

This is an overview of our new business for the property space at 1900 S 60th St West Allis WI 53219.

This establishment called JUST FOR TODAY will be a non-alcohol facility that is open to the public where people will be able to come have clean sober fun. We will sell non-alcoholic beverages to ensure patrons sobriety in coffee, energy drinks, soda and bottled water along with chips and candy bars in a vending machine. Our hours of operation will be 7am to 12am Sunday to Thursday and 7am to 1:45am Friday and Saturday. Activities and entertainment will include pool, darts, cards, TV's, dominoes, dancing, speaker meetings, 12 step meetings, DJ on Saturdays only and electronic games. (No slot machine style games will be used.) This endeavor will be open to the public and everyone is welcome to frequent this facility with everyone being equal and treated equally. Alcohol and drugs will not be permitted or anyone that seems to have been drinking or taking any type of drugs will not be permitted to enter. Profanity, loud and or abusive behavior will not be tolerated. Patrons that cannot conform to these guidelines will be asked to leave. We will have no signs or advertising for beer or liquor permitted in or around the facility promoting an alcohol and drug free zone. Smoking will not be permitted inside the facility only outside in our designated patio area. Loitering will be strongly discouraged at all times. Anyone under the age of 18 will need to be accompanied by an adult or they will not be allowed to enter the facility. We aim to have a positive environment at all times and we believe this will be good for our patrons and the neighborhood. We would like to say we understand the past of this facility but in no way feel as though we should be judged on that merit as this is not a club or bar with alcohol and in no way are we affiliated with the owner or past renters of this building. This is a place for people where we promote a healthy mental lifestyle and help people of all race and creeds to better their life with the help of many people from the community. For any misconceptions as an example this business will be patterned after businesses such as The Pass It On Club on 63rd and Forest Home, The How To Club on 89th and National as well as the friendship and 12 step clubs on the north side of Milwaukee. We hope this letter which was suggested by Alderman Vince Vitale to this council will clear any questions or reservations you might have on what this new business would in tale. Our Goal is to have a safe, positive and upstanding business that will be an asset to the community and city of West Allis. We would like to thank the council for taking the time to review this letter on our new business venture.

Sincerely owners

Donald Henry
