Honorable Mayor Dan Devine
Members of the Common Council

In an effort to provide the timeliest financial information available, the accompanying reports are being provided. The “preliminary” reports summarize revenues and expenses compared to budgeted amounts as of July 30, 2010.

Please note, however, that these figures do not necessarily represent formal month-end July 2010 data. A formal month-end close cannot be made until after the end of the month to allow for all transactions to be posted since certain information, such as interest income on investments, is not available until after the end of the month. Since formal month end information for July was not available in time for this meeting, the accompanying “preliminary” reports are provided. These reports include payroll activity through July 30th, department purchases made through July 23rd, and revenues collected through July 23rd. Other amounts may also have been excluded, however they are considered immaterial.

“Final” reports are available for the months of January, February, and March 2010 and are attached as well.
