CITY OF WEST ALLIS
CITY CLERK

To Whom It May Concern;
Attention: City Clerk of West Allis,

On September 7, 2016, my car, a 1996 Buick Century station wagon, white in color, was legally parked in front of an apartment building located at 2354 South 107th St.

Between 5:30 P.M. to 6:00 P.M., on this date, it began to rain very heavily, resulting in very serious flooding on South 107th St.

The water rose very steadily & very high, it reached the bottom steps to the apartment building, where the car was parked.

This flooding caused severe damage to the interior of my car, which is not-replacable.

Flood water, also entered into the tailpipe, which was forced into various parts of the engine, this too is not-replacable.

If you have any questions or concerns, please call: (414) 704-0160

Thank You,
