RE: Application for a permit to erect a metal shelter roof at 10315 W. Greenfield Ave., #522

Dear Mr. Mai:

On August 31, 2010, you applied for a permit for a 11 foot deep by 25 foot wide shelter roof erected on the above referenced property.

Your permit is denied because the shelter roof is in violation of Section 9.21(4)(c)3 of the West Allis Revised Municipal Code. The shelter roof cannot exceed 10 feet. Your shelter roof is 1 foot too deep.

You may appeal this decision to the City of West Allis Common Council. Should you wish to appeal, address a letter to the Honorable Mayor and Common Council stating specifically what you wish to appeal. This letter should be mailed to the City Clerk's Office so that your request can be placed on the agenda of the next Common Council meeting.

Should you have further questions please contact the undersigned.

Sincerely,

Terry Tauschmann, Building Inspector
City of West Allis

CITY OF WEST ALLIS
CLERK/TREASURER

Milwaukee, Sept '07, 2010

To: City Clerk's Office.

My name is Martin Mai and I bought the mobile home address

10315 W. Greenfield # 522

West Allis, WI 53214.

When I bought this mobile home late in July, 2010 the shelter roof already there when I buy it. And I call the person sold it to me to pull out the permit, but they don't answer my call. So I turn in the application to get permit for shelter roof at my mobile home and Terry Tauschmann (Building Inspector) not approve for it, because it is 01 foot longer so I don't know what to do, Should I have a permit from your office to leave it there or do something with it. And I'm wondering the person live there before me how come they don't have the permit for the shelter roof. And in front my mobile home is empty space, no body live there, So I hope your office would let me to ~~have~~ keep the shelter roof there.

Thank your for your understand
Martin Mai
