The Common Council recognizes that citizens who serve the City as public officials retain their rights as citizens to interest of a personal or economic nature; that standards of ethical conduct for public officials of the City need to distinguish between those minor and inconsequential conflicts that are unavoidable in a free society and those conflicts which are substantial and material; and, that City officials may need to engage in employment, professional or business activities, other than official duties, in order to support themselves and/or their families, to maintain a continuity of professional or business activity or may need to maintain investments, which activities or investments do not conflict with the specific provisions of this section.

This subsection does not affect the application of sec. 946.13 of the Wisconsin Statutes.

3. Investigate any violation of this subchapter on its own motion or upon complaint properly filed with it.
4. Maintain a record of its investigations, inquiries and proceedings. The statement of economic interest and findings of the Board shall be public records. The City Clerk shall be the custodian of all records and tapes and responsible for their safekeeping. The City Clerk shall require an individual wishing to examine a statement of economic interest or the list of persons who inspect any statements which are in custody of the Board to provide his or her full name and address and, if the individual is representing another person, the full name and address of the person he or she represents. Such identification may be provided in writing or in person. The City Clerk shall record and retain for at least three (3) years information obtained pursuant to this subsection. No individual may use a fictitious name or address or fail to identify a principal in making any request for inspection. The City Clerk shall preserve the statements of economic interest for a period of six (6) years from the date of receipt of such form, including microfilming, as will facilitate document retention, except that:
 - a. Three (3) years after an individual ceases to be an official, the City Clerk shall, unless the former official otherwise requests, destroy any statement of economic interest filed by the individual and any copies thereof in its possession.
 - b. Three (3) years after any election at which a candidate for public office was not elected, the City Clerk shall destroy any statement of economic interest filed by the individual as a candidate for public office and any copies thereof, unless the individual continues to hold another position for which he or she is required to file a statement or unless the individual otherwise requests.
 - c. Three (3) years from the action of the Common Council upon nomination for public office at which the Common Council refused to consent to the appointment of the nominee, the City Clerk shall destroy any statements of economic interest filed by the nominee and any copies thereof, unless the individual continues to hold another position for which he or she is required to file a statement or unless the nominee otherwise requests.
5. Any person who is involved in any matter that could involve conduct prohibited by this subchapter, or could result in a material conflict of interest, as defined below, on his or her part, may apply to the Board or the City Attorney for an advisory opinion. The Board or the City Attorney shall review a request for an advisory opinion and may advise the person making the request. Advisory opinions and requests therefor shall be in writing. The person requesting an advisory opinion shall have an opportunity to present his or her interpretation of the facts at issue and of the applicability of provisions of this subchapter before the advisory opinion is rendered. Unless otherwise waived by the person requesting an advisory opinion, any deliberations and actions by the Board upon such requests shall be in meetings closed to the public. It is prima facie evidence of intent to comply with this subchapter and the Board is prohibited from issuing any complaint against a person who refers a matter to

the Board or City Attorney and abides by the advisory opinion, if the material facts are as stated in the opinion request. Except as specified in paragraphs (f) and (g) below, neither the City Attorney nor a member or agent of the Board may make public the identity of an individual requesting an advisory opinion or of individuals or organizations mentioned in the opinion. **[Ord. O-2003-0046, 6/15/2004]**

A material conflict of interest on the part of any person is deemed to exist whenever the person's action or failure to act could reasonably be expected to produce or assist in producing a substantial benefit, directly or indirectly, for the person or his or her immediate family or an organization with which he or she is associated or the matter in question is one in which the official, in his or her private capacity, or a member of his or her immediate family or an organization with which he or she is associated, has a substantial interest. **[Ord. O-2003-0046, 6/15/2004]**

6. Records obtained in connection with a request for an advisory opinion, other than summaries of advisory opinions that do not disclose the identity of individuals requesting such opinions, or organizations on whose behalf they are requested, are not open for public inspection. The Board may, however, make the advisory opinion and such records public with the consent of the individual requesting the advisory opinion or the organization or governmental body on whose behalf it is requested. A person who makes or reports to make public the substance of or any portion of an advisory opinion requested by or on behalf of the person is deemed to have waived the confidentiality of the request for an advisory opinion and any of the records obtained or prepared by the Board, in connection with the request for an advisory opinion. **[Ord. O-2003-0046, 6/15/2004]**
7. Records obtained or prepared by the Board, in connection with an investigation, are not open for public inspection, except that the Board shall permit inspection of records that are made public in the course of hearing by the Board to determine if a violation of this subchapter has occurred. Whenever the Board refers such investigation and hearing records to the City Attorney or a District Attorney, they may be made public in the course of a prosecution.
8. Maintain a current list of persons doing business in or engaged in any transaction with or affecting the City for use by officials required to file a statement of economic interest with the Board. The list is an aid for officials required to file statements of economic interest that does not relieve any such official of his or her responsibility to provide such information on the basis of his or her best knowledge, information and belief.

[Ord. O-2003-0015, 1/21/2003]

3.8 Investigation Of Complaints

The Board shall accept from any individual, either personally or on behalf of an organization or governmental body, a verified complaint, in writing, signed and sworn to under oath, which states the name of any person alleged to have committed a violation of this subchapter and which sets forth the particulars thereof. The Board

- shall forward to the accused, within ten (10) days, a copy of the complaint and a general statement of the applicable ordinances with respect to such verified complaint. If the Board determines that the verified complaint does not allege facts sufficient to constitute a violation of this subchapter, it shall dismiss the complaint and notify the complainant and the accused. If the Board determines that the verified complaint alleges facts sufficient to constitute a violation of this subchapter, it may make an investigation with respect to any alleged violation. If the Board determines that the verified complaint was brought for harassment purposes, the Board shall so state.

 - d. To pay witnesses the same fees and mileage as are paid in like circumstances by the courts of Wisconsin.
 3. Following the receipt of a verified complaint or upon the receipt of other information, whether or not under oath, that provides a reasonable basis for the belief that a violation of this subchapter has been committed, or that an investigation of a possible violation is warranted, the Board may investigate the circumstances concerning the possible violation. No investigation of any person may be commenced until it has been authorized by the Board, by a majority vote, and until the person, who is the subject of the investigation, has been notified of the investigation, pursuant to subsection (3). During the course of an investigation, if the Board finds probable cause to believe that a violation of this subchapter has occurred, it may:
 - a. If no verified complaint has been filed, upon its own motion, make a verified complaint, which shall be in writing, shall state the name of the person who is alleged to have committed a violation of this subchapter and shall set forth the particulars thereof. Within ten (10) days, the Board shall forward to the accused a copy of the complaint, a general statement of the applicable ordinance provisions with respect to such verified complaint and a specific statement enumerating the source or sources of information on which the complaint is based.
 - b. If a verified complaint has been filed and the Board finds probable cause to believe that a violation of this subchapter, other than one contained in the complaint, has occurred, it may amend the complaint upon its own motion, to include such violations. If the complaint is so amended by the Board, a copy of the amendment shall be sent to the person complained of within forty-eight

(48) hours.

- c. As soon as it becomes apparent to the Board that there exists probable cause for the belief that a particular person has committed a violation of this subchapter, the Board shall notify the alleged violator, by mailing a copy of a notice informing the alleged violator that such person is the subject of the investigation authorized by the Board, and a general statement of the applicable ordinances with respect to such investigation. Service of the notice is complete upon mailing.
- d. No action may be taken on any complaint, which is filed later than three (3) years after a violation of this subchapter is alleged to have occurred.

[Ord. O-2003-0015, 1/21/2003]

3.9 Probable Cause Of Violation

At the conclusion of its investigation, the Board shall, in preliminary written findings of fact and conclusions based thereon, make a determination of whether or not probable cause exists to believe that a violation of this subchapter has occurred. If the Board determines that no probable cause exists, it shall immediately send written notice of such determination to the accused and to the party who made the complaint. If the Board determines that there is probable cause for believing that a violation of this subchapter has been committed, the preliminary findings and fact and conclusions may contain:

1. A recommendation for prosecution, which shall be referred to the City Attorney or District Attorney, as appropriate.
2. An order setting a date for hearing before the Board to determine whether a violation of this subchapter has occurred. Such order shall be served upon the accused. A hearing ordered under this paragraph shall be commenced within thirty (30) days of the date it is ordered, unless the accused petitions for and the Board consents to a later date.

[Ord. O-2003-0015, 1/21/2003]

3.10 Hearing Procedure

During any investigation and during any hearing which is conducted to determine whether a violation of this subchapter has occurred, the person under investigation or the accused may be represented by counsel of his or her choosing and the accused or his or her representative, if any, shall have an opportunity to challenge the sufficiency of any complaint, which has been filed against him or her, to examine all documents and records obtained or prepared by the Board in connection with the matter heard, to bring witnesses, to establish all pertinent facts and circumstances, to question or refute testimony or evidence, including the opportunity to confront and cross examine adverse witnesses. During any hearing conducted by the Board to determine whether a violation of this subchapter has occurred, all evidence, including certified copies of records, which the Board considers, shall be fully offered and made a part of the

record in the proceedings. Upon request of the accused, the Board shall issue subpoenas to compel the attendance of necessary witnesses. The standards of evidence and the burden of proof applicable to civil forfeiture actions shall apply to hearings under this section. The Board shall make a determination upon such evidence submitted by an affirmative vote of two-thirds (2/3) of all the members thereof.

[Ord. O-2003-0026, 3/4/2003]

5. Such other recommendation or order as may be necessary and appropriate and as consistent with the intent and purposes of this subchapter.

3.12 Removal, Suspension And Censure

Upon receipt of a recommendation from the Board that an officer be censured, suspended or removed from office, the appropriate appointing authority or Common Council, as the case may be, may proceed in accordance with secs. 17.12 and 17.16 of the Wisconsin Statutes; but, no officer subject to civil service or to a Police and Fire Commission law, or whose removal is governed by such a law, shall be censured, suspended or removed otherwise than as therein provided.

3.13 Costs

1. If the Board finds that a complaint filed under this subchapter was willful and malicious and without probable cause, the expenses of investigation and hearing of any such complaint by the Board shall be paid by the person making the complaint. In all other cases, such expenses shall be paid by the City.

2. In any Board proceedings discontinued or dismissed or determined favorably to an official, the City shall pay all reasonable expenses which the official necessarily expended by reason of such proceedings.

3.14 Severability

If any provision of this subchapter is invalid or unconstitutional or if the application of this subchapter to any person or circumstances is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions or application of this subchapter, which can be given effect without the invalid or unconstitutional provision or application.

RE: **Proposal for Parking Evaluation**
W. Greenfield Avenue
West Allis, Wisconsin

Dear Traci:

Thank you for the opportunity to provide a quotation for professional services. The contents of this letter contract spell out the Project Understanding, Scope of Services, Information Provided by the Client, Completion Schedule, and Professional Fees under which this proposal is being made.

PROJECT UNDERSTANDING

The City of West Allis is interested in improving traffic flow along the W. Greenfield Avenue (WIS 59) corridor within its downtown area. The City is partnering with the Wisconsin Department of Transportation (WisDOT) on a connecting highway project along WIS 59 between S. 70th Street and S. 76th Street to evaluate potential typical sections, intersection improvements, and driveway closures. WisDOT requested the City conduct a parking study within this segment to identify expected parking impacts resulting from the preferred roadway design.

The City has expressed interest in additional parking evaluations for two other WisDOT connecting highway projects along WIS 59 (S. 56th Street to S. 70th Street and S. 76th Street to S. 84th Street). The scope in this proposal only covers the S. 70th Street to S. 76th Street segment, and these additional segments are not included.

SCOPE OF SERVICES

The following scope of services was developed from information provided by the City and our experience in conducting similar parking studies. raSmith will conduct the following tasks:

DATA COLLECTION:

- Collect on-street parking inventory within the study area (see Exhibit A), which includes the following:
 - Both sides of WIS 59 from S. 68th Street to S. 77th Street
 - Both sides of each public street intersecting WIS 59 from S. 70th Street to S. 76th Street, extending 500 feet on either side of WIS 59.
- Collect off-street public parking inventory within the study area (see Exhibit B). Private parking lots, driveways, and alleys will not be included in the evaluation.

- Document existing parking restrictions within the study area. Restrictions include but are not limited to: no parking zones, time-limited parking, and peak hour parking restrictions. The restrictions will be determined based on a field review of existing signing and marking in the study area.
- Collect on-street and off-street public parking occupancy count data for the study area for a typical weekday and Saturday during the following times:
 - Weekday – 6:00 am to 10:00 pm
 - Saturday – 6:00 am to 10:00 pm

Parking occupancy data will be collected every hour, on the hour. Illegally parked vehicles will be included in the parking occupancy counts, but the illegal parking space will not be considered in the parking inventory.

PARKING EVALUATION:

- Identify the peak hourly weekday and Saturday demand for the study area. The parking demand for WIS 59 and the intersecting streets will be summarized by block face and by parking lot for the off-street public parking lots.
- Evaluate the impact of on-street parking removal based on conceptual corridor design alternatives (up to three, developed by others)
- Summarize the parking impacts and determine if the impacted demand can be accommodated at alternate locations within the study area for each conceptual corridor design alternative.

DELIVERABLES:

- Prepare and submit a technical memorandum summarizing the evaluation.

MEETINGS:

- Participate in two (2) meetings with the City and/or WisDOT to discuss the findings of the parking evaluation. Participation in additional meetings is considered extra services.

INFORMATION PROVIDED BY THE CLIENT

The following information will be provided to raSmith by the City:

- Conceptual WIS 59 corridor design alternatives by date of notice to proceed. The parking evaluation will be based on the three corridor design alternatives. Any changes to the design alternatives will result in additional services and fees to re-evaluate parking.

COMPLETION SCHEDULE

raSmith will submit a draft technical memorandum to the City within ten (10) weeks of receiving notice to proceed and receipt of all three corridor design alternatives. The final technical memorandum will be submitted to the City within two (2) weeks of receiving comments on the draft deliverable.

Ms. Traci Gengler

- B. The obligation to continue performance under this Agreement may be terminated:
 - 1. For cause,
 - a. By either party upon 14 days written notice in the event of substantial failure by the other party to perform in accordance with the Agreement's terms through no fault of the terminating party. Failure to pay Professional for its services is a substantial failure to perform and a basis for termination.
 - b. By Professional:
 - 1) upon seven days written notice if Client demands that Professional furnish or perform services contrary to Professional's responsibilities as a licensed professional; or
 - 2) upon seven days written notice if the Professional's Services are delayed for more than 90 days for reasons beyond Professional's control, or as the result of the presence at the Site of undisclosed Constituents of Concern.
 - c. By Client, for convenience, effective upon Professional's receipt of written notice from Client

- d. Professional shall have no liability to Client on account of a termination for cause by Professional.
 - e. Notwithstanding the foregoing, this Agreement will not terminate as a result of a substantial failure under this section if the party receiving such notice begins, within seven days of receipt of such notice, to correct its substantial failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt of notice; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, 60 days after the date of receipt of the notice.
 - C. In the event of any termination under this section, Professional will be entitled to invoice Client and to receive full payment for all Services and Additional Services performed or furnished in accordance with this Agreement, plus reimbursement of expenses incurred through the effective date of termination in connection with providing the Services and Additional Services, and Professional's consultants' charges, if any.
- 4.01 *Successors, Assigns, and Beneficiaries*
- A. Client and Professional are hereby bound and the successors, executors, administrators, and legal representatives of Client and Professional are hereby bound to the other party to this Agreement and to the successors, executors, administrators, and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements, and obligations of this Agreement.
 - B. Neither Client nor Professional may assign, sublet, or transfer any rights under or interest (including, but without limitation, money that is due or may become due) in this Agreement without the written consent of the other party, except to the extent that any assignment, subletting, or transfer is mandated by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.
 - C. Unless expressly provided otherwise, nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by Client or Professional to any Constructor, other third-party individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of Client and Professional and not for the benefit of any other party.
- 5.01 *General Considerations*
- A. *Standard of Care*

The standard of care for all professional engineering and related services performed or furnished by Professional under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Professional makes no warranties, express or implied, under this Agreement or otherwise, in connection with any services performed or furnished by Professional. Subject to the foregoing standard of care, Professional and its consultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards.
 - B. *Design Without Construction Phase Services*

Professional shall not at any time supervise, direct, control, or have authority over any Constructor's work, nor shall Professional have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any Constructor, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a Constructor to comply with laws and regulations applicable to such Constructor's furnishing and performing of its work. Professional shall not be responsible for the acts or omissions of any Constructor. Professional neither guarantees the performance of any Constructor nor assumes responsibility for any Constructor's failure to furnish and perform its work.
 - C. *Opinions of Cost*

Professional's opinions (if any) of probable construction cost are to be made on the basis of Professional's experience, qualifications, and general familiarity with the construction industry. However, because Professional has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, Professional cannot and does not guarantee that proposals, bids, or actual construction cost will not vary from opinions of probable construction cost prepared by Professional. If Client requires greater assurance as to probable construction cost, then Client agrees to obtain an independent cost estimate. Professional shall not be responsible for any decision made regarding the construction contract requirements, or any application, interpretation, clarification, or modification of the construction contract documents other than those made by Professional or its consultants.
 - D. *Use of Documents*

All documents prepared or furnished by Professional are instruments of service, and Professional retains an ownership and property interest (including the copyright and the right of reuse) in such documents, whether or not the Project is completed. Client shall have a limited license to use the documents on the Project, extensions of the Project, and for related uses of the Client, subject to receipt by Professional of full payment due and owing for all Services and Additional Services relating to preparation of the documents and subject to the following limitations:

 - 1. Client acknowledges that such documents are not intended or represented to be suitable for use on the Project unless completed by Professional, or for use or reuse by Client or others on extensions of the Project, on any other project, or for any other use or purpose, without written verification or adaptation by Professional;

2. Any such use or reuse, or any modification of the documents, without written verification, completion, or adaptation by Professional, as appropriate for the specific purpose intended, will be at Client's sole risk and without liability or legal exposure to Professional or to its officers, directors, members, partners, agents, employees, and consultants;
3. Client shall indemnify and hold harmless Professional and its officers, directors, members, partners, agents, employees, and consultants from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from any use, reuse, or modification of the documents without written verification, completion, or adaptation by Professional; and
4. Such limited license to Client shall not create any rights in third parties.

E. **Liability**

To the fullest extent permitted by Laws and Regulations, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of Professional and Professional's officers, directors, employees, and Consultants, to Client and anyone claiming by, through, or under Client for any and all injuries, claims, losses, expenses, costs, or damages whatsoever arising out of, resulting from, or in any way related to the Project, Professional's or its Consultants services or this Agreement from any cause or causes whatsoever, including but not limited to the negligence, professional errors or omissions, strict liability, breach of contract, indemnity obligations, or warranty express or implied of Professional or Professional's officers, directors, employees, or Consultants shall not exceed the total amount of \$100,000 or the total compensation received by Professional under this Agreement, whichever is less.

F. **Indemnification**

To the fullest extent permitted by Laws and Regulations, Client shall indemnify and hold harmless Professional and Professional's officers, directors, employees, and Consultants from and against any and all claims, costs, losses and damages (including but not limited to all fees and charges of Professionals, architects, attorneys, and other professionals, and all court, arbitration, or other dispute resolution costs) arising out of or relating to the Project, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death or to injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom, but only to the extent caused by any negligent act or omission of the Client or Client's officers, directors, members, partners, agents, employees, consultants, or others retained by or under contract to the Client with respect to this Agreement or to the Project.

G. **Dispute Resolution**

Client and Professional agree to negotiate each dispute between them in good faith during the 30 days after written notice of dispute. If negotiations are unsuccessful in resolving the dispute, then the dispute shall be mediated. If mediation is unsuccessful, then the parties may exercise their rights at law. The venue for all disputes shall be the state of Wisconsin. Attorney fees will be borne by the non-prevailing party.

H. **Governing Law**

This Agreement is to be governed by the law of the state of Wisconsin.

6.01 **Agreement**

- A. This Agreement (including any expressly incorporated attachments), constitutes the entire agreement between Client and Professional and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a duly executed written instrument. Nothing in this Agreement between Professional and Client shall create a contractual relationship between either Professional and Client and an outside third party.

7.01 **Lien Notice**

- A. As required by the Wisconsin construction lien law, Professional hereby notifies Client that persons or companies performing, furnishing, or procuring labor, services, materials, plans, or specifications for the construction on Client's land may have lien rights on Client's land and buildings if not paid. Those entitled to lien rights, in addition to the undersigned Professional, are those who contract directly with the Client or those who give the Client notice within 60 days after they first perform, furnish, or procure labor, services, materials, plans or specifications for the construction. Accordingly, Client probably will receive notices from those who perform, furnish, or procure labor, services, materials, plans, or specifications for the construction, and should give a copy of each notice received to the mortgage lender, if any. Professional agrees to cooperate with the Client and the Client's lender, if any, to see that all potential lien Professionals are duly paid.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, the Effective Date of which is indicated on page 1.

KL ENGINEERING, INC.**General Terms and Conditions of the Engineering Services**

1. KL Engineering, Inc. will begin engineering services upon written authorization to proceed. Receipt of a signed contract will be considered written authorization. For projects requiring phased services a written authorization of approval of the prior phase and notice to proceed on the subsequent phase must be received prior to commencement of services. Phases, when applicable, shall be divided into study and report phase, preliminary design phase, final design phase and construction phase.
2. KL Engineering, Inc. will bill the Owner monthly with net payment due in thirty (30) days. Past due balances shall be subject to an interest charge at a rate of 1½% per month. In addition, KL Engineering, Inc., may after, giving seven (7) days' written notice, suspend service under any agreement until the Owner has paid in full all amounts due for services rendered and expenses incurred, including the interest charge on past due invoices.
3. The quoted fees and scope of engineering services constitute the estimate of the fees and tasks required to perform the services as defined. This agreement, upon execution by both parties hereto, can be amended only by written instrument signed by both parties. For those projects involving conceptual or process development service, activities often cannot be fully defined during initial planning. As the project progresses, facts uncovered may reveal a change in direction which may alter the scope. KL Engineering, Inc., will promptly inform the Owner in writing of such situations so that changes in this agreement can be made as required.
4. Costs and schedule commitments shall be subject to change for delays caused by the Owner's failure to provide specified facilities or information or for delays caused by unpredictable occurrences including, without limitation, fires, floods, riots, strikes, unavailability of labor or materials, delays or defaults by suppliers of materials or services, process shutdowns, acts of God or the public enemy, or acts or regulations of any governmental agency. Temporary delays of services caused by any of the above which result in additional costs beyond those outlined may require renegotiation of this agreement.
5. KL Engineering, Inc., will maintain insurance coverage for: Worker's Compensation, General Liability, Auto Liability, and Professional Liability. KL Engineering, Inc., will provide information as to specific limits upon written request. If the Owner requires coverages or limits in addition to those in effect as of the date of the agreement, premiums for additional insurance shall be paid by the Owner. The liability of KL Engineering, Inc., to the Owner for any indemnity commitments, or for any damages arising in any way out of performance of this contract is limited to such insurance coverages and amounts which KL Engineering, Inc., has in effect.
6. Owner shall indemnify and hold harmless KL Engineering, Inc. from and against all judgments, losses, damages, and expenses (including attorney fees and defense costs) to the extent such judgments, losses, damages, or expenses are caused by any negligent act, error, or omission of Owner or any person or organization for which Owner is legally liable. Upon completion of all Services, obligations, and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive.
7. In the event of a dispute between KL Engineering, Inc. and Owner arising out of or related to this Agreement, the aggrieved party shall notify the other party of the dispute within a reasonable time after such dispute arises. If the parties cannot thereafter resolve the dispute, each party shall nominate a senior officer of its management to meet to resolve the dispute by direct negotiation or mediation. Should such negotiation fail to resolve the dispute, KL Engineering, Inc. and Owner agree that all disputes between them arising out of or relating to this Agreement shall be submitted to non-binding mediation unless the parties mutually agree otherwise. During the pendency of any dispute, the parties shall continue diligently to fulfill their respective obligations hereunder.
8. Termination of this agreement by the Owner or KL Engineering, Inc., shall be effective upon seven (7) days' written notice to the other party. The written notice shall include the reasons and details for termination. KL Engineering, Inc., will prepare a final invoice showing all charges incurred through the date of termination; payment is due as stated in paragraph 2. If the Owner violates the agreements entered into between KL Engineering, Inc., and the Owner or if the Owner fails to carry out any of the duties contained in these terms and conditions, KL Engineering, Inc., may upon seven (7) days' written notice, suspend services without further obligation or liability to the Owner unless, within such seven (7) day period, the Owner remedies such violation to the reasonable satisfaction of KL Engineering, Inc.
9. Reuse of any documents and/or engineering services pertaining to this project by the Owner or extensions of this project or on any other project shall be at the Owner's sole risk. The Owner agrees to defend, indemnify, and hold harmless KL Engineering, Inc., from all claims, damages, and expenses including attorneys' fees and costs arising out of such reuse of the documents and/or engineering services by the Owner or by others acting through the Owner.
10. KL Engineering, Inc., will provide engineering services in accordance with generally accepted professional practices. KL Engineering, Inc., does not make any warranty or guarantee, expressed or implied, nor have any agreement or contract for services subject to the provisions of any uniform commercial code. Similarly, KL Engineering, Inc., will not accept those terms and conditions offered by the Owner in its purchase order, requisition, or notice of authorization to proceed, except as set forth herein or expressly agreed to in writing. Written acknowledgement of receipt, or the actual performance of services subsequent to receipt of such purchase order, requisition, or notice of authorization to proceed is specifically deemed not to constitute acceptance of any terms or conditions contrary to those set forth herein.
11. KL Engineering, Inc., intends to serve as the Owner's professional representative for those services as defined in this agreement, and to provide advice and consultation to the Owner as a professional. Any opinions of probable project costs, reviews and observations, and other decisions made by KL Engineering, Inc., for the Owner are rendered on the basis of experience and qualifications and represents the professional judgment of KL Engineering, Inc. However, KL Engineering, Inc., cannot and does not guarantee that proposals, bids or actual project or construction costs will not vary from the opinion of probable cost prepared by it. Owner agrees to hold KL Engineering, Inc., harmless for any claim arising out of or related in anyway to project or construction costs.
12. This agreement shall not be construed as giving KL Engineering, Inc., the responsibility or authority to direct or supervise construction means, methods, techniques, sequence, or procedures of construction selected by the contractors or subcontractors or the safety precautions and programs incident to the work of the contractors or subcontractors.
13. This agreement shall be construed and interpreted in accordance with the laws of the State of Wisconsin.
14. This agreement cannot be changed or terminated orally. No waiver of compliance with any provision or condition hereof should be effective unless agreed in writing duly executed by the parties hereto.
15. This agreement contains the entire understanding between the parties on the subject matter hereof and no representations, inducements, promises or agreements not embodied herein (unless agreed in writing duly executed) shall be of any force or effect, and this agreement supersedes any other prior understanding entered into between the parties on the subject matter hereof.

Standard of Care: GRAEF shall exercise ordinary professional care in performing all services under this Agreement, without warranty or guarantee, expressed or implied.

Client Responsibilities: Client shall at all times procure and maintain financing adequate to timely pay for all costs of the PROJECT as incurred; shall timely furnish and provide those services, items and/or information defined in Agreement, as amended, and shall reasonably communicate with and reasonably cooperate with GRAEF in its performance of this Agreement. GRAEF shall be entitled to rely on the accuracy and completeness of any services, items and/or information furnished by Client. These terms are of the essence. Client shall indemnify, defend and hold GRAEF, its present or former officers, employees and subconsultant(s), fully harmless from any liability or loss, cost or expense (including attorney's fees and other claims expenses) in any way arising from or in connection with errors, omissions or deficiencies in the services, items and/or information Client is obliged to furnish in respect of this Agreement.

Limitation of Liability: Client and GRAEF agree that GRAEF's liability for any direct, indirect, incidental or consequential economic losses or damages arising under or in connection with this agreement (including any attorney's fees or claims expenses) shall be limited to the sum of one hundred thousand dollars (\$100,000.00).

Additional Services: Client may request or it may become necessary for GRAEF or its subconsultant(s) to perform Additional Services in respect of this Agreement. Client shall pay for such Additional Services above and beyond charges for Basic Services set forth in this Agreement. GRAEF will notify Client in advance of GRAEF's intention to render Additional Services. Client's failure to instruct GRAEF not to perform the proposed Additional Service shall constitute Client's acceptance of such Additional Service and agreement to pay for such Additional Service in accordance with the Invoicing & Payment terms of this Agreement.

Collection Costs: Client shall pay all collection costs GRAEF incurs in order to collect amounts due from Client under this Agreement. Collection costs shall include, without limitation, reasonable attorney's fees and expenses, collection agency fees and expenses, court fees, collection bonds and reasonable GRAEF staff costs at standard billing rates for GRAEF's time spent in efforts to collect. Client's obligation to pay GRAEF's collection costs shall survive the term of this Agreement or the earlier termination by either party.

Invoicing & Payment: GRAEF may issue invoices for services rendered and expenses incurred at such times and with such frequency as GRAEF deems necessary or appropriate in GRAEF's discretion. All invoices are due and payable upon receipt and shall be considered past due if not paid within thirty (30) calendar days of the due date. **Prompt and full payment of all periodic invoices or other billings issued by GRAEF pursuant to this Agreement is of the essence of this Agreement.** In the event that Client fails to promptly and fully pay any invoice as and when due, then, and in addition to any other remedies allowed by law, GRAEF, may, in its sole discretion, suspend performance of all services under this Agreement upon seven (7) calendar days' written notice to Client, and immediately invoice Client for all unbilled work-in-progress rendered and other expenses incurred. Upon GRAEF's receipt of full payment, in good funds and without offset, of all sums invoiced in connection with any such declaration of suspension, GRAEF shall resume services, **provided that** the time schedule and compensation under this Agreement shall be equitably adjusted in a manner acceptable to GRAEF to compensate GRAEF for the period of suspension plus any other reasonable and necessary time and expenses GRAEF suffers or incurs to resume services. No failure by GRAEF to exercise its right to suspend work and accelerate sums due shall in any way waive or abridge Client's obligations to GRAEF or GRAEF's rights to later suspend work and accelerate terms. Client agrees GRAEF shall incur no liability whatsoever to Client, or to any other person, for any loss, cost or expense arising from any such suspension by GRAEF, either directly or indirectly. In addition, simple interest shall accrue at the lower of 1.5% per month (18% per annum), or the maximum interest rate allowable by law, on any invoiced amounts remaining unpaid for more than 60 days from the date of the invoice. Payments made shall be allocated as follows: (1) first to unpaid collection costs; (2) second to unpaid accrued interest; and (3) last to unpaid principal of the oldest invoice.

Latent Conditions: Client acknowledges that subsurface or latent physical conditions at the site that differ materially from those indicated in the project documents, or unknown or unusual conditions that materially differ from those ordinarily encountered may exist. If such latent conditions require a change in the design or the construction phase services, GRAEF shall be entitled to a reasonable extension of time to evaluate such change(s) and their impact on the project and to prepare such additional design documents as may be necessary to address or respond to such latent conditions. Client shall pay GRAEF for all services rendered and reimbursable expenses incurred by GRAEF and its subconsultant(s), if any, to address, respond to or repair such latent conditions. Such services by GRAEF or its subconsultant(s) shall constitute Additional Services.

Insurance: GRAEF shall procure and maintain liability insurance policies, including professional liability, commercial general liability, automobile liability, and workers' compensation insurance for the duration of this Agreement and shall, upon request, produce certificates evidencing the maintenance of such coverages. Should Client desire additional insurance, GRAEF shall endeavor reasonably to procure and maintain such additional insurance, but Client shall reimburse GRAEF for any additional premiums or other related costs that GRAEF incurs.

Instruments of Service: All original documents prepared for Client by GRAEF or GRAEF's independent professional associate(s) and subconsultant(s) pursuant to this Agreement (including calculations, computer files, drawings, specifications, or reports) are Instruments of Professional Service in respect of this Agreement. GRAEF shall retain an ownership and property interest therein whether or not the services that are the subject of this Agreement are completed. Unless otherwise confirmed by written Addenda to this Agreement, signed by duly authorized representatives of both Client and GRAEF, no Instrument of Professional Service in respect of this Agreement constitutes, or is intended to document or depict any "as-built" conditions of the completed Work. Client may make and retain copies for information and reference in connection with the use and occupancy of the completed project by Client and others; however, such documents are not intended or represented to be suitable for reuse by Client or others on extensions of the project, or otherwise. Any reuse without GRAEF's written consent shall be at Client's sole risk and responsibility, and without any liability to GRAEF, or to GRAEF's independent professional associate(s) and subconsultant(s). Further, Client shall indemnify, defend and hold GRAEF and GRAEF's independent professional associate(s) and subconsultant(s), fully harmless from all liability or loss, cost or expense (including attorney's fees and other claims expenses) in any way arising from or in connection with such unauthorized reuse.

Contractor Submittals: The scope of any review or other action taken by GRAEF or its subconsultant(s) in respect of any contractor submittal, such as shop drawings, shall be for the limited purpose of determining if the submission generally conforms with the overall intent of the design of the work that is the subject of this Agreement, but not for purposes of determining accuracy, completeness or other details such as dimensioning or quantities, or for substantiating instructions or performance of equipment or systems. GRAEF shall not be liable or responsible for any error, omission, defect or deficiency in any contractor submittal.

Pricing Estimates: Neither GRAEF nor Client has any control over the costs of labor, materials or equipment, over contractors' methods of determining bid prices, or over competitive bidding, market or negotiation conditions. Accordingly, GRAEF cannot and does not warrant or represent that bids or negotiated prices will not vary from any projected or established budgetary constraints.

Construction Observation: Unless expressly stated in this Agreement, GRAEF shall have no responsibility for Construction Observation. If Construction Observation services are performed, GRAEF's visits to the construction site shall be for the purpose of becoming generally familiar with the progress and quality of the construction, and to determine if the construction is being performed in general accordance with the plans and specifications. GRAEF shall have no obligation to "inspect" the work of any contractor or subcontractor and shall have no control or right of control over and shall not be responsible for any construction means, methods, techniques, sequences, equipment or procedures (including, but not limited to, any erection procedures, temporary bracing or temporary conditions), or for safety precautions and programs in connection with the construction. Also, GRAEF shall have no obligation for any defects or deficiencies or other acts or omissions of any contractor(s) or subcontractor(s) or material supplier(s), or for the failure of any of them to carry out the construction in accordance with the contract documents, including the plans and specifications. GRAEF is not authorized to stop the construction or to take any other action relating to jobsite safety, which are solely the contractor's rights and responsibilities.

Dispute Resolution: GRAEF and Client shall endeavor to resolve all disputes first through direct negotiations between the parties' informed and authorized representatives, then through mediation. If mediation fails to fully resolve all disputes within 120 calendar days of the first written request for mediation, either party may pursue any remedy it deems appropriate to the circumstances.

No Assignment: This Agreement is not subject to assignment, transfer or hypothecation without the written consent of both parties expressly acknowledging such assignment, transfer or hypothecation.

Governing Law: This Agreement, as amended, and any disputes or controversies arising in connection with this Agreement shall be governed and resolved by the laws of the State of Wisconsin, without regard to said state's choice of law rules.

Severance of Clauses: In the event that any term, provision or condition of this Agreement is void or otherwise unenforceable under the law governing this Agreement, then such terms shall be stricken and the balance of this Agreement shall be interpreted and enforced as if such stricken terms never existed.

Integrated Agreement: The parties' final and entire agreement is expressed in the attached proposal letter and these Standard Terms and Conditions. All prior oral agreements or discussions, proposals and/or negotiations between the parties are merged into and superseded by this Agreement. No term of the parties' Agreement may be orally modified, amended or superseded.

Kind, Number and Location of Expenditures Summary

In 2025, the Business Improvement District will work on the implementation of the projects presented earlier in this report. All activities/projects will take place within the boundaries of the Downtown West Allis as stated on page 3 of this report.

In addition to the regular activities that provide a clean, safe and vibrant area, the BID must provide support to the businesses. With recent new business additions, there has been a focus on signage, marketing needs as well as streetscape. The BID will, once again, offer both signage, security cameras, and marketing grants to our business owners and will increase the number projects of public art in our Downtown.

Execution of and continued development of forward strategy to:

- Be a collective voice in planning, policy and communications.
- Work with City Administration and Elected Officials to identify and prioritize capital projects.
- Advocate for inclusion in future City capital budgets.
- Foster relationships with elected officials and City Staff to maintain focus on capital improvement plans and encourage open dialogue between all entities.
- Work with City Traffic Engineering Department on vehicle and pedestrian traffic flow as well as Lime Scooters and Bublr Bikes.
- Meet with business and property owners on a regular basis to assess impact, provide information, and seek feedback.
- Create and distribute regular and timely communication with information about the district and local businesses.

City Role

The City of West Allis is committed to helping private property owners in the District promote its development. To this end, the City intends to play a significant role in the creation of the Business Improvement District and in implementation of the Operating Plan. In particular, the City will:

- Encourage the County and State governments to support the activities of the District.
- Monitor and, when appropriate, apply for outside funds that could be used in support of the District.
- Collect assessments, maintain the funds, and disburse the funds of the District to the BID along with an identification of those BID assessments included in the disbursement.
- Provide the BID Board through the Assessor's Office on or before September 1 of each Operating Plan year with the official City records on assessed value for each Parcel Identification Number within the District, as of that date in each plan year, for purposes of calculating the BID assessments.
- Adopt this Operating Plan in the manner required by Wis. Stat. sec. 66.1109.

Required Statements

- The Business Improvement District law requires the Operating Plan to include several specific statements:
 - Wis. Stat. sec. 66.1109(1)(f)1m: The District will contain property used exclusively for manufacturing purpose, as well as properties used in part for manufacturing. These properties will be assessed according to the formula contained herein because it is assumed that they will benefit from development in the District. *(See page 8, Summary - 2nd bullet point)*
 - Wis. Stat. sec. 66.1109(5)(a): Real property used exclusively for residential purposes and real property that is exempted from general property taxes under s. 70.11 may not be specially assessed.

Severability and Expansion

- This BID has been created under authority of Wis. Stat. sec. 66.1109.
- Should any court find any portion of the BID law or this Operating Plan invalid or unconstitutional, said decision will not invalidate or terminate the BID and this BID Operating Plan should be amended to conform to the law without the need to reestablish the Operating Plan.
- Should the State amend the statute to narrow or broaden the purposes of a Business Improvement District so as to, among other things, exclude or include as assessable properties of a certain class or classes of properties, then this BID Operating Plan may be amended by the Common Council of the City of West Allis as and when it conducts its annual budget approval without necessity to undertake any other act.
- All of the above is specifically authorized by Wis. Stat. sec. 66.1109(3) (b).
- If it is determined by a court or administrative body that a parcel of property not subject to general real estate taxes may not be included within the District, then such parcels shall be excluded from the definition of the District.

Legal Option

I hereby certify that the 2025 Operating Plan for the *Downtown West Allis Business Improvement District* is complete and complies with Section 66.1109(1) (f) of the Wisconsin Statutes.

Kind, Number and Location of Expenditures Summary

In 2025, the Business Improvement District will work on the implementation of the projects presented earlier in this report. All activities/projects will take place within the boundaries of the Downtown West Allis as stated on page 3 of this report.

In addition to the regular activities that provide a clean, safe and vibrant area, the BID must provide support to the businesses. With recent new business additions, there has been a focus on signage, marketing needs as well as streetscape. The BID will, once again, offer both signage, security cameras, and marketing grants to our business owners and will increase the number projects of public art in our Downtown.

Execution of and continued development of forward strategy to:

- Be a collective voice in planning, policy and communications.
- Work with City Administration and Elected Officials to identify and prioritize capital projects.
- Advocate for inclusion in future City capital budgets.
- Foster relationships with elected officials and City Staff to maintain focus on capital improvement plans and encourage open dialogue between all entities.
- Work with City Traffic Engineering Department on vehicle and pedestrian traffic flow as well as Lime Scooters and Bublr Bikes.
- Meet with business and property owners on a regular basis to assess impact, provide information, and seek feedback.
- Create and distribute regular and timely communication with information about the district and local businesses.

City Role

The City of West Allis is committed to helping private property owners in the District promote its development. To this end, the City intends to play a significant role in the creation of the Business Improvement District and in implementation of the Operating Plan. In particular, the City will:

- Encourage the County and State governments to support the activities of the District.
- Monitor and, when appropriate, apply for outside funds that could be used in support of the District.
- Collect assessments, maintain the funds, and disburse the funds of the District to the BID along with an identification of those BID assessments included in the disbursement.
- Provide the BID Board through the Assessor's Office on or before September 1 of each Operating Plan year with the official City records on assessed value for each Parcel Identification Number within the District, as of that date in each plan year, for purposes of calculating the BID assessments.
- Adopt this Operating Plan in the manner required by Wis. Stat. sec. 66.1109.

Required Statements

- The Business Improvement District law requires the Operating Plan to include several specific statements:
 - Wis. Stat. sec. 66.1109(1)(f)1m: The District will contain property used exclusively for manufacturing purpose, as well as properties used in part for manufacturing. These properties will be assessed according to the formula contained herein because it is assumed that they will benefit from development in the District. *(See page 8, Summary - 2nd bullet point)*
 - Wis. Stat. sec. 66.1109(5)(a): Real property used exclusively for residential purposes and real property that is exempted from general property taxes under s. 70.11 may not be specially assessed.

Severability and Expansion

- This BID has been created under authority of Wis. Stat. sec. 66.1109.
- Should any court find any portion of the BID law or this Operating Plan invalid or unconstitutional, said decision will not invalidate or terminate the BID and this BID Operating Plan should be amended to conform to the law without the need to reestablish the Operating Plan.
- Should the State amend the statute to narrow or broaden the purposes of a Business Improvement District so as to, among other things, exclude or include as assessable properties of a certain class or classes of properties, then this BID Operating Plan may be amended by the Common Council of the City of West Allis as and when it conducts its annual budget approval without necessity to undertake any other act.
- All of the above is specifically authorized by Wis. Stat. sec. 66.1109(3) (b).
- If it is determined by a court or administrative body that a parcel of property not subject to general real estate taxes may not be included within the District, then such parcels shall be excluded from the definition of the District.

Legal Option

I hereby certify that the 2025 Operating Plan for the *Downtown West Allis Business Improvement District* is complete and complies with Section 66.1109(1) (f) of the Wisconsin Statutes.
