fiscal Agent mailed to such registered owner at his address as it appears in such Registration Book or at such other address as may be furnished in writing by such registered owner to the Fiscal Agent.

VII. PAYMENT OF PRINCIPAL AND NOTICE OF REDEMPTION

(a) Principal Payments. Principal shall be paid to the registered owner of an Obligation upon surrender of the Obligation on or after its maturity or redemption date.

Term Bonds [The Obligations due on April 1, 20__ and April 1, 20__ (the "Term Bonds") are subject to mandatory redemption prior to maturity by lot at a redemption price equal to One Hundred Percent (100%) of the principal amount to be redeemed plus accrued interest to the date of redemption, from deposits which are required to be made in amounts sufficient to redeem on April 1 of each year the respective amount of Term Bonds specified on the attached Schedule MRP.

The Municipality hereby directs and the Fiscal Agent hereby agrees to select the Term Bonds to be redeemed on the dates set forth above and to give notice of such redemption as set forth in substantially the form attached hereto as Schedule B by registered or certified mail, facsimile transmission, overnight express delivery, electronic transmission or in any other manner required by The Depository Trust Company at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption to the registered owner of each Obligation selected to be redeemed, in whole or in part, at the address shown on the registration books as of the Record Date.

The Municipality, in accordance with Section III hereof, shall make payments sufficient for the Fiscal Agent to pay the amounts due on the Term Bonds subject to mandatory redemption.]

(b) Official Notice of Redemption. In the event the Municipality exercises its option to redeem any of the Obligations, the Municipality shall, at least 35 days prior to the redemption date, direct the Fiscal Agent to give official notice of such redemption by sending an official notice thereof by registered or certified mail, facsimile transmission, overnight express delivery, electronic transmission or in any other manner required by The Depository Trust Company at least 30 days but not more than 60 days prior to the date fixed for redemption to the registered owner of each Obligation to be redeemed in whole or in part at the address shown in the Registration Book. Such official notice of redemption shall be dated and shall state (i) the redemption date and price; (ii) an identification of the Obligations to be redeemed, including the date of original issue of the Obligations; (iii) that on the redemption date the redemption price will become due and payable upon each such Obligation or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (iv) the place where such Obligations are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Fiscal Agent. **Term Bonds** [Official notice of the redemption of Obligations subject to mandatory redemption shall be given in the same manner.]

(c) Additional Notice of Redemption. In addition to the official notice of redemption provided in (b) above, further notice of any redemption shall be given by the Fiscal Agent on behalf of the Municipality to the Municipal Securities Rulemaking Board and The Depository Trust Company of New York, New York but neither a defect in this additional notice nor any failure to give all or any portion of such additional notice shall in any manner defeat the effectiveness of a call for redemption.

Each further notice of redemption given hereunder shall be sent at least 30 days before the redemption date by registered or certified mail, overnight delivery service, facsimile transmission or email transmission and shall contain the information required above for an official notice of redemption.

(d) Redemption of Obligations. The Obligations to be redeemed at the option of the Municipality shall be selected by the Municipality and, within any maturity, shall be selected by lot by the Depository described in Section VIII hereof. **Term Bonds** [Obligations subject to mandatory redemption shall be selected as described in (a) above.] The Obligations or portions of Obligations to be redeemed shall, on the redemption dates, become due and payable at the redemption price therein specified, and from and after such date such Obligations or portions of Obligations shall cease to bear interest. Upon surrender of such Obligations for redemption in accordance with the official notice of redemption, such Obligations shall be paid by the Fiscal Agent at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Obligation, there shall be prepared for the registered owner a new Obligation or Obligations of the same maturity in the amount of the unpaid principal. Each check or other transfer of funds issued in payment of the redemption price of Obligations being redeemed shall bear the CUSIP number identifying, by issue and maturity, the Obligations being redeemed with the proceeds of such check or other transfer.

VIII. UTILIZATION OF THE DEPOSITORY TRUST COMPANY

The Depository Trust Company's Book-Entry-Only System is to be utilized for the Obligations. The Fiscal Agent, as agent for the Municipality, agrees to comply with the provisions of The Depository Trust Company's Operational Arrangements, as they may be amended from time to time referenced in the Blanket Issuer Letter of Representations executed by the Municipality. The provisions of the Operational Arrangements and this Section VIII supersede and control any and all representations in this Agreement.

IX. OBLIGATION TRANSFER AND EXCHANGE

The Fiscal Agent shall transfer Obligations upon presentation of a written assignment duly executed by the registered owner or by such owner's duly authorized representative. Upon such a transfer, new registered Obligation(s) of the same maturity, in authorized denomination or denominations in the same aggregate principal amount for each maturity shall be issued to the transferee in exchange therefor, and the name of such transferee shall be entered as the new registered owner in the Registration Book. No Obligation may be registered to bearer. The Fiscal Agent may exchange Obligations of the issue for a like aggregate principal amount of Obligations of the same maturity in authorized whole multiples of \$5,000.

The Obligations shall be numbered R-1 and upward. Upon any transfer or exchange, the Obligation or Obligations issued shall bear the next highest consecutive unused number or numbers.

The Municipality shall cooperate in any such transfer, and the appropriate officers of the Municipality are authorized to execute any new Obligation or Obligations necessary to effect any such transfer.

X. STATEMENTS

The Fiscal Agent shall furnish the Municipality with an accounting of interest and funds upon reasonable request.

XI. FEES

The Municipality agrees to pay the Fiscal Agent fees for its services hereunder in the amounts set forth on Schedule [B/C] hereto.

XII. MISCELLANEOUS

(a) Nonpresentment of Checks. In the event the check or draft mailed by the Fiscal Agent to the registered owner is not presented for payment within five years of its date, then the monies representing such nonpayment shall be returned to the Municipality or to such board, officer or body as may then be entitled by law to receive the same together with the name of the registered owner of the Obligation and the last mailing address of record and the Fiscal Agent shall no longer be responsible for the same.

(b) Resignation and Removal; Successor Fiscal Agent. (i) Fiscal Agent may at any time resign by giving not less than 60 days written notice to Municipality. Upon receiving such notice of resignation, Municipality shall promptly appoint a successor fiscal agent by an instrument in writing executed by order of its governing body. If no successor fiscal agent shall have been so appointed and have accepted appointment within 60 days after such notice of resignation, the resigning fiscal agent may petition any court of competent jurisdiction for the appointment of a successor fiscal agent. Such court may thereupon, after such notice, if any, as it may deem proper and prescribes, appoint a successor fiscal agent. The resignation of the fiscal agent shall take effect only upon appointment of a successor fiscal agent and such successor fiscal agent's acceptance of such appointment.

(ii) The Fiscal Agent may also be removed by the Municipality at any time upon not less than 60 days' written notice. Such removal shall take effect upon the appointment of a successor fiscal agent and such successor fiscal agent's acceptance of such appointment.

(iii) Any successor fiscal agent shall execute, acknowledge and deliver to Municipality and to its predecessor fiscal agent an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor fiscal agent shall become effective and such successor fiscal agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of its predecessor, with like effect as if originally named as fiscal agent herein; but nevertheless, on written request of Municipality, or on the request of the successor, the fiscal agent ceasing to act shall execute and deliver an instrument transferring to such successor fiscal agent, all the rights, powers, and trusts of the fiscal agent so ceasing to act. Upon the request of any such successor fiscal agent, Municipality shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor fiscal agent all such rights, powers and duties. Any predecessor fiscal agent shall pay over to its successor fiscal agent any funds of the Municipality.

(iv) Any corporation, association or agency into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor fiscal agent under this Agreement and vested with all the trusts, powers, discretions, immunities and privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

(v) Any successor fiscal agent shall be qualified pursuant to Sec. 67.10(2), Wisconsin Statutes, as amended.

(c) Termination. This Agreement shall terminate on the earlier of (i) the payment in full of all of the principal and interest on the Obligations to the registered owners of the Obligations or (ii) five years after (aa) the last principal payment on the Obligations is due (whether by maturity or earlier redemption) or (bb) the Municipality's responsibilities for payment of the Obligations are fully discharged, whichever is later. The parties realize that any funds hereunder as shall remain upon termination shall, except as may otherwise by law, be turned over to the Municipality after deduction of any unpaid fees and disbursements of Fiscal Agent or, if required by law, to such officer, board or body as may then be entitled by law to

receive the same. Termination of this Agreement shall not, of itself, have any effect on Municipality's obligation to pay the outstanding Obligations in full in accordance with the terms thereof.

(d) Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement, being duly authorized so to do, each in the manner most appropriate to it, on the date first above written.

ESCROW AGREEMENT

THIS ESCROW AGREEMENT is made and entered into the 25th day of May, 2016 by and between the City of West Allis, Wisconsin (the "City") and Zions Bank, a division of ZB, National Association, a national banking association with trust powers (the "Escrow Agent").

RECITALS

The City has duly issued Taxable General Obligation Corporate Purpose Bonds, dated March 27, 2009 (the "2009 Bonds") and Taxable General Obligation Refunding Bonds, Series 2010A, dated March 29, 2010 (the "2010 Bonds") (collectively, the 2009 Bonds and the 2010 Bonds shall be referred to herein as the "Prior Issues").

The City has duly authorized and sold and is delivering this day its \$16,570,000 Taxable General Obligation Refunding Bonds, Series 2016B, dated May 25, 2016 (the "Refunding Obligations") for the purpose of providing funds sufficient to refund the 2020 through 2024 maturities of the 2009 Bonds and the 2019 through 2029 maturities of the 2010 Bonds (collectively, hereinafter the portion of the Prior Issues being refunded shall be referred to herein as the "Refunded Obligations") (the "Refunding").

The Refunded Obligations mature and bear interest on the dates and in the amounts shown on Exhibit A-1 and Exhibit A-2, respectively.

In order to accomplish the Refunding, it is necessary to irrevocably deposit in trust an amount (in the form of investment securities and cash) which, together with investment income therefrom, will be sufficient to pay when due the principal of and interest on the Refunded Obligations.

To accomplish the Refunding, the Escrow Agent has been appointed depository of a portion of the proceeds of the Refunding Obligations (in the form of investment securities and cash) as hereinafter specified and has been appointed custodian of the City's debt service fund account for the Refunded Obligations until the Refunded Obligations are paid in full.

The execution of this Agreement has been duly authorized by a resolution of the Common Council entitled: "Resolution Awarding the Sale of \$16,570,000 Taxable General Obligation Refunding Bonds, Series 2016B" (the "Resolution") adopted by the Common Council of the City on May 3, 2016.

In consideration of the mutual covenants contained herein, the parties hereto covenant and agree as follows for the equal and proportionate benefit and security of the holders of the Refunding Obligations and the Refunded Obligations:

1. Escrow Deposit. Concurrently with the execution of this Agreement, the City has irrevocably deposited with the Escrow Agent, receipt of which is hereby acknowledged by the Escrow Agent, \$ _____ being a portion of the proceeds of the Refunding Obligations (the "Bond Proceeds") and \$ _____ from funds of the City (the "Funds") for a total of \$ _____.

The foregoing, along with earnings and interest thereon, shall be held and disposed of by the Escrow Agent only in accordance with this Agreement. The City represents and warrants that the foregoing, if held, invested and disposed of by the Escrow Agent in accordance with this Agreement, will be sufficient, without the need for any further investment or reinvestment, to make all payments required under this Agreement. The Escrow Agent has not and is under no obligation to determine whether the amounts deposited hereunder are or will be sufficient to make all of the payments directed to be made hereunder.

2. Acceptance of Escrow. The Escrow Agent acknowledges receipt of the escrow deposit hereunder and accepts the responsibilities imposed on it by this Agreement.

3. Application of Escrow Deposit. There is hereby created by the City and ordered established with the Escrow Agent an account hereby designated, "City of West Allis Escrow Account" (the "Escrow Account").

The Escrow Agent shall deposit the amount described above in the Escrow Account to be used as follows:

- a) \$ _____ to be used to purchase the United States government securities described on the attached Exhibit B-1 (the "Securities");
- b) \$ _____ to be used to establish a beginning cash balance in the Escrow Account (\$ _____ from Bond Proceeds and \$ _____ from Funds); and
- c) \$ _____ to be used to pay the Issuance Expenses set forth on the attached Exhibit C-1, which the Escrow Agent is hereby authorized to pay as outlined in the Closing Memorandum.

Except as set forth in Section 8 hereof, the Escrow Account (other than the cash held pursuant to subsection (b) above) shall remain invested in the Securities, and the Escrow Agent shall not sell or otherwise dispose of the Securities.

The Escrow Account cash flow prepared by the Accountant defined below is set forth on Exhibit D-1.

Except as set forth in Section 8 hereof, no reinvestment of amounts on deposit in the Escrow Account shall be permitted.

The Escrow Agent shall apply the monies in the Escrow Account to the payment of the Refunded Obligations in the amounts set forth on the attached Exhibit A-1 and Exhibit A-2 by depositing such amounts with The Depository Trust Company or any successor depository or registered owner or the fiscal agent for the Refunded Obligations on or before the dates set forth on attached Exhibit A-1 and Exhibit A-2 setting forth the dates such amounts are due.

Barthe & Wahrman, A Professional Association, Bloomington, Minnesota, a firm of independent accountants (the "Accountant"), has delivered to the City, the Escrow Agent, Ehlers & Associates, Inc., any bond insurer for the Refunding Obligations, any bond insurer for the Refunded Obligations, and Quarles & Brady LLP, for their purposes, a report stating that the

firm has reviewed the arithmetical accuracy of certain computations based on assumptions relating to the sufficiency of forecasted net cash flow from the United States government securities (paragraph (a) above) and any initial cash deposit (paragraph (b) above) to pay the principal of and interest (if any) on the Refunded Obligations when due as described on Exhibit A-1 and Exhibit A-2. Based upon the summarized data presented in its report and the assumption that the principal and interest payments on the United States government securities are deposited in the Escrow Account when due, in its opinion, the proceeds from the United States government securities, plus any initial cash deposit will be sufficient for the timely payment of principal and interest, when due, on the Refunded Obligations.

If at any time it shall appear to the Escrow Agent that the money in the Escrow Account will not be sufficient to make any required payments due to the holders of the Refunded Obligations, the Escrow Agent shall immediately notify the City. Upon receipt of such notice, the City shall forthwith transmit to the Escrow Agent for deposit in the Escrow Account from legally available funds such additional monies as may be required to make any such payment.

4. Redemption of the Refunded Obligations. Pursuant to the Resolution, the City has heretofore called the Refunded Obligations for redemption and authorized and directed the Escrow Agent to give notice of said intended redemption of the Refunded Obligations by providing notice (in substantially the forms attached hereto as Exhibit E-1 and Exhibit E-2) in the manner and at the times set forth on Exhibit E-1 and Exhibit E-2, and the Escrow Agent hereby agrees to give such notice.

5. Notice of Advance Refunding of the Refunded Obligations. The Escrow Agent is hereby directed and agrees within ten business days after the closing for the Refunding Obligations to provide a Notice of Advance Refunding and Redemption, in substantially the forms attached hereto as Exhibit F-1 and F-2, to the registered owners of the Refunded Obligations, to any fiscal agent for the Refunded Obligations, and to any others as described in Exhibit F-1 and F-2.

6. The Escrow Agent.

a) Annual Report. The Escrow Agent shall, in the month of February of each year while this Agreement is in effect, and as soon as practicable after termination of this Agreement, forward by first class mail to the City a report of the receipts, income, investments, reinvestments, redemptions and payments of and from the Escrow Account during the preceding calendar year, including in such report a statement, as of the end of the preceding calendar year, regarding the manner in which it has carried out the requirements of this Agreement. The City shall have the right, at any time during business hours, to examine all of the Escrow Agent's records regarding the status and details of the Escrow Account.

b) Separate Funds; Accountability. Except as otherwise permitted under Section 3 hereof, the Escrow Agent shall keep all monies, securities and other properties deposited hereunder, all investments and all interest thereon and profits therefrom, at all times in a special fund and separate trust account, wholly segregated from all other funds and securities on deposit with it; shall never commingle such deposits, investments and proceeds with other funds or securities of the Escrow Agent; and shall never at any time use, pledge, loan or borrow the same in any way. The fund established hereunder shall be held separately and distinctly and not commingled with any other such fund. Nothing herein contained shall be construed as requiring the Escrow Agent to keep the identical monies, or any part thereof, received from or for the Escrow Account, on hand, but monies of an equal amount shall always be maintained on hand as funds held by the Escrow Agent, belonging to the City, and a special account thereof, evidencing such fact, shall at all times be maintained on the books of the Escrow Agent. All uninvested money held at any time in the Escrow Account shall be continuously secured by the deposit in a Federal Reserve Bank or direct obligations of the United States of America in a principal amount always not less than the total amount of uninvested money in the Escrow Account. It is understood and agreed that the responsibility of the Escrow Agent under this Agreement is limited to the safekeeping and segregation of the monies and securities deposited with it for the Escrow Account, and the collection of and accounting for the principal and interest payable with respect thereto.

In the event the Escrow Agent due to any action or inaction required hereunder is unable or fails to account for any property held hereunder, such property shall be and remain the property of the City. Property held by the Escrow Agent hereunder shall not be deemed to be a banking deposit of the City to the extent that the Escrow Agent shall have no right or title with respect thereto (including any right of set-off) and the City shall have no right of withdrawal thereof.

c) Liability. The Escrow Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the City or any fiscal agent of any of its obligations, or to protect any of the City's rights under any bond proceeding or any of the City's other contracts with or franchises or privileges from any state, county, municipality or other governmental agency or with any person. The Escrow Agent shall not be liable for any act done or step taken or omitted by it, as escrow agent, or for any mistake of fact or law, or for anything which it may do or refrain from doing in good faith and in the exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this Agreement, except for its negligence or its willful misconduct. The Escrow Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein, including without limitation those as to the sufficiency of the trust deposit to accomplish the purposes hereof or in the Refunded Obligations or the Refunding Obligations or in any proceedings taken in connection therewith, but they are made solely by the City.

d) Resignations; Successor Escrow Agent. The Escrow Agent may at any time resign by giving not less than 60 days written notice to the City. Upon giving such notice of resignation, the resigning Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor escrow agent. Such court may thereupon, after such notice, if any, as it may deem proper and prescribes, appoint a successor escrow agent of comparable qualifications to those of the resigning Escrow Agent. The resignation of the Escrow Agent shall take effect only upon the appointment of a successor escrow agent and such successor escrow agent's acceptance of such appointment.

Any successor escrow agent shall be a state or national bank, have full banking and trust powers, and have a combined capital and surplus of at least \$5,000,000.

Any successor escrow agent shall execute, acknowledge and deliver to the City and to its predecessor escrow agent an instrument accepting such appointment hereunder, and thereupon the resignation of the predecessor escrow agent shall become effective and such successor escrow agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as escrow agent herein; but nevertheless, on written request of the City or on the request of the successor escrow agent, the escrow agent ceasing to act shall execute and deliver an instrument transferring to such successor escrow agent, upon the terms herein expressed, all the rights, power, and duties of the escrow agent so ceasing to act. Upon the request of any such successor escrow agent, the City shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor escrow agent all such rights, powers and duties. Any predecessor escrow agent shall pay over to its successor escrow agent a proportional part of the Escrow Agent's fee hereunder.

e) Fees. The Escrow Agent acknowledges receipt from the City of the sum of _____ DOLLARS (\$) _____ as and for full compensation for all services to be performed by it as the Escrow Agent under this Agreement. Any out-of-pocket expenses including legal fees and publication costs will be paid by the City as incurred. The Escrow Agent expressly waives any lien upon or claim against the monies and investments in the Escrow Account.

7. Reinvestment. The Escrow Agent agrees that it will not invest the cash balance nor reinvest any cash received in payment of the principal of and interest on the federal securities held in the Escrow Account nor redeem such federal securities except as specifically provided in Sections 3 and 8 hereof. Said prohibition on reinvestment shall continue unless and until the City requests that such reinvestment be made and shall be restricted to noncallable direct obligations of the United States Treasury. Prior to any such request for reinvestment of the proceeds from the federal securities held in the Escrow Account, the City shall provide to the Escrow Agent: (i) an opinion by an independent certified public accounting firm that after such reinvestment the principal amount of the substituted securities, together with the earnings thereon and other available monies, will be sufficient to pay, as the same become due, all principal of, redemption premium where required, and interest on the Refunded Obligations which have not then previously been paid, and (ii) an unqualified opinion of nationally recognized bond counsel to the effect that such reinvestment complies with the Constitution and laws of the State of Wisconsin and the provisions of all relevant documents relating to the issuance of the Refunding Obligations and the Refunded Obligations.

8. Substitute Investments. At the written request of the City and upon compliance with the conditions hereinafter stated, the Escrow Agent shall have the power to request the redemption of the Securities and to substitute direct obligations of, or obligations which are unconditionally guaranteed by, the United States of America, which are not subject to redemption prior to maturity and which are available for purchase with the proceeds derived from the disposition of the Securities on the date of such transaction. The Escrow Agent shall purchase such substitute obligations with the proceeds derived from the sale, transfer, disposition or redemption of the Securities. The transactions may be effected only by simultaneous sale and purchase transactions, and only if (i) the amounts and dates on which the anticipated transfers from the Escrow Account to the fiscal agent or depository for the payment of the principal of and interest on the Refunded Obligations will not be diminished or postponed thereby and (ii) the Escrow Agent shall receive, at the expense of the City, a certification from an independent certified public accountant that, after such transaction, the principal of and interest on the U.S. government obligations in the Escrow Account will, together with other monies in the Escrow Account available for such purpose, be sufficient at all times to pay, when due, the principal of, redemption premium, where required, and interest on the Refunded Obligations.

9. Miscellaneous.

a) Third Party Beneficiaries. This Agreement has been entered into by the City and the Escrow Agent for the benefit of the holders of the Refunding Obligations and the Refunded Obligations, and is not revocable by the City or the Escrow Agent, and the investments and other funds deposited in the Escrow Account and all income therefrom have been irrevocably appropriated for the payment and any redemption of the Refunded Obligations and interest thereon when due, in accordance with this Agreement. This Agreement shall be binding upon and shall inure to the benefit of the City and the Escrow Agent and their respective successors and assigns. In addition, this Agreement shall constitute a third party beneficiary contract for the benefit of the owners of the Refunding Obligations and the Refunded Obligations. Said third party beneficiaries shall be entitled to enforce performance and observance by the City and the Escrow Agent of the respective agreements and covenants herein contained as fully and completely as if said third party beneficiaries were parties hereto.

b) Severability. If any section, paragraph, clause or provision of this Agreement shall be invalid or ineffective for any reason, the remainder of this Agreement shall remain in full force and effect, it being expressly hereby agreed that the remainder of this Agreement would have been entered into by the parties hereto notwithstanding any such invalidity.

c) Termination. This Agreement shall terminate upon the payment of all of the principal of and interest on the Refunded Obligations. The parties realize that some of the amounts hereunder may remain upon termination. Any amounts remaining upon termination shall be returned to the City for deposit in the account designated "Debt Service Fund Account for Taxable General Obligation Refunding Bonds, Series 2016B, dated May 25, 2016" created by the Resolution and used solely to pay the principal of and interest on the Refunding Obligations. Termination of this Agreement shall not, of itself, have any effect on the City's obligation to pay the Refunding Obligations and the Refunded Obligations in full in accordance with the respective terms thereof.

d) Indemnification. The City agrees to hold the Escrow Agent harmless and to indemnify the Escrow Agent against any loss, liability, expenses (including attorney's fees and expenses), claims, or demand arising out of or in connection with the performance of its obligations in accordance with the provisions of this Agreement, except for gross negligence or willful misconduct of the Escrow Agent. The foregoing indemnities in this paragraph shall survive the resignation or removal of the Escrow Agent or the termination of the Agreement.

e) Governing Law. This Escrow Agreement shall be construed, interpreted and governed by and under the laws of the State of Wisconsin.

f) Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when hand delivered or when mailed by certified or registered mail, postage prepaid addressed as follows:

If to the City:

Any party may by like notice at any time, and from time to time, designate a different address to which notices shall be sent. Notices given in accordance with these provisions shall be deemed received when mailed.

The Escrow Agent agrees to accept and act upon instructions or directions pursuant to the Escrow Agreement sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Escrow Agent shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing.

g) Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their duly authorized officers on the date first above written.

All actions taken by officers of the City and Ehlers in connection with the preparation and distribution of the Notice of Sale and any other offering materials are hereby ratified and approved in all respects.

Section 1B. Award of the Bonds. The Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal (as modified on the Bid Tabulation and reflected in the Pricing Summary referenced below and incorporated herein), plus accrued interest to the date of delivery, is hereby accepted. The Mayor and City Clerk or other appropriate officers of the City are authorized and directed to execute an acceptance of the Proposal on behalf of the City. The good faith deposit of the Purchaser shall be retained by the City Treasurer until the closing of the bond issue, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "Taxable General Obligation Refunding Bonds, Series 2016B"; shall be issued in the aggregate principal amount of \$16,445,000; shall be dated May 25, 2016; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on April 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on October 1, 2016. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 2A. Designation of Maturities. For purposes of State law, the Bonds are designated as being issued to pay and discharge the debts incurred by the City through the issuance of the Refunded Obligations and the obligations refunded by the Refunded Obligations in the order in which those debts were incurred, so that the Bonds of the earliest maturities are considered to be issued to discharge the debts which were incurred first.

Section 3. Redemption Provisions. The Bonds maturing on April 1, 2025 and thereafter shall be subject to redemption prior to maturity, at the option of the City, on April 1, 2024 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the City and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2016 through 2028 for the payments due in the years 2016 through 2029 in the amounts set forth on the Schedule. The amount of tax levied in the year 2016 shall be the total amount of debt service due on the Bonds in the years 2016 and 2017; provided that the amount of such tax carried onto the tax rolls shall be abated by any amounts appropriated pursuant to subsection (D) below which are applied to payment of principal of or interest on the Bonds in the year 2016.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until

all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

(D) Appropriation. The City hereby appropriates from amounts levied to pay debt service on the Refunded Obligations or other funds of the City on hand a sum sufficient to be irrevocably deposited in the segregated Debt Service Fund Account created below and used to pay the interest on the Bonds coming due on October 1, 2016 as set forth on the Schedule.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for Taxable General Obligation Refunding Bonds, Series 2016B, dated May 25, 2016" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The City Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Bonds; (ii) any premium not used for the Refunding which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account.

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium not used for the Refunding and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall

be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Bonds. A portion of the proceeds of the Bonds shall be transferred to the Escrow Account in order to provide for payment of the Refunded Obligations, as provided in Section 18 hereof. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Bonds have been issued has been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 9. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Bond Trust Services Corporation, Roseville, Minnesota, which is hereby appointed as the City's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Fiscal Agency Agreement between the City and the Fiscal Agent shall be substantially in the form attached hereto as Exhibit F and incorporated herein by this reference.

Section 10. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 11. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 12. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the City and on file in the City Clerk's office.

Section 13. Official Statement. The Common Council hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 14. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Mayor and City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 15. Escrow Agent; Escrow Agreement; Escrow Account. Zions Bank, a division of ZB, National Association, Chicago, Illinois, is hereby appointed escrow agent for the City, for the purpose of ensuring the payment of the principal of and interest on the Refunded Obligations (the "Escrow Agent"). The Mayor and City Clerk are hereby authorized and directed to execute an escrow agreement substantially in the form attached hereto as Exhibit G (the "Escrow Agreement") (such form may be modified by said officers prior to execution, the execution of such agreement by said officers to constitute full approval of the Common Council of any such modifications), with the Escrow Agent, for the purpose of effectuating the provisions of this Resolution.

The Bond Proceeds allocable to refunding the Refunded Obligations shall be deposited in a refunding escrow account which is hereby created with the Escrow Agent, pursuant to the Escrow Agreement, for the purpose of retaining the required amount of cash, if any, and acquiring the United States obligations provided for in the Escrow Agreement.

Upon transfer of the Bond Proceeds and any other necessary funds allocable to refunding the Refunded Obligations to the Escrow Account, the taxes heretofore levied to pay debt service on the Refunded Obligations shall be abated to the extent such transfer together with investment earnings thereon is sufficient to pay the principal of and interest on the Refunded Obligations, but such abatement shall not affect the City's pledge of its full faith, credit and resources to make such payments. The refunding escrow account created by the Escrow Agreement shall hereinafter serve as the debt service (or sinking) fund account for the Refunded Obligations. The Escrow Agent shall serve as custodian of said debt

service (or sinking) funds.

Section 16. Escrow Securities. The Escrow Agent and Ehlers are authorized to purchase U.S. government securities on behalf of the City in such amount as is necessary in order to carry out the Refunding. Ehlers Investment Partners, LLC is hereby authorized to solicit and accept bids for such securities on behalf of the City.

Section 17. Redemption of the Refunded Obligations. The 2009 Bonds maturing in the years 2020 through 2024 are hereby called for prior payment and redemption on April 1, 2019, and the 2010 Bonds maturing in the years 2019 through 2029 are hereby called for prior payment and redemption on April 1, 2018, all at a price of par plus accrued interest to the respective redemption dates.

The City hereby directs the Escrow Agent appointed above to cause timely notice of redemption, in substantially the forms attached to the Escrow Agreement (the "Notices"), to be provided at the times, to the parties and in the manner set forth on the Notices.

Section 18. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.
