Dear Common Council Members,

It is our understanding that Brass Monkey has proposed a new outdoor seating area. My brother and I would like to express our wholehearted support of this new addition to Brass Monkey. Brass Monkey in the 3 years it has been our neighbor has done nothing but improve that property and business. And this new outdoor area will only add to that. We know Brass Monkey will go out of their way to make sure that this is a success and keep everyone happy. We're excited to see the finished product and see the aesthetic boost to that property.

A handwritten signature in black ink, appearing to read "Greg Weis".
