FROM: Michael Lewis, City Engineer

DATE: October 2, 2008

RE: **Communication from City Engineer Regarding Speed Limits in Alleys**

An issue has come up regarding the speed limits signs that have been posted in a number of alleys throughout the City. Apparently, in the past, against the advice of the City Attorney, we have posted ~~8 MPH signs~~ in alleys instead of the correct 15 MPH signs. See attached copies of e-mails. Chairman Lajsic requested that this item be placed on the agenda for discussion and correction.
