Re: Division Name Change

Honorable Mayor and Council Members:

This brief letter is intended to inform you that the Department of Public Works has, as part of the 2007 budget process, changed the name of one of its divisions. The Equipment Repair Division has been renamed the Fleet Services Division. This change reflects the common vernacular used to describe this activity in the public sector and, in fact, is recognized in the committee structure of both the American Public Works Association and the Wisconsin Chapter of APWA.

If anyone should have questions regarding this name change, please feel free to contact me.

Respectively yours,

A handwritten signature in blue ink that reads "Michael F. Pertmer".
