### **M. ADJOURNMENT**

All meetings of the Common Council are public meetings. In order for the general public to make comments at the committee meetings, the individual(s) must be scheduled (as an appearance) with the chair of the committee or the appropriate staff contact; otherwise, the meeting of the committee is a working session for the committee itself, and discussion by those in attendance is limited to committee members, the mayor, other alderpersons, staff and others that may be a party to the matter being discussed.

### NOTICE OF POSSIBLE QUORUM

It is possible that members of, and possibly a quorum of, members of other governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information. No action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

### NON-DISCRIMINATION STATEMENT

The City of West Allis does not discriminate against individuals on the basis of race, color, religion, age, marital or veterans' status, sex, national origin, disability or any other legally protected status in the admission or access to, or treatment or employment in, its services, programs or activities.

### AMERICANS WITH DISABILITIES ACT NOTICE

Upon reasonable notice the City will furnish appropriate auxiliary aids and services when necessary to afford individuals with disabilities an equal opportunity to participate in and to enjoy the benefits of a service, program or activity provided by the City.

### LIMITED ENGLISH PROFICIENCY STATEMENT

It is the policy of the City of West Allis to provide language access services to populations of persons with Limited English Proficiency (LEP) who are eligible to be served or likely to be directly affected by our programs. Such services will be focused on providing meaningful access to our programs, services and/or benefits.

### CITY OF WEST ALLIS RESOLUTION R-2022-0801

### RESOLUTION FOR A CONDITIONAL USE PERMIT FOR MULTIFAMILY APARTMENTS, A PROPOSED 5+ UNIT DWELLING, TO BE LOCATED AT 8530-56 W. NATIONAL AVE.

**WHEREAS,** Three Leaf Partners, LLC, duly filed with the City Clerk an application for a conditional use permit; pursuant to Sec. 19.14 and 19.32 of the Revised Municipal Code of the City of West Allis, for a Dwelling with 5+ Units use; and,

WHEREAS, after due notice, a public hearing was held by the Common Council on December 13, 2022, at 7:00 p.m. in the Common Council Chambers to consider the application; and,

**WHEREAS**, the Common Council, having carefully considered the evidence presented at the public hearing and the following pertinent facts noted:

1. Three Leaf Partners has offices at 13150 Watertown Plank, Suite 204, Elm Grove, WI 53122.

2. The subject property at 8530-56 W. National Ave. (478-9998-003) is currently owned by GTR National, LLC. Three Leaf Partners has an offer to purchase the property.

The subject properties are more particularly described as follows, to-wit:

All the land of the owner being located in the Southwest <sup>1</sup>/<sub>4</sub> of Section 4, Township 6 North, Range 21 East, in the City of West Allis, Milwaukee County, State of Wisconsin, described as follows:

Commencing at the Southwest corner of Parcel 1, Certified Survey Map 5161; thence Southwesterly, 24.60 feet along the North right-of-way line of West National Avenue; thence Southeasterly, 3.00 feet; thence Southwesterly, 455.86 feet; thence Southwesterly, 101.47 feet; thence Northwesterly, 35.41 feet; thence Northerly, 64.08 feet; thence Northwesterly, 53.00 feet; thence Northerly, 184.57 feet; thence Easterly, 195.88 feet; thence Northerly, 86.22 feet to the South line of the Chicago and Northwestern Transportation Company; thence Easterly, 366.51 feet along the said South line to the Northwest corner of the said Parcel 1; thence Southerly, 154.17 feet to the Point of Beginning.

3. The proposal is for a 6-story, 247-unit residential building that would include, underground parking, surface parking and landscaping improvements. The 140,199 sq. ft. building is proposed to be located upon 3.19 acres of land. The subject area is zoned C-2 and the proposed use (Dwelling with 5+ Units) is considered a conditional Use in the district.

4. The subject property is located north of National Ave., south of the Union Pacific Railroad and west of S. 84 St. The property to the north is zoned industrial and developed as a railroad corridor. The property to the east is zoned as commercial and developed as a commercial use. The properties to the west are zoned for industrial and commercial and developed as industrial and commercial uses. Properties to the south zoned for parks, residential, and commercial and are developed as park, school, and residential use.

5. The use, value and enjoyment of other property in the surrounding area for permitted uses will not be substantially impaired or diminished by the establishment, maintenance or operation of the conditional Use.

**NOW THEREFORE,** BE IT RESOLVED by the Common Council of the City of West Allis that the application submitted by David Lyon, d/b/a Three Leaf Partners, for a proposed Dwelling with 5+ Units, to be located at 8530-56 W. National Ave. be, and is hereby granted on the following grounds: That the establishment, maintenance, and operation of the proposed use, with the imposition of certain conditions hereinafter set forth, reasonably satisfies the standards set forth in 19.14 of the Revised Municipal Code, so as to permit the issuance of a conditional use permit as therein provided.

BE IT FURTHER RESOLVED that said conditional use permit is granted subject to the following conditions:

1 Site, Landscaping, Screening and Architectural Plans. The grant of this conditional use permit is subject to and conditioned upon:

a. Site, Landscaping, and Architectural Plans approved by the West Allis Plan Commission on October 26, 2022. No alterations or modification to the approved plans shall be permitted without approval by the West Allis Plan Commission.

2. Building Plans, Fire Codes and Licenses. The grant of this conditional Use is subject to building plans being submitted to and approved by the Code Enforcement and Fire Departments. Any applicable licenses shall be applied for and approved. Capacity shall be in accordance with limits of occupancy load calculations as approved by Code Enforcement and Fire Departments.

3. Vehicle Parking. The project will provide 319 motor vehicle parking spaces (consisting of 295 structured, indoor spaces and 24 outdoor, surface spaces) including 11 ADA stalls. The project will provide 63 indoor and 8 outdoor bicycle parking spaces.

4. Signage. Signage shall be permitted in compliance with the West Allis signage ordinance.

5. Deliveries and Refuse Collection. All refuse to be provided by a commercial hauler. All refuse, recyclables and other waste material shall be located indoors and/or screened from view within a 4-sided enclosure or as approved by the Planning & Zoning office to match the building. All tenants of the property will be required to abide by the City of West Allis health/public nuisance rules per Chapter 7 of the Revised Municipal Code.

6. Outdoor Lighting. All exterior lighting fixtures and/or lighting visible from public right-ofway shall be indirect and shielded in such a manner that no light splays from the property boundaries. Lighting is subject to a photometric lighting plan being approved by the Plan Commission.

7. Expiration of conditional use permit. Any conditional Use approved by the Common Council shall lapse and become null and void 1 year from and after that approval if the use has not commenced, construction is not underway, or the owner has not obtained a valid building permit. An extension of these time limitations may be granted without a public hearing by the Common Council by resolution reauthorizing the conditional Use in accordance with the following criteria: A. The applicant requesting the extension shall complete a planning application and shall submit a \$250.00 extension fee.

B. A written explanation for the extension of time shall accompany the planning application along with a timeline/schedule for obtaining necessary permits, zoning, state and municipal approvals and a target date for construction start;

C. The request for extension shall be submitted within 60 days of the expiration of the conditional Use permit;

D. The extension, if granted, shall be valid for a period of 6 months. If no building permit has been issued and construction has not commenced within 6 months from and after the extension has been granted, the conditional Use shall become null and void.

8. Miscellaneous.

A. Applicants are advised that the foregoing conditions are reasonably necessary to protect the public interest and to secure compliance with the standards and requirements specified in Sec. 19.14 of the Revised Municipal Code; that the issuance of the conditional Use is expressly subject to compliance with said conditions.

B. The use, as granted herein, is subject to applicants' compliance with all other state and local laws and regulations which may be applicable to the proposed use of the real estate in question.

C. The conditional Use, as granted herein, shall run with the land and benefit and restrict all future owners and occupants of the property, unless the use shall lapse or be terminated and the use will not be altered or extended (including structural alterations and/or additions) without the approval of the Common Council, following public hearing, all as provided in Sec. 19.14 of the Revised Municipal Code.

9. Lapse. If the applicant does not meet all of the terms and conditions set forth in this grant of a conditional use within one year of the granting thereof, then the conditional use permit shall lapse and become null and void and the applicant shall forfeit any right to use the property as conferred by the conditional use permit. The failure of the applicant to meet the terms and conditions of the conditional use permit shall subject the permit to being declared void by the Common Council after notice to the applicant and a hearing before the Economic Development Committee. Upon a finding and recommendation by the Committee to the Common Council on the matter, the applicant and/or any interested person may make comments regarding the matter to the Common Council prior to the Common Council's finding that the conditional use permit has lapsed and become void, the applicant shall cease all operations at the property.

10. Termination of conditional Use. If the person or entity granted the conditional use violates,

allows or suffers the violation of the ordinances of the City of West Allis, the State of Wisconsin or the United States on the premises covered by the conditional Use, then the conditional use may be terminated.

11. Acknowledgement. That the applicants sign an acknowledgment that he has received these terms and conditions and will abide by them.

The undersigned applicant agrees to the terms and conditions and has agreed that the grant of the conditional use permit is conditioned on meeting the terms and conditions of this resolution.

Agent for Three Leaf Partners

All meetings of the {bdName} are public meetings. In order for the general public to make comments at the committee meetings, the individual(s) must be scheduled (as an appearance) with the chair of the committee or the appropriate staff contact; otherwise, the meeting of the committee is a working session for the committee itself, and discussion by those in attendance is limited to committee members, the mayor, other alderpersons, staff and others that may be a party to the matter being discussed.

#### NON-DISCRIMINATION STATEMENT

The City of West Allis does not discriminate against individuals on the basis of race, color, religion, age, marital or veterans' status, sex, national origin, disability or any other legally protected status in the admission or access to, or treatment or employment in, its services, programs or activities.

#### AMERICANS WITH DISABILITIES ACT NOTICE

Upon reasonable notice the City will furnish appropriate auxiliary aids and services when necessary to afford individuals with disabilities an equal opportunity to participate in and to enjoy the benefits of a service, program or activity provided by the City.

#### LIMITED ENGLISH PROFICIENCY STATEMENT

It is the policy of the City of West Allis to provide language access services to populations of persons with Limited English Proficiency (LEP) who are eligible to be served or likely to be directly affected by our programs. Such services will be focused on providing meaningful access to our programs, services and/or benefits.

# CITY OF WEST ALLIS ORDINANCE O-2022-0167

## ORDINANCE TO AMEND SALARY SCHEDULE, INCREASE PAY FOR CERTAIN NON-REPRESENTED EMPLOYEES 2.5% FOR NON-RESIDENTS AND 3% FOR RESIDENTS, AND UPDATE TITLES AND PAY GRADES FOR VARIOUS POSITIONS

**WHEREAS**, the City of West Allis' 2023 Adopted Budget included funding for a 2.5% pay increase for all non-represented employees, and an additional 0.5% increase for non-represented employees who are West Allis residents; and

WHEREAS, the salary schedule amendment shall apply to all non-represented city employees except those employees who are currently on a performance improvement plan or those who have not made satisfactory progress and/or completed their annual goals as determined by the Department Head/Manager; and

WHEREAS, the common council finds it necessary to make adjustments to the salary grades for certain position titles based on current labor market considerations;

**NOW THEREFORE,** the common council of the City of West Allis do ordain as follows:

GIS Analyst (Non-exempt Grade I) is deleted and GIS Administrator (Exempt Grade J) is added. HR Generalist - Lead (Exempt Grade J) is added. Assistant City Engineer (Exempt Grade N) is added.

City Englineer (Exempt Orade N) is added.

City Engineer pay grade is changed from Grade Q to Grade R.

**SECTION 1:** <u>AMENDMENT</u> "Salary Schedule" of the City Of West Allis Municipal Code is hereby *amended* as follows:

## AMENDMENT

Salary Schedule

- 1. Establishment. City employees and officers shall receive compensation based on the salary schedule in this ordinance, the terms of an employment contract, or the terms of a collective bargaining agreement.
- Automatic Cost of Living Adjustments. This salary schedule does not include an automatic adjustment for personnel in conformity with fluctuations upwards and downwards in the cost of living.
- 3. Employee and Appointed Officer Salaries. Each City employee and officer who holds a position recognized within the salary schedule below shall receive compensation within the range assigned to the salary grade for that employee's or officer's position.

# CITY OF WEST ALLIS ORDINANCE O-2022-0169

# ORDINANCE TO ESTABLISH 10 P.M. CLOSING TIME FOR FARMERS MARKET PROPERTY

### AMENDING SECTION 6.02(9)(B)

**WHEREAS**, city parks are closed at 10 p.m. and the common council seeks to promote consistency in closing times for similar public places;

**NOW THEREFORE,** the common council of the City of West Allis do ordain as follows:

**SECTION 1:** <u>AMENDMENT</u> "6.02 Public Offenses" of the City Of West Allis Municipal Code is hereby *amended* as follows:

# AMENDMENT

6.02 Public Offenses

- 1. Definitions. For the purpose of this section, the definitions of words and phrases contained in Chapter 161 and in Chapters 939 to 948, 951 and sec. 990.01 of the Wisconsin Statutes, as the same may be from time to time amended, are hereby adopted and by reference made a part hereof with the same force and effect as if fully set forth herein.
- 2. Interpretation. In the following enumerated sections and subsections of the Wisconsin Statutes:
  - a. Whenever the word "crime" is used, it shall be taken to mean "offense."
  - b. Whenever the phrase "criminal intent" is used, it shall be taken to mean "intent."
  - c. Whenever the term "court" is used, it shall be taken to mean West Allis Municipal Court.
  - d. Whenever the phrase "District Attorney" is used, it shall mean City Attorney.

a. The following Chapters, sections and subsections of the Wisconsin Statutes, as may be amended from time to time, describing, defining and prohibiting conduct, are hereby adopted by reference and made a part of this Section as if fully set forth herein: [Ord. 6249, 9/3/1996; Ord. O-2005-0039, 8/2/2005]

Chapters 941-948 Chapter 951 Sec. 146.70 Sec. 252.25 Sec. 323.28 Sec. 940.19 Sec. 940.20 Sec. 940.24 Sec. 961.41 Sec. 961.43 Sec. 961.571-161-576

<sup>3.</sup> State Laws Adopted.

- b. Penalties. Every person, firm or corporation convicted of a violation of this section shall, for each offense, be punished by a forfeiture not to exceed the fine or forfeiture imposed for violations of the comparable state statute, including any variations or increases for subsequent offenses; provided, however, that prosecution under this Code may not provide for the imposition of a fine or of imprisonment, except for failure to pay any forfeiture imposed. In addition to such forfeiture, the costs of prosecution shall be imposed; and, in default of payment of said forfeiture and costs, punishment shall be suspension of the defendant's operating privilege, pursuant to secs. 343.30 and 345.47 of the Wisconsin Statutes, or by imprisonment in the Milwaukee County House of Correction or Milwaukee County Jail until payment of the forfeiture and costs, but not in excess of the number of days, pursuant to sec. 800.095(4) of the Wisconsin Statutes. Each and every day during which a violation continues constitutes a separate offense.
- c. Marijuana Offenses. Subject to the exceptions set forth in Section 961.41(3g) (intro.) and pursuant to the authority of Section 66.0107(1)(bm) of the Wisconsin Statutes, an officer may issue a citation for possession of marijuana. A police officer may also issue a citation for possession of more than twenty-five (25) grams of marijuana or possession of any amount of marijuana following a conviction in this state for possession of marijuana, provided that the district attorney dismissed charges for the same conduct or declined to prosecute the case. [Ord. O-2014-0035, 6/3/2014]
- d. Other Controlled Substance Offenses. Pursuant to the authority in Section 66.0107(1)(bn) of the Wisconsin Statutes, a police officer may issue a citation for possession of a controlled substance specified in Section 961.14(tb) to (ty), provided that a person previously convicted of possessing such controlled substances in this state may not be prosecuted under this provision for the same conduct unless the district attorney dismisses the charges or declines to prosecute. **[Ord. O-2014-0035, 6/3/2014]**
- 4. Solicitation. Whoever, with intent that an offense be committed, advises another to commit that offense under circumstances which indicate unequivocally that he has such intent, shall forfeit an amount not to exceed the maximum provided for the completed offense.
- 5. Conspiracy. Whoever, with intent that an offense under this section be committed, agrees or combines with another for the purpose of committing that offense, shall, if one or more of the parties to the conspiracy does an act to effect its object, forfeit an amount not to exceed the maximum provided for the completed offense.
- 6. Attempt.
  - a. Whoever attempts to commit an offense under this section shall forfeit an amount not to exceed one-half (1/2) the maximum penalty for the completed offense.
  - b. An attempt to commit an offense requires that the actor have an intent to perform acts and attain a result which, if accomplished, would constitute such offense and that he does acts toward the commission of the offense which

demonstrates, under all the circumstances, that he formed that intent and would commit the offense, except for the intervention of another person or some other extraneous factor.

- 7. Gambling Devices. Any police officer may seize anything devised solely for gambling or found in actual use for gambling and any police officer may destroy or cause the destruction of any such things after a judicial determination that it was used solely for gambling or found in actual use for gambling.
- 8. Interference with Fire Department or Equipment. No person shall willfully offer any hindrance or resistance to firemen in the discharge of their duties, or willfully injure in any manner any fire hose, fire engine or fire apparatus in use in the City, or shall operate or drive any vehicle over any fire hose which may be laid in the streets or at any other place in the City.
- 9. Loitering.
  - a. Loitering or Prowling. No person shall loiter or prowl in a place, at a time or in a manner not usual for law abiding individuals, under circumstances that warrant alarm for the safety of persons or property in the vicinity. Among the circumstances which may be considered in determining whether such alarm is warranted is the fact that the actor takes flight upon appearance of a police or peace officer, refuses to identify himself or manifestly endeavors to conceal himself or any object. Unless flight by the actor or other circumstances makes it impracticable, a police or peace officer shall, prior to any arrest for an offense under this section, afford the actor an opportunity to dispel any alarm which would otherwise be warranted, by requesting him to identify himself and explain his presence and conduct. No person shall be convicted of an offense under this subsection if the police or peace officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the actor was true and, if believed by the police or peace officer at the time, would have dispelled the alarm.
  - b. Loitering in Public Places. It shall be unlawful for any person, not in official attendance or on official business, to enter into, congregate, loiter, wander, stroll, stand or play in the following public places in the City between the hours of 10:00 p.m. and sunrise. [Ord. O-2010-0031, 9/7/2010; Ord. O-2010-0044]
    - i. School buildings or playground areas adjacent thereto; provided, further, that this prohibition shall also apply to such places between the hours of 8:00 a.m. and 4:00 p.m. on official school days.
    - ii. The courtyard located on the north side of the City Hall.
    - iii. Veterans Memorial Park (S. 70 Street and W. National Avenue).
    - iv. Washington Playground (S. 61 Street and W. Lapham Street).
    - v. Kopperud Park (S. 76 Street and W. Pierce Street.).
    - vi. Veterans Housing Park (W. Harrison Avenue and S. 72 Street).
    - vii. Rogers Park (S. 75 Street and W. Rogers Street.).
    - viii. Rogers Playground (S. 56 Street and W. Rogers Street.).
    - ix. Garfield School Park (S. 84 Street and W. National Avenue.).
    - x. Honey Creek Park and Settlement (S. 84 Street and W. National

Avenue).

- xi. Joyce Radtke Park (8320 W. National Avenue).
- xii. Klentz Park (2601 S. 72 Street.).
- xiii. Liberty Heights Park (1540 S. 62 Street.).
- xiv. North Greenfield Railroad Station Park (8139 W. National Avenue.).
- xv. Reservoir Park (9621 W. Lapham Street.).

- xvii. <u>Any property owned by the City of West Allis, upon notice from a</u> police officer or other city official
- xviii. Farmers Market (6501 W. National Avenue).
- c. Loitering in Buildings. No person shall remain in a building or structure, without lawful cause, after being asked to leave by the owner or by the person entitled to possession or in control thereof. No person shall lodge in any building or structure without the permission of the owner or the person entitled to possession or in control thereof.
- d. Loitering on Posted Private Property. It shall be unlawful for any person to congregate, loiter, wander, stroll or stand upon any private property in the City which has been posted with a notice stating "No Loitering," "Patrons Only," or other notice indicating that the said property is not a thoroughfare for the use of the general public. Such notice shall be at least eight and one-half by eleven (8 1/2 x 11) inches in size, or of comparable area, and plainly posted, at least one to each property intended to be so posted. This section shall include loitering in parked motor vehicles. [Ord. 6248, 9/3/1996]
- 10. Exposing Minors to Harmful Materials.
  - a. Definitions. As used in this subsection:
    - i. "Harmful to minors" means— That quality, of any description or representation, in whatever form of nudity, sexual conduct or sado-masochistic abuse; and,
      - (1) Which, when taken as a whole, the average person, applying contemporary community standards, would find appeals to the prurient or morbid interest of minors; and,
      - (2) Which depicts or describes nudity, sexual conduct or sadomasochistic abuse in a patently offensive way, with respect to what is suitable materials for minors; and,
      - (3) Which, when taken as a whole, lacks serious literary, artistic, political or scientific value for minors.
    - ii. "Knowingly" means having general knowledge of, or reason to know, or belief or ground for belief which warrants further inspection or inquiry or both with respect to:
      - (1) The character and content of any material described herein, which is reasonably susceptible to examination by the defendant.
      - (2) The age of a minor; provided, however, that an honest

mistake shall constitute an excuse from liability hereunder, if the defendant made a reasonable bona fide attempt to ascertain the true age of such minor.

- iii. "Minor" shall mean any person under the age of eighteen (18) years.
- iv. "Nudity" means the showing of the human male or female genitals, pubic area or buttocks with less than a full opaque covering, or the showing of the female breast with less than a fully opaque covering of any portion thereof below the top of the nipple, or the depiction of covered male genitals in a discernibly turgid state.
- v. "Sexual conduct" shall mean human genitals in a state of sexual stimulation or arousal, act of human masturbation, sexual stimulation or arousal, sexual intercourse or sodomy, defiling or other erotic touching of human genitals, pubic region, buttocks or female breasts.
- b. No person, firm or corporation shall knowingly sell, give away, display or loan to a minor:
  - i. Any picture, photograph, drawing, sculpture, motion picture film or similar visual representation or image of a person or portion of the human body which depicts nudity or sexual conduct and which is harmful to minors.
  - ii. Any book, pamphlet, magazine, printed matter, however reproduced, or sound recording, which contains any matter enumerated in subsection (b)(1) hereof, or explicit and detailed verbal descriptions or narrative accounts of sexual conduct and which, taken as a whole, is harmful to minors.
- c. No person shall have in his possession, with intent to transfer or exhibit to a person under the age of eighteen (18) years, any matter prohibited by this section.
- 11. Display of Sexually Explicit Reading Materials and Video Tapes in Establishments Accessible to Minors.
  - a. Definitions. As used in this subsection:
    - i. "Knowingly" means knowledge of or reason to know or believe or grounds for belief which warrants further inspection or inquiry, or both, with respect to character and content of the material.
    - ii. "Minor" means any person under eighteen (18) years of age.
    - iii. "Adult" means any person eighteen (18) years of age or older.
    - iv. "Person" means any individual, partnership, firm, association, corporation or other legal entity.
    - v. "Public place" means any premises which is at the time made public by the assembly of people, whether by allurement of entertainment or otherwise, including, but not limited to, liquor stores, grocery stores, video stores, book stores, gas stations, taverns, restaurants, theaters and meeting rooms, regardless of the specific nature.
    - vi. "Sexually explicit reading materials" shall mean any book, magazine or newspaper, which contains on the cover or interior, any photograph, picture, drawing, animation, depiction or other visual

representation of specified anatomical areas or sexual conduct, as herein defined.

- vii. "Sexually explicit video tapes" shall mean any video tape which contains on the cover any photograph, picture, drawing, animation, depiction or other visual representation of specified anatomical areas or sexual conduct, as herein defined.
- viii. "Specified anatomical area" shall mean less than completely opaquely covered human genitals, pubic area, buttocks or female breasts below a point immediately above the top of the areola. It shall also mean human, male genitals in discernible turgid state, even if completely and opaquely covered.
- ix. "Sexual conduct" shall mean human genitals in a state of sexual stimulation or arousal, act of human masturbation, sexual stimulation or arousal, sexual intercourse or sodomy, defiling or other erotic touching of human genitals, pubic region, buttocks or female breasts.
- b. Display of sexually explicit reading materials and video tapes. It shall be unlawful for any person to knowingly display sexually explicit reading materials and video tapes in any public place in the City of West Allis which is accessible to minors; provided, however, that such sexually explicit reading material and video tapes may be displayed behind a checkout counter or cash register stand or adjacent to such counters or stands, which have no rear access. In the alternative, any public place in the City of West Allis may display such sexually explicit reading material and video tapes may be displayed behind a checkout counter or cash register stand or adjacent to such counters or stands, which have no rear access. In the alternative, any public place in the City of West Allis may display such sexually explicit reading material and video tapes in a specific area where only adults are allowed. Such area must contain a sign no smaller than two (2) feet stating "Adults Only." If the cover of such reading material or video tape displays a visual representation of a specified anatomical area or sexual conduct, such cover must have an opaque screen or border of sufficient height so that only the title is visible.
- c. Exceptions. Nothing contained in this section shall be construed to apply to the public display of any of the following:
  - i. Any art or photographic publication which devotes at least twentyfive percent (25%) of the lineage of each edition to articles and advertisements dealing with the subject of art and photography.
  - ii. Any news periodicals which report or describe current events and which, from time to time, publish photographs or drawings of nude or semi-nude persons in connection with dissemination of the news.
  - iii. Any publication which describes or reports on different cultures and which may, from time to time, publish photographs or depictions of nude or semi-nude persons, which describe cultures in which such nudity or semi-nudity is indigenous to the population.
  - iv. Any medical or bona fide educational publication.
  - v. Any publication which, from time to time, publishes photographs or depictions of nude or semi-nude persons in an advertisement or article which pertains to that advertisement or article.

- d. Penalties. Any person who shall violate any provision of this section shall, upon conviction, pay a forfeiture not to exceed five hundred dollars (\$500), together with the costs of the action, and upon default of payment thereof, shall be imprisoned in the Milwaukee County House of Corrections for a period not to exceed ninety (90) days, or until such forfeiture and costs are paid. Each day during which a violation of this section is permitted to exist shall be deemed to be a separate violation.
- 12. Age Requirements for Motion Picture Attendance.
  - a. It is the responsibility of every manager or person in charge of any motion picture theater in the City of West Allis to enforce the regulations as dictated by the rating assigned to the motion picture to be shown.
  - b. No manager or person in charge of any motion picture theater in the City of West Allis shall allow any person, including employees, to enter any area of the theater where the motion picture screen can be seen, unless such person or employee is of an age conforming to the requirements of the rating assigned to the motion picture scheduled to be shown.
  - c. No person shall, in any manner, assist any other person to gain entry to a motion picture theater when such other person's age does not conform with the requirements of the rating assigned to the motion picture scheduled to be shown.
  - d. Each motion picture theater shall prominently display the audience rating assigned to the motion picture scheduled to be shown at the ticket window and at the place where tickets are taken.
  - e. The Police Department of the City of West Allis shall notify the parents or guardian of any person under eighteen (18) who is found to be in violation of this subsection.
- 13. Unlawful Entry on Property. Any person or state, or any political subdivision thereof, engaged in or preparing to engage in, the manufacture, transportation or storage of any product to be used in the preparation of the United States or of any of the states for defense or for war or in the prosecution of war by the United States or the manufacture, transportation, distribution or storage of gas, oil, coal, electricity or water, or any of said natural or artificial persons operating any public utility, whose property, except where it fronts on water or where there are entrances for railway cars, vehicles, persons or things, is surrounded by a fence or wall, or a fence or wall and buildings, may post around his or its property at each gate, entrance, dock or railway entrance and every one thousand (1,000) feet of water front a sign reading "No Entry Without Permission." No person shall, without permission, willfully enter upon premises so posted.
- 14. Parties to an Offense.
  - a. Whoever is concerned in the commission of an offense under this section as a principal and may be charged with and convicted of the commission of the offense, although he did not directly commit it, and although the person who directly committed it has not been convicted or has been convicted of some other degree of the offense or of some other offense based on the same act.
  - b. A person is concerned in the commission of the offense if he:

- i. Directly commits the offense; or,
- ii. Intentionally aids or abets the commission of it; or,
- iii. Is a party to a conspiracy with another to commit it or advises, hires, counsels or otherwise procures another to commit it. Such a party is also concerned in the commission of any other offense under this section, which is committed in pursuance of the intended offense under this section and which, under the circumstances, is a natural and probable consequence of the intended offense. This paragraph does not apply to a person who voluntarily changes his mind and no longer desires that the offense be committed and notifies the other parties concerned of his withdrawal within a reasonable time before the commission of the offense so as to allow the others to withdraw.
- 15. Contributing to Delinquent Condition of Minor. No person eighteen (18) or older shall intentionally encourage or contribute to the delinquency of any child of any age. For purposes of this section, "delinquent" means a child who is less than eighteen (18) years of age who has violated any state or federal criminal law, any state or federal law, violation of which is punishable by the imposition of a forfeiture or any county or municipal ordinance.

Penalty for violation of this section shall be a forfeiture of not less than ten dollars (\$10) nor more than five hundred dollars (\$500), together with the costs of prosecution and, in default of payment of said forfeiture and costs, by imprisonment in the Milwaukee County House of Correction until such forfeiture and costs are paid, but not in excess of the terms set forth in sec. 800.095(4) of the Wisconsin Statutes.

## 16. Hindering Officers.

- a. No person shall knowingly resist, obstruct, hinder or substantially interfere with any police officer while such officer is doing any act in his official capacity and with lawful authority.
- b. "Resist" means to oppose the officer by force or threat of force. The resistance must be directed to the officer personally.
- c. "Obstruct" includes, but is not limited to, giving false information to an officer which tends to mislead him in the performance of his duty.
- d. "Hindering" includes, but is not limited to, fleeing or attempting to flee from a police officer, failing to obey a lawful order of an officer, concealing or attempting to conceal evidence or substantially interfering or attempting to interfere with an investigation or arrest.
- 17. Roller Skates, In-Line Skates and Skateboards Prohibited. No person shall ride or otherwise use roller skates, in-line skates or skateboards upon public property as follows:

Sidewalks along W. Greenfield Ave., from S. 70 St. to S. 76 St. Sidewalks along W. Greenfield Ave., from S. 60 St. to S. 65 St. Sidewalks along W. National Ave., from S. 60 St. to S. 65 St. City Hall Courtyard Area West Allis Public Library All Municipal parking lots

18. County Park Ordinances Adopted. The provisions of Chapter 47 of the Milwaukee

County ordinances, as amended, describing, defining and prohibiting conduct in Milwaukee County Parks, are hereby adopted by reference and made a part of this section with the same force and effect as if fully set forth herein. Any law enforcement officer may issue citations for enforcement of any ordinances adopted under this section and the Municipal Court shall have jurisdiction over said cases.

- 19. Purchase or Possession of Tobacco Products by Children/Sale of Tobacco Products to Children. [Ord. 6216, 3/20/1996; Ord. 6565, 4/3/2001; Ord. 6584, 9/18/2001]
  - a. Sections 254.92 and 134.66 of the Wisconsin Statutes, as they may be amended from time to time, are hereby adopted by reference and made a part of this section as if fully set forth herein.
  - b. Any person under the age of eighteen (18) violating this section is subject to the dispositions set forth in section 938.343 of the Wisconsin Statutes.
  - c. A person violating section 134.66, Wis. Stat., shall be subject to the penalties set forth in section 134.66(4). The court ordered suspensions shall not prohibit the West Allis Common Council from further suspensions or revocation under section 9.65(5) of the Revised Municipal Code.
- 20. Graffiti; Parental Liability. Sections 895.035(2g) and 895.035(4) of the Wisconsin Statutes, as amended from time to time, describing and defining parental liability for the cost of repair, replacement or removal of property damages by graffiti, as defined in sec. 943.017 of the Wisconsin Statutes, are hereby adopted by reference and made a part of this section, as if fully set forth herein. **[Ord. 6247, 9/3/1996]**
- 21. Nudity in Public Place. [Ord. 6010, 4/20/1993; Ord. O-2016-0003, 1/19/2016] a. Declaration of Intent.
  - Whereas, the Common Council of the City of West Allis has determined that certain modifications need to be made to Ordinance No. 6010, entitled "An Ordinance to Create Section 6.02(21) of the Revised Municipal Code Regarding Nudity in a Public Place," originally passed by the Common Council on April 20, 1993, due to the Seventh Circuit Court of Appeals decision in Foxxxy Ladyz Adult World, Inc. v. Village of Dix; and
  - ii. Whereas, the Common Council has conducted an extensive review of available reports and studies concerning the detrimental secondary effects associated with nudity in public places. The secondary effects reports and studies that have been reviewed include the following: Effects of Adult Entertainment Businesses on Residential Neighborhoods, El Paso, TX (1986); Nude Entertainment Study, Adams County, CO (1988); An Analysis of the Effects of Sexually Oriented Businesses on the Surrounding Neighborhoods, Dallas, TX (1997); Sexually-Oriented Business Study, Rochester, NY (2000); Crime-Related Secondary Effects of Sexually-Oriented Businesses, Palm Beach County, FL (2007); Does the Presence of Sexually-Oriented Businesses Relate to Increased Levels of Crime? An Examination Using Spatial Analyses, Eric S. McCord and Richard Tewksbury (2012); Testimony on SB 3348, Richard McCleary and

Lori Sexton (2012); and

- iii. Whereas, the Common Council has reviewed the holdings and findings of the following court cases: City of Erie v. Pap's A.M., 529 U.S. 277 (2000); Barnes v. Glen Theatre, Inc. 501 U.S. 560 (1991); Schultz v. City of Cumberland, 228 F.3d 831 (7th Cir. 2000); Kev, Inc. v. Kitsap County, 793 F.2d 1053 (9th Cir. 1986); Urmanski v. Town of Bradley, 2000 WI App. 141, 613 N.W. 2d 905; Ben's Bar, Inc. v. Village of Somerset, 316 F.3d 702 (7th Cir. 2003); Foxxxy Ladyz Adult World, Inc. v. Village of Dix, 779 F.3d 706 (7th Cir. 2015); and
- iv. Whereas, the Common Council finds that nudity in public places has a negative impact on property values; increases crime rates, including sexually-based and alcohol-related offenses; and results in deterioration of nearby residential neighborhoods; and
- v. Whereas, the Common Council is deeply concerned about the risk to the health, safety, and welfare of West Allis residents from the deleterious secondary effects associated with nudity in public places; for that purpose, the enactment of the following subsection is hereby reaffirmed.
- b. Definition. "Nudity" means the showing of the human male or female genitals, or pubic area with less than a fully opaque covering, or the showing of the female breast with less than a fully opaque covering of any part of the nipple.
- c. Prohibition. No person shall knowingly or intentionally, in a public place, appear in a state of nudity.
- d. Exception. Subsection (c) does not apply to a mother's breast-feeding of her child.
- 22. Loitering By Sex Offenders. [Ord. O-2007-0025, 7/3/2007]
  - a. Definitions. The definitions delineated in Section 6.027 of the City of West Allis Revised Municipal Code shall be applicable to this subsection. In addition, the following term shall mean:
    - i. "Child safety zones" shall include any real property upon which there exists any facility used for or which supports a use of:
      - (1) A public park, parkway, parkland, park facility;
      - (2) A public swimming pool;
      - (3) A public library;
      - (4) A recreational trail;
      - (5) A public playground;
      - (6) A school for children;
      - (7) Athletic fields used by children;
      - (8) A day-care center;
      - (9) Any specialized school for children, including, but not limited to a gymnastics academy, dance academy or music school;
      - (10) Aquatic facilities open to the public; and
      - (11) Any facility for children [which means a public or private

school, a group home, as defined in Section 48.02(7), Stats., a residential care center for children and youth, as defined in Section 48.02 (15d), Stats., a shelter care facility, as defined in Section 48.02 (17), Stats., a foster home, as defined in Section 48.02(6), Stats., a treatment foster home, as defined in Section 48.02 (17q), Stats., a day-care center licensed under Section 48.65, Stats., a day-care program established under Section 120.13(14), Stats., a day-care provider certified under Section 48.651, Stats., or a youth center, as defined in Section 961.01 (22) Stats].

- b. Prohibition. It shall be unlawful for any sex offender to enter into, congregate, loiter, wander, stroll, stand or play in or near a child safety zone under circumstances that warrant alarm for the safety of persons in the vicinity. Among the circumstances which may be considered in determining whether such alarm is warranted is the fact that the actor takes flight upon appearance of a police or peace officer, refuses to identify himself or manifestly endeavors to conceal himself or any object. Unless flight by the actor or other circumstances makes it impracticable, a police or peace officer shall, prior to any arrest for an offense under this section, afford the actor an opportunity to dispel any alarm which would otherwise be warranted, by requesting him to identify himself and explain his presence and conduct. No person shall be convicted of an offense under this subsection if the police or peace officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the actor was true and, if believed by the police or peace officer at the time, would have dispelled the alarm.
- c. Penalty. Any person who shall violate any provision of this subsection shall pay, upon conviction, a forfeiture not to exceed one thousand dollars (\$1,000) per violation, together with the costs of this action, and upon default of payment thereof, shall be imprisoned in the Milwaukee County House of Corrections for a period not to exceed ninety (90) days, or until such forfeiture and costs are paid. Each day during which a violation of this section is permitted to exist shall be deemed to be a separate violation.
- Trespassing on Private Property. No person shall enter or remain upon the lands, buildings, or premises of another or any part, portion, or area thereof if: [Ord. O-2011-0002; 1/4/2011]
  - a. The owner, owner's agent or representative, lessee, custodian, or other person in possession thereof forbids or warns him/her not to enter or remain, whether orally or in writing;
  - b. A reasonably visible sign posted on such lands, building, premises, or any part or portion thereof, forbids or warns him/her not to enter or remain.
    - i. Signs shall be posted at all common entrances and shall be at least eight and one-half (8 1/2) by eleven (11) inches in size, with letters at least one (1) inch in height.
  - c. Exceptions. This prohibition does not apply to law enforcement officers,

firefighters, or rescue personnel acting under the scope of their official duties; or any person who, in the scope of his or her employment, has a lawful right to be on the property.

- d. Penalties. Any person, firm, or corporation violating this section shall, upon conviction, forfeit not less than three hundred dollars (\$300) nor more than one thousand dollars (\$1,000), together with the costs of prosecution and, in default of payment, shall be imprisoned in the House of Correction until such forfeiture and costs are paid, but not more than the number of days set forth in Section 800.095(4), Wis. Stat.
- 24. Unauthorized Presence On School Grounds. [Ord. O-2014-0081, 12/2/2014]
  - a. Adoption of State Statute. Except as otherwise provided herein, Wisconsin Statute Section 120.13(35) is hereby adopted by reference and made a part hereof with the same force and effect as if fully set forth herein.
  - b. Application. This section shall apply to all schools in the West Allis-West Milwaukee School District located in the City of West Allis.
  - c. Unauthorized Persons Prohibited. Pursuant to the West Allis-West Milwaukee School District Policy entitled "Visitors to the Schools," as it may be amended from time to time, no person shall enter or remain in a school building unless s/he is:
    - i. A student participating in his/her educational program or school activities;
    - ii. Parents/guardians of students enrolled in the school when observing or participating in activities related to their child's educational program or when requested by school officials;
    - iii. Any school district employee, officer, agent, or volunteer conducting school district business;
    - iv. Any individual attending or participating in a meeting, activity, or event open to the general public;
    - v. Individuals specifically authorized by Board policy to be in the school building; or
    - vi. Other individuals with the permission of the building principal or Superintendent of Schools.
  - d. Reporting. When an individual visits a school, s/he shall first report to the main office so that the building principal may determine whether the individual has the authority to enter or remain in the building.
    - i. Exceptions. This subsection shall not apply to any individual listed in Subsection (3)(a)-(f).
  - e. Penalties.
    - i. Any person violating this section shall be required to forfeit not less than two hundred fifty dollars (\$250.00) nor more than one thousand dollars (\$1,000.00). The person shall be required to pay the costs of prosecution. In default of payment thereof, the person shall be imprisoned in the Milwaukee County House of Correction until such forfeiture and costs are paid, but not more than the number of days set forth in sec. 800.095(1)(b)1 of the Wisconsin Statutes, or by

suspension of the defendant's operating privilege, pursuant to secs. 343.30 and 345.47 of the Wisconsin Statutes. Each and every day that an offense continues constitutes a separate offense.

**SECTION 2:** <u>EFFECTIVE DATE</u> This Ordinance shall be in full force and effect on and after the required approval and publication according to law.

# ORDINANCE TO ADOPT PARKING RESTRICTIONS ON THE NORTH SIDE OF W. GREENFIELD AVE. FROM S. 76TH ST. TO 100' EAST OF S. 76TH ST.

## **AMENDING SECTION 10.10**

**WHEREAS,** Wis. Stat. 349.13(1e)(a) allows the City to prohibit, limit the time of or otherwise restrict the stopping, standing or parking of vehicles beyond the prohibitions, limitations or restrictions imposed by Wis. Stat. Ch. 346;

**NOW THEREFORE,** the common council of the City of West Allis do ordain as follows:

The north side of the 7500 Block of West Greenfield Avenue, from South 76th Street to 100 feet east of South 76th Street shall be no stopping or standing.

**SECTION 1:** <u>AMENDMENT</u> "10.10 Parking Restrictions On Streets, Alleys, Municipal Parking Lots And Sidewalks" of the City Of West Allis Municipal Code is hereby *amended* as follows:

# AMENDMENT

10.10 Parking Restrictions On Streets, Alleys, Municipal Parking Lots And Sidewalks

- 1. All enactments of the Common Council prohibiting parking of vehicles on designated streets, or parts thereof, or prescribing parking time limits or the manner of parking vehicles thereon, are incorporated into this Chapter by reference thereto, and shall be as effective as if fully set forth herein. The City Clerk shall keep a separate record of all such enactments, including any amendments or additions thereto.
- 2. Wis. Stat. 346.51 to 346.55, and any future amendment thereto, is hereby adopted as though fully set forth herein.
- 3. The Director of Public Works, by written order, may establish temporary no parking regulations on any street or municipal parking lot within the City, when, in the judgment of the Director, road construction, water main break or other similar condition requires such regulations for the safe movement of vehicular traffic. Any such regulation shall not be effective unless official traffic signs or markers have been placed stating the particular prohibition. The Director shall, as soon as practicable, notify the Chief of Police, or his designee, of any such regulation. Temporary parking regulations, established pursuant to this subsection, shall supersede any other parking restriction which may be in conflict.

**SECTION 2:** <u>EFFECTIVE DATE</u> This Ordinance shall be in full force and effect on and after the required approval and publication according to law.

**SECTION 3:** <u>AUTHORIZATION</u> The director of public works is authorized to install official traffic signs, pavement markings, or parking meters indicating any particular prohibition, limitation, or restriction.

#### EXHIBIT NO 1. TO GENERAL CONDITIONS CITY OF WEST ALLIS ECONOMIC DEVELOPMENT LOAN FEDERAL REQUIREMENTS

BORROWERS: Su Plus Two LLC

COMMITMENT: December 15, 2022

LOAN AMOUNT: \$43,000

This Loan is funded with Federal Community Development Block Grant – CV Funds. Borrowers will fully comply with the following statutes, laws, rules, regulations and other requirements during the term of the Loan.

I. Non-Discrimination.

A. Title VI of the Civil Rights Act of 1964 (Pub. L. 86-352), and implementing regulations issued at 24 CFR Part 1, which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, denied the benefits of or otherwise subjected to discrimination under any program or activity for which the person receives federal financial assistance and will immediately take measures necessary to effectuate this assurance.

B. Section 109 of the Housing and Community Development Act of 1969, as amended, and the regulations issued at 24 CFR 570.601, which provide that no person in the United States shall, on the grounds of race, color, national origin or sex, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity funded in whole or in part with funds provided under 24 CFR PART 570.

C. Section 504 of the Rehabilitation Act of 1973, as amended (Pub. L. 93-112), and implementing regulations when published for effect. Section 504 provides that no qualified handicapped person shall, on the basis of handicap, be excluded from participation in, denied the benefits of or otherwise subjected to discrimination under any program or activity which received or benefits from federal financial assistance.

D. Title I of the Americans with Disabilities Act of 1990, as amended (Pub. L. 101-336), and implementing regulations. The Act prohibits discrimination against any qualified individual with a disability because of his or her disability in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, and other terms, conditions, and privileges of employment.

II. Equal Employment Opportunity. (All Loans Exceeding \$10,000). Executive Order 11246, as amended by Executive Order 11375, and as supplemented in Department of Labor Regulations (41 CFR Part 60).

A. The Borrowers will not, in carrying out the Project, discriminate against any employee because of race, color, religion, sex, handicap or national origin. It will take affirmative action to insure that applicants for employment are employed, and that employees are treated during employment without regard to their race, color, religion, sex, handicap or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Borrowers shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by HUD setting forth the provisions of this non-discrimination clause.

B. The Borrowers will, in all solicitations or advertisements for employees placed by or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, handicap or national origin.

C. The Borrowers will incorporate the foregoing requirements of this section in all of its contracts for Project work, except contracts for standard commercial supplies or raw materials or contracts covered under 24 CFR Part 570 and will require all of its contracts for such work to incorporate such requirements in all subcontracts for work done with funds provided under 24 CFR Part 570.

III. Employment Opportunities For Low Income Residents. Section 3 of the Housing and Urban Development Act of 1968, as amended, and implementing regulations at 24 CFR Part 135, requiring that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the Project area and contracts for work in connection with the Project be awarded to eligible business concerns which are located in or owned in substantial part by persons residing in the area of the Project.

IV. Age Discrimination Prohibited. The Age Discrimination Act of 1975, as amended, (Pub. L. 94-135), and implementing regulations (when published for effect).

V. Drug-Free Work Place. Borrowers certify that they will provide a drug-free work place and will otherwise comply with the Drug-Free Work Place Act of 1988, as amended, and the regulations promulgated thereunder.

VI. Federal Management and Budget Requirements and Procurement Standards.

A. The regulations, policies, guidelines and requirements of OMB Circular Nos. A-102, Revised, and A-87, as they relate to the acceptance and use of federal funds under 24 CFR Part 570.

B. All requirements imposed by HUD concerning special requirements of law, program requirements and other administrative requirements approved in accordance with OMB No. A-102, Revised.

C. OMB Circular A-110.

VII. Environmental Review. Borrowers will cooperate with the City in carrying out the following:

A. concrete slabs, power pedestals, riser equipment, terminals and markers, together with all necessary and appurtenant equipment under and above ground as deemed necessary by Grantee, all to transmit electric energy, signals, television and telecommunication services, including the customary growth and replacement thereof. Trees, bushes, branches and roots may be trimmed or removed so as not to interfere with Grantee's use of the easement area.

- 2. Access: Grantee or its agents shall have the right to enter and use Grantor's land with full right of ingress and egress over and across the easement area and adjacent lands of Grantor for the purpose of exercising its rights in the easement area.
- 3. Buildings or Other Structures: Grantor agrees that no structures will be erected in the easement area or in such close proximity to Grantee's facilities as to create a violation of all applicable State of Wisconsin electric codes or any amendments thereto.
- 4. Elevation: Grantor agrees that the elevation of the ground surface existing as of the date of the initial installation of Grantee's facilities within the easement area will not be altered by more than 4 inches without the written consent of Grantee.
- 5. Restoration: Grantee agrees to restore or cause to have restored Grantor's land, as nearly as is reasonably possible, to the condition existing prior to such entry by Grantee or its agents. This restoration, however, does not apply to installation of said facilities, any trees, bushes, branches or roots which may interfere with Grantee's use of the easement area.
- 6. Exercise of Rights: It is agreed that the complete exercise of the rights herein conveyed may be gradual and not fully exercised until some time in the future, and that none of the rights herein granted shall be lost by non-use.
- 7. Binding on Future Parties: This grant of easement shall be binding upon and inure to the benefit of the heirs, successors and assigns of all parties hereto.
- 8. Easement Review: Grantor acknowledges receipt of materials which describe Grantor's rights and options in the easement negotiation process and furthermore acknowledges that Grantor has had at least 5 days to review this easement document *or* voluntarily waives the five day review period.

## CITY OF WEST ALLIS RESOLUTION R-2022-0820

## RESOLUTION ESTABLISHING THE HEALTH INSURANCE PLAN WITH ANTHEM AS THE THIRD-PARTY ADMINISTRATOR, FUNDING LEVELS, EMPLOYEE PREMIUMS, PREMIUM SHARE, HEALTH SAVINGS CONTRIBUTIONS, AND PARTICIPATION IN THE RETIREE ACTIVE RATE OPTION FOR THE PLAN YEAR OF MARCH 1, 2023 TO FEBRUARY 29, 2024

**WHEREAS**, the City of West Allis must establish premium levels for its self-funded health insurance plan on an annual basis; and

**WHEREAS**, in consultation with the City's insurance consultant (USI), City staff have analyzed various options for the 2023-2024 plan year; and

WHEREAS, staff recommends establishing the plans and premiums as outlined in the attached rate schedule.

**NOW THEREFORE**, be it resolved by the Council of City of West Allis, in the State of Wisconsin, that approval is granted:

1. To approve self-funded health insurance, dental insurance, and visions insurance plans and the recommended premiums for the 2023-24 plan year in the attached rate schedule;

2. To approve a monthly employee health insurance premium contribution of 12% for those who submitted biometric information (or HRA completion as required) or a premium of 20% for those who did not submit biometric information (or HRA completion as required), unless otherwise agreed to in collective bargaining agreements;

3. To approve the Health Savings Account contributions of \$500 for a single and \$1,000 for a family for eligible employees/retirees who are enrolled in the Anthem HDHP;

4. To continue the Family Savings Plan for actives and retirees; and

5. To continue the Retiree Active Rate Option (previously known as "Option 1") for employees at the time of retirement, life event and annually during open enrollment.

BE IT FURTHER RESOLVED BY THE COMMON COUNCIL OF THE CITY OF WEST ALLIS THAT;

1. The proper City Officials are authorized and directed to execute all related agreements and contracts on behalf of the City;

2. The City Attorney be and is hereby authorized to make such substantive and nonsubstantive changes, modifications, additions and deletions to and from the various provisions of the contract, including any and all attachments, exhibits, addendums and amendments, as may be necessary and proper to correct inconsistencies, eliminate ambiguity and otherwise clarify and supplement said provisions to preserve and maintain the general intent thereof, and to prepare and deliver such other and further documents as may be reasonably necessary to complete the transactions contemplated therein.

## CITY OF WEST ALLIS RESOLUTION R-2022-0847

## RESOLUTION AUTHORIZING THE INTERIM CITY ENGINEER TO ENTER INTO AN ENGINEERING CONSULTANT SERVICES CONTRACT WITH CDM SMITH, TO PREPARE A FULL LEAD SERVICE LINE (LSL) REPLACEMENT PROGRAM FOR THE CITY WATER UTILITY, IN AN AMOUNT NOT TO EXCEED \$29,140

**WHEREAS**, the City Water Utility is required by new Federal Lead and Copper Rule revisions to prepare and submit a Full Lead Service Line (LSL) Replacement program plan to Wisconsin Department of National Resources (WDNR) before the end of 2023 for review and approval.

**WHEREAS,** the City of West Allis ("City") issued a Request for Proposal (RFP) for engineering consultant services for a lead service line replacement program plan meeting WDNR requirements; and,

**WHEREAS**, the City has over 19,500 in-use water laterals of which approximately 7,600 are considered in-use with lead/unknown material; and,

WHEREAS, the City has been replacing all public lead services during street reconstruction projects since 2005 and applied for WDNR grant funding since 2017 to voluntarily replace private lead services following street reconstruction projects. The private service replacement program has seen about 30% participation. Property owner are special assessed \$1,600 for this work; and,

WHEREAS, three (3) proposals were received and reviewed in detail in order to make a prudent decision in regard to selecting a professional services provider for these services based on: (1) the expertise of the provider, (2) the experience the provider has in the public sector, (3) the experience the provider has with cities that have similar needs as the City of West Allis, (4) the providers' responsiveness to the requests in the proposal, (5) the providers' proposed methodology and work plan details including time spent ...and level of staff performing the work, and (6) the reasonableness of the costs of the services in relation to the value of services provided; and,

WHEREAS, after the evaluation of the firms, including consideration of the time that needs to be invested in a transition, staff is recommending that the contract be awarded to CDM Smith; and,

WHEREAS, the Engineering and Public Works Departments recommend that the City enter into an engineering consultant services contract with CDM Smith for preparing a LSL Replacement Program in an amount not to exceed \$29,140; and,

**WHEREAS**, the Common Council deems it to be in the best interest of the City of West Allis that the proposal of CDM Smith be accepted.

**NOW THEREFORE,** BE IT RESOLVED by the Common Council of the City of West Allis as follows:

1. That the Interim City Engineer, or his designee, is authorized to enter into an engineering consultant services contract for preparing a LSL Replacement Program with CDM Smith, in an amount not to exceed \$29,140.

2. That the sum of \$29,140 for the LSL Replacement Program be and is hereby appropriated from Water Utility funds.

3. That the Interim City Attorney be and is hereby authorized to make such non-substantive changes, modifications, additions and deletions to and from the various provisions of the Contract, including any and all attachments, exhibits, addendums and amendments, as may be necessary and proper to correct inconsistencies, eliminate ambiguity and otherwise clarify and supplement said provisions to preserve and maintain the general intent thereof, and to prepare and deliver such other and further documents as may be reasonably necessary to complete the transactions contemplated therein.

#### CITY OF WEST ALLIS RESOLUTION R-2022-0850

#### **RESOLUTION TO REPEAL POLICY ON FIXED ASSET MANAGEMENT**

#### **REPEALING SECTION 1507**

**WHEREAS**, the content of Policy 1507 is unnecessary because the duties imposed by that section are already handled by the finance and information technology departments;

**NOW THEREFORE**, be it resolved by the Council of the City Of West Allis, in the State of Wisconsin, as follows:

**SECTION 1:** <u>**REPEAL**</u> "1507 Property And Equipment Control Of Fixed Assets" of the City Of West Allis Policies & Procedures is hereby *repealed* as follows:

## REPEAL

#### 1507 Property And Equipment Control Of Fixed Assets (Repealed)

- 1. PURPOSE: To establish the procedures to be followed by City Departments when fixed assets are purchased, acquired, transferred, or disposed of, and the recording method which will be used.
- 2. ORGANIZATIONS AFFECTED: All City of West Allis Departments and Divisions.
- 3. POLICY: It is the policy of the City of West Allis to maintain accountability of all tangible non-expendable property with an original acquisition cost of \$5,000 or more in possession of the City to ensure proper internal controls and to fulfill insurance requirements. This accountability shall be maintained through records kept by the Finance Division for the purpose of satisfying the requirements of GAAP (Generally Accepted Accounting Principles) and GASB (Governmental Accounting Standards Board).
- 4. REFERENCES: Sections 2.64, 2.65, 2.66, 2.67, 2.68, 2.70, 2.71, City of West Allis Revised Municipal Code. Fixed Asset Transfer/Surplus Form. Fixed Asset Disposal Form.
- 5. PROCEDURES:
  - a. DEFINITIONS.
    - i. General. The following items are covered by this policy: All items either purchased by the City or furnished to it from other sources having an individual acquisition cost or value, or a combined acquisition cost or value to become listed as an individual item for a primary purpose, of \$5,000 or more and a useful life greater than one year. Land of any value except for right-away land, shall also be covered by this policy. Items which have a useful life of one year or more, have an individual acquisition cost of less than \$5,000, and are

less significant in nature shall be accounted for and controlled by the responsible department. Assets will be classified in the following categories:

- (1) Land
- (2) Buildings & Improvements other than Buildings
- (3) Equipment and Furnishings
- (4) Machinery, Trucks and Cars (Rolling stock report)
- ii. Land. This is the cost of land excluding buildings and improvements. The cost of land includes the purchase price and such ancillary costs as legal and title fees, closing costs, appraisal and negotiation fees, damage payments, land preparation costs (clearing, filling, and leveling), accounting fees, and demolition of unwanted structures. When government intends to retain assets obtained in foreclosure actions, the assets should be reported in the general fixed asset account group. On the other hand, if the government expects to resell the assets in the near future, they should be accounted for in the fund to which the taxes or assessments are owed, rather than the general fixed asset account group.
- iii. Buildings. This classification reflects the acquisition cost of permanent improvements thereon. The acquisition cost includes: the purchase price, contract price, or job order cost; professional fees of architects, attorneys, appraisers, financial advisors, etc.; damage claims; costs of fixtures permanently attached to a building or other structure; insurance premiums and interest costs incurred during construction; any other expenditures necessary to put a building or structure into its intended state of operation.
- iv. Improvements Other Than Buildings. This classification reflects the acquisition value of permanent improvements other than buildings which add value to land. Examples of such improvements are fences, retaining walls, sidewalks, pavements, gutters, tunnels, and bridges. The acquisition cost includes the purchase price, contract price, or job order cost; professional fees of architects, attorneys, appraisers, financial advisors, etc.; damage claims; insurance premiums, interest, related costs incurred during construction; and any other expenditures necessary to put said improvement into its intended state of operation.
- v. Equipment and Furnishings. Equipment and furnishings include tangible property of more or less permanent nature, excluding land, building, or improvements thereon. Examples of which are: computer hardware, software (purchased separately), and related equipment, printers, tools, furniture, and furnishings. The cost of equipment includes: purchase price before trade-in allowances, less discounts; freight, and set-up charges.
- vi. Machinery, Trucks and Cars (Rolling Stock Report). Machinery, trucks and cars include tangible property of a more permanent nature.

Examples of which are: Pick-up trucks, dump trucks, cars, jeeps, trailers, motorized saws, hydraulic pumps, jackhammers, fork lifts, mowers, snowblowers, and other assorted equipment. These items are given equipment numbers by the Equipment Repair Department, except in the case of the Police and Fire Department equipment, which are assigned equipment numbers within the department yet still accounted for by the Finance Division. The cost of these assets should include any costs associated with purchase price before trade-in allowances, less discounts; and any cost associated with refurbishing or assembling old/new equipment (including labor and parts).

vii. Valuation of Assets. The fixed asset accounts should be maintained on the basis of the original cost of placing them in their intended use. If the original cost is not available, or in the case of gifts, the estimated or appraised value at the time received may be used. Prior to the revaluation of a current asset because of adjustments made to the item, one should take into consideration whether the adjustment was an improvement (betterment) or pure maintenance. Also, when general fixed assets are acquired through leases meeting the capitalization requirements of the Financial Accounting Standards Board's Statement of Financial Accounting Standards (SFAS) No. 13, Accounting for Leases, they should be reported at the net present value of future minimum lease payments.

#### b. DEPRECIATION.

- i. General. Because an account group does not report operations, as described above, no charge for depreciation can be reported within it. Therefore assets reported in the general fixed asset group normally continue to be reported at their original cost (or fair market value at the time of donation) until disposal. However, in the case of the City's Enterprise Funds (Water Utility, Parking System, Sanitary Sewer Utility and the Beloit Road Public Housing), there is a need to report accumulated depreciation of all fixed assets. Depreciation is an allocation of the net costs of the fixed asset over its estimated useful life. Fixed assets within the Enterprise Funds will be depreciated or amortized using the straight line method (pro-rated convention first and last years); the asset will be depreciated equally each year of its useful life until the end of its useful life, at which time its value will be zero.
- ii. Pro-Rate Convention. Fixed assets are acquired throughout the accounting period. Depreciation of assets within the Enterprise Funds are calculated for one half of a full year for any portion of the first year, and the full year for years thereafter. Example: If an item is purchased in December it will be charged one half year of depreciation.
- iii. Useful Life. Useful life relates to the life expectancy of an item as used by the specific Fund (not its physical life). Please review the City

of West Allis Water Utility Rate File, which is approved by the Public Service Commission, which can be found in the Finance Division, Utility Billing Office.

## c. ASSET ACQUISITION.

- i. All Assets within the general governmental account having an individual acquisition cost equal to or greater than \$5,000, and useful life equal to or greater than one (1) year, will be controlled on the Fixed Asset System and shall be accounted for in a Capital Outlay Account (detail code 590 accounts) on the Financial System. This includes those items covered by service agreements/ warranties and/or are substantial in nature as defined above. Assets not meeting the above dollar criteria and/or useful life criteria will be considered an operational cost and shall be accounted for in an operating account on the Financial System.
- ii. All Assets within the Water Utility Enterprise Fund having an individual acquisition cost equal to or greater than \$250 (required by the Public Service Commission (PSC)), and a useful life equal to or greater than one (1) year, will be controlled on the Fixed Asset System and shall be accounted for in a Capital Outlay Account (detail code 371 accounts) on the Financial System. Assets not meeting the above dollar criteria and/or useful life criteria will be considered an operational cost and shall be accounted for in various operating accounts on the Financial System.
- iii. The Purchasing/Central Services Division will verify that requisitions submitted for the purchase of assets comply with requirements of 5.3.1 above. Requisitions not meeting the requirements of 5.3.1 will be returned to the requesting department for correction and/or transfer of funds to the appropriate account. Those requisitions meeting the requirements of 5.3.1 will be processed in conformance with applicable purchasing policies.
- iv. The purchase order should identify each asset being purchased as to manufacturer, make, and model number, serial number (if available), and should indicate the quantity purchased, unit price, and total price.
- v. The purchase orders will act as asset acquisition forms and be furnished to the department acquiring the asset with the "receiving" copy of the purchase order. The Purchasing/Central Services Division will either apply the asset tag to the item(s) or confirm that the item(s) will be tagged, with the exception of rolling stock, in which the Responsible Department will assign a number to such item(s).
- vi. When transmitting a payment voucher for a fixed asset to the Finance Division, the Purchasing/Central Services Division will attach a completed Fixed Asset Acquisition Form for the asset(s) purchased, and forward this information to the Finance Division, who will enter it into the system.
- d. PERSONAL COMPUTERS.

- i. It is the policy of the City of West Allis to maintain accountability of all software and to control the legal usage and to restrict the illegal usage of software installed into personal computers owned and operated by the City of West Allis. This procedure is intended to maintain registration information and to record what software is loaded into individual personal computers. The purpose of this policy is to:
  - (1) Coordinate Software usage between departments.
  - (2) Provide available support and information concerning software.
  - (3) Provide future updates and modifications when they become available.
  - (4) Maintain proper registration of software currently used by the City of West Allis. Department/Division Heads must order software with the use of a purchase order. All software purchased must be shipped to the Information Services Division located at City Hall. The Information Services Division will maintain a record of all registered software and its respective location. In order to insure compliance of the above, a review of all personal computers will be done randomly throughout the year.
- ii. All computer hardware, including computer network hardware and related items, will be inventoried and maintained by the Information Services Division. Any hardware with a total value equal to or greater than \$5,000 will also be reported on the general fixed assets system, unless otherwise specified above.

#### e. ASSET DISPOSAL (SURPLUS).

- i. If an asset becomes surplus, the using department must complete a Fixed Asset Disposal/Surplus Form and submit it to the Purchasing/Central Services Division for disposition instructions. A report will be maintained on surplus fixed assets to help identify those items which may be used/needed by other departments, and to create an inventory for those items which may be sold or disposed of at a future date.
- ii. The Purchasing/Central Services Division shall furnish a completed copy of the Fixed Asset Disposal/Surplus Form including disposition instructions to the department.
- iii. The disposing department must return a copy of the Fixed Assets Disposal/Surplus Form, with the disposal date, to the Purchasing/Central Services Division.
- iv. Upon receipt of the Fixed Asset Disposal/Software Form from the Purchasing/Central Services Division, the Finance Division shall enter the following information into the system for the disposed asset:
  - (1) Disposition code (ASSET NUMBER).
  - (2) Disposition date.

- (3) Disposition amount.
- (4) Disposition trade value.
- (5) Disposition authorization.

#### f. ASSET TRANSFERS.

i. If an asset is transferred from one location to another within a department or from one department to another department, then the department who is transferring the asset must complete a Fixed Asset Transfer/Surplus Form and submit it to the Purchasing/ Central Services Division.

# g. EMPLOYEES STEWARDSHIP OF PROPERTY AND EQUIPMENT OWNED BY THE CITY.

- i. It is the responsibility of all employees who control and operate property owned by the City to provide for its security and proper usage when it is in their possession. In the event that City property and equipment remains with an employee after business hours, it is their duty and responsibility to provide the proper security and protection of the property and/or equipment. Employees must take the necessary precautions against fire, theft, damage, and vandalism.
- ii. City-owned property should not be left in personal vehicles, if possible, during non-business hours. If theft or damage occurs to property owned by the city, it is the responsibility of the employee to immediately contact the proper authorities to report the theft or damage. The employee must notify their department/division heads as soon as possible, and may be responsible for the replacement of such property and/or equipment owned by the city.

## h. PHYSICAL TAGGING OF ASSETS.

- i. Common sense is the best guide to placement of tag numbers, but use the following criteria as a guideline:
  - (1) Consistencies in tagging like items.
  - (2) Tag assets so that the tag will be visible when the asset is in a normal operating position. This eliminates the lifting of typewriters, computers and calculators to search for tags placed on the bottom, movement of adjacent file cabinets to view tags on their sides, and the opening of desk drawers to find tags placed inside. In other words, place the tag in a conspicuous yet protected location.
  - (3) Place the tag in a position, which is not vulnerable to being picked off by idle hands.
- ii. Items with an individual acquisition cost of \$5,000 or greater (or significant in nature as described before), require a tag. Tag placement must be such that it will not interfere with regular operation of the equipment, and, if possible, be placed in a conspicuous location.
- iii. Fixed Asset Examples.

Illustration of	Example of	Application of policy
Fixed Asset Purchase	A video camera is purchased for \$6,300 for the Cable Division.	This item is placed in the asset account; it is easily removable and is substantial in nature. The recorded value is \$6,300.
	A new radiator is installed in a 5-year-old auto for \$150.	This is ordinary maintenance as defined.
Distinction Between Fixed Asset and Maintenan ce	A new engine is installed in the above vehicle for \$400.	The new engine replaces a part of the unit with one of like quality and is classified as maintenance, even though the useful life of the unit may have been extended.
Expenditur es	A new 5-ton crane costing \$5,500 is installed at the Yard, replacing an older 3- ton crane, which had originally cost \$1,000.	The expenditure is a betterment. Capitalize new item; write off replaced item.
Constructi on Work in Progress	On June 30, \$30,000 was expended in a Capital Project Fund toward construction of a park shelter.	The amount of expenditure at the close of the fiscal year is recorded in the fixed asset group of accounts.
Purchase of a Fixed Asset with Trade-in	A new scanner is purchased for the Clerk for \$5,500. The vendor allows \$500 for an old one, which had originally cost \$3,500.	The new asset is recorded at cost before the trade in allowance of \$500. The old asset is removed at its recorded value.
Sale of a Fixed Asset	The Public Works Dept. sells a truck, originally costing \$18,500, for \$6,000.	Assets sold must be removed from the fixed asset account at their recorded price regardless of the selling price.
Abandonm ent of a Fixed	A rusty trailer purchased for \$5,000 was overloaded, broken, then disposed	Assets disposed of in any manner must be removed from the fixed asset group of

## CITY OF WEST ALLIS RESOLUTION R-2022-0851

## RESOLUTION AUTHORIZING THE INTERIM CITY ENGINEER TO ENTER INTO AN AGREEMENT FOR REIMBURSEMENT FROM MMSD TO FUND THE DISCONNECTION OF FOUNDATION DRAINS AND SANITARY LATERAL REHABILITATIONS ON ALL 2022 STREET RECONSTRUCTIONS IN AN AMOUNT NOT TO EXCEED \$440,000

**WHEREAS,** Wisconsin law, through Section 66.0301 Stats., authorizes any municipality to enter into an intergovernmental cooperation agreement with another municipality for the furnishing of services; and

WHEREAS, during wet weather events storm water enters private lateral sewers through defective pipes and leaky joints and connections ("infiltration") and storm water also enters private lateral sewers from foundation drains, improper connections and other sources ("inflow"); infiltration and inflow increases the amount of wastewater that the District must collect and treat; and

## MMSD HAS MADE AVAILABLE TO ITS COMMUNITIES A SOURCE OF FUNDING TO REDUCE INFILTRATION AND INFLOW FROM PRIVATE PROPERTY, AND

**WHEREAS**, the City of West Allis will enter into a contract to perform this work based on MMSD's funding proposal.

**NOW THEREFORE,** BE IT RESOLVED, that the Interim City Engineer is hereby authorized and directed to sign the funding agreement titled Private Property Infiltration and Inflow Reduction M10005WE03 with MMSD.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Interim City Engineer be and is hereby authorized to make such substantive changes, modifications, additions and deletions to and from the various provisions of the Agreement, as may be necessary and proper to correct inconsistencies, eliminate ambiguity and otherwise clarify and supplement said provisions to preserve and maintain the general intent thereof.

# Funding Agreement M10005WE03

#### **Private Property Infiltration and Inflow Reduction Agreement**

This Agreement is made between the Milwaukee Metropolitan Sewerage District (District) with its principal place of business at 260 West. Seeboth St., Milwaukee, Wisconsin 53204-1446, and the City of West Allis (Municipality) with its municipal offices at 7525 West Greenfield Avenue, West Allis, Wisconsin 53214.

WHEREAS, Wisconsin law, through Section 66.0301 Stats., authorizes any municipality to enter into an intergovernmental cooperation agreement with another municipality for the furnishing of services, and

WHEREAS, the District is responsible for collecting and treating wastewater from the Municipality's locally owned collection system, and

WHEREAS, the Municipality's sewers collect wastewater from lateral sewers located on private property and owned by private property owners; and

WHEREAS, during wet weather events stormwater enters lateral sewers through defective pipes and leaky joints and connections ("infiltration) and stormwater also enters lateral sewers from foundation drains, improper connections, and other sources ("inflow"); and

WHEREAS, infiltration and inflow increase the amount of wastewater that the District must collect and treat; and

WHEREAS, during wet weather events infiltration and inflow ("I/I") into privately owned sewers contributes to the risk of sewer overflows; and

WHEREAS, the District has established the Private Property Infiltration and Inflow Reduction Program (Program) to provide guidelines, requirements, and a funding structure for municipalities to complete I/I reduction work on private property through the District Private Property Infiltration and Inflow Policy (Policy); and

WHEREAS, the Municipality wishes to participate in the Program;

NOW, THEREFORE, in consideration of the mutual promises made by the parties to this Agreement, the parties agree as follows:

#### 1. Term of Agreement

This Agreement becomes effective immediately upon signature by both parties and shall remain in effect until the earliest of (1) the Municipality receiving final payment from the District, (2) July 31, 2025, or (3) termination of this Agreement as otherwise set forth herein.

#### 2. District Funding

The District shall reimburse the Municipality in an amount not to exceed \$440,000 for approved private property I/I costs incurred through the work described in Attachment A ("the Work"). The total project cost of \$725,000 is offset by Municipality funds, grant funding by others, and property owner cost share. Provided the Municipality is in compliance with the terms of this Agreement, the District funding shall be provided on a reimbursement basis in accordance

City of West Allis Funding Agreement M10005WE03 Private Property Infiltration and Inflow Reduction Page 1 of 6 with Section 8 below. No reimbursement will be made for costs incurred prior to the effective date of this Agreement, or for costs that are not supported by documentation as outlined by this Agreement.

## 3. Program Publicity and Outreach Requirements

The Municipality shall identify the District as a funder in informational literature and signage relating to the Work. Samples of all public involvement/public education documents shall be provided to the District for review prior to being distributed to the public.

A minimum of a one (1) week notice of any public meetings shall be provided to the District. In the event the District is unable to attend and participate, detailed meeting minutes shall be provided within five (5) days of the meeting.

#### 4. RESERVED

#### 5. Selection of Non-Professional Service Providers by Municipality

Pursuant to a public Request for Qualifications process, the District has developed an Approved Contractors List, organized by work type to ensure all Work funded by the District maintains specific quality standards. Those Approved Contractors and their suppliers can submit products they intend to utilize for inclusion in the District's Approved Products List. The appropriate subset of the Approved Contractor List and the Approved Products List shall be utilized as part of Municipality's bidding process for contracts to perform Work funded by this Agreement.

In addition to the above, all non-professional service providers to perform Work funded by this Agreement shall be procured in accordance with both State of Wisconsin statutes and regulations and the Municipality's ordinances and policies. Whenever Work valued over \$25,000 is procured without the use of a public sealed bidding process, the District may request, and the Municipality must provide an opinion from a licensed attorney representing the Municipality stating that the procurement is in compliance with State of Wisconsin law and Municipal ordinances.

#### In addition:

- a. The Municipality shall provide the District with the opportunity to review and comment on the complete set of bidding documents prior to solicitation of bids, quotes, or proposals as set forth in Attachment B;
- b. Municipality shall provide the District with all bids and proposals for review prior to the award of the contract, as set forth in Attachment B. The District reserves the right to revoke funding based on project award to contractors who are not on the District's list of Authorized Contractors.

#### 6. Non-professional Service Contract Terms and Conditions

The Municipality agrees to include Attachment C in all non-professional service contracts relating to the Work. Failure to include Attachment C in the non-professional service contracts will constitute a material breach of this Agreement.

#### 7. Contractor Pay Applications

Prior to the Municipality paying contractors for Work funded by this Agreement, the District shall be provided an opportunity to review and endorse the contractor pay applications. The Municipality shall submit contractor pay applications for review via email to its assigned PPII Project Manager. Contractor pay applications that include a scope of work not funded by this Agreement shall have District reimbursable expenses clearly segregated and itemized. All contractor's pay applications shall include supporting documentation certifying that the Municipality has received and reviewed a proportionate amount of contract deliverables for which the Contractor is responsible.

The District shall review pay applications within seven (7) calendar days of submission. If the Municipality does not receive a response from the District within seven (7) calendar days, the application shall be considered approved.

#### 8. Procedure for Reimbursement

The Municipality shall submit reimbursement requests to the District a minimum of three (3) times throughout this Agreement.

Each reimbursement request shall include:

- a. An invoice from the Municipality clearly stating the requested reimbursement amount;
- b. All consultant invoices, approved contractor pay applications, and other expense invoices;
- c. All deliverables listed in Attachment B, are proportionate and applicable to the Work completed as related to the request.
- d. No consultant or municipal staff expenses will be funded through this Agreement.

Reimbursement requests should be submitted within a reasonable period of time of the costs being incurred. The initial reimbursement request shall be submitted prior to 50% of Work being completed. The final reimbursement request shall be submitted upon completion of all Work. All reimbursement requests must be received prior to the expiration of this Agreement.

Reimbursement requests and the supporting documentation of costs shall be submitted through eBuilder. The corresponding deliverables shall be submitted as set forth in Attachment B. Questions should be directed to the District Senior Project Manager (SPM):

Rebecca Specht, P.E. Senior Project Manager Milwaukee Metropolitan Sewerage District 260 West Seeboth Street. Milwaukee, WI 53204–1446

Final payment will not be provided until the Work is complete and all deliverables set forth in Attachment B have been received.

#### 9. Changes in Work and Modifications to the Agreement

Any proposed changes to the Work must be submitted to the District, in writing, in advance of the Work being completed. The District will not reimburse for Work that is not included in Attachment A (including all professional services and non-professional services contracts procured through the Work outlined in Attachment A) unless prior written approval has been requested from the District and approval has been obtained through the eBuilder change process.

This Agreement may be modified only in writing signed by both parties or through the eBuilder change process.

#### 10. Responsibility for Work

The Municipality is responsible for overseeing construction and shall provide full time construction inspection for all Work. Each inspector shall be experienced, qualified, and certified for the scope of the Work.

#### **11. Post-Construction Verification**

The Municipality and its contractor(s), if applicable, shall report to the District any problems or warranty defects that arise with or related to the completed Work, whether discovered through inspection or through complaints from homeowners, for a period of ten (10) years following substantial completion. The Municipality shall also report any actions taken to investigate the complaint, and if within the warranty period, to resolve the issue.

The Municipality shall be responsible for reporting post-workflow monitoring data and or other data related to identified measures of success for at least five (5) years post-work completion or as long as data is available, whichever period is longer.

All warranty inspection costs incurred by the District due to Municipality's failure to enforce the warranty inspection requirement in its construction contract(s) shall either be: (1) deducted from Municipality's Program account; or (2) invoiced to Municipality. The terms of this Section 11 shall survive termination of this Agreement.

## 12. Permits, Certificates and Licenses

The Municipality is solely responsible for ensuring compliance with all federal, state and local laws requiring permits, certificates and licenses required to implement the Work.

## 13. Insurance

The District shall not provide any insurance coverage of any kind for the Work or for the Municipality. Municipality shall ensure that each contractor and subcontractor have adequate insurance to perform the Work and names the Municipality as an additional insured on its Commercial General Liability Insurance policies.

## 14. Terminating the Agreement

The District may terminate this Agreement at any time prior to commencement of the Work. After the Work has commenced, the District may terminate the Agreement only for good cause, such as, but not limited to, [A. breach of agreement by the Municipality. The Municipality

may terminate the Agreement at any time but will not receive any payment from the District if the Work is not completed.

#### **15. Exclusive Agreement**

This is the entire Agreement between the Municipality and the District regarding reimbursement for Work.

#### 16. Severability

If any part of this Agreement is held unenforceable, the rest of the Agreement will continue in effect.

#### 17. Applicable Law

This Agreement is governed by the laws of the State of Wisconsin.

#### **18. Resolving Disputes**

If a dispute arises under this Agreement, the parties agree to first try to resolve the dispute with the help of a mutually agreed-upon mediator in Milwaukee County. Any costs and fees other than attorney fees associated with the mediation shall be shared equally by the parties. If the dispute is not resolved within thirty (30) days after it is referred to the mediator, either party may take the matter to court.

#### **19. Notices**

Unless otherwise set forth herein, all notices and other communications in connection with this Agreement shall be in writing and shall be considered given as follows:

- when delivered personally to the recipient's address as stated on this Agreement; or
- three (3) days after being deposited in the United States mail, with postage prepaid to the recipient's address as stated on this Agreement.

## 20. No Partnership

This Agreement does not create a partnership relationship nor give the Municipality the apparent authority to make promises binding upon the District. The Municipality does not have the authority to enter into contracts on the District's behalf.

## 21. Assignment

The Municipality may not assign any rights or obligations under this Agreement without the District's prior written approval.

## 22. Public Records

The Municipality agrees to cooperate and assist the District in the production of any records in the possession of the Municipality that are subject to disclosure by the District pursuant to the State of Wisconsin's Open Records Law, §§19.31-19.39, Wis. Stats. The Municipality agrees to indemnify the District against any and all claims, demands, and causes of action resulting from the Municipality's failure to comply with this requirement.

9. Do you plan on collecting pre-project baseline data as part of this project?

10. Describe the pre-project data that will be collected to provide a baseline for improvement? If you intend to use the MMSD portable meters, list the quantity, expected time frame installation and monitoring period.

Pre-project date will be collected through the use of MMSD portable meters located at strategic locations around The City. This data will provide baseline flow measurements which can be used after rehabilitation and/or sump pumps have been installed to quantify the overall I/I that has been reduced through MMSD's and The City's efforts. As part of upcoming Agreement M10005WE03, The City requests two meters be provided and installed.

One meter, located at the intersection of S 57th Street and W Rogers Street, will provide flow measurement for approximately 30 properties over the course of two years, between the installation date and 2024. All properties have had the portion of their sanitary lateral located within the street relayed during the previous years' street reconstruction.

One meter, located at the intersection of S 77th Street and W Rogers Street, will provide flow measurement for approximately 32 properties over the course of two years, between the installation date and 2024. All properties have had the portion of their sanitary lateral located within the street relayed during the previous years' street reconstruction.

11. How do you intend to report project performance results? (metrics and target objectives of the project)

Project performance will be reported to MMSD though the utilization of their portable meters as described in the above section. The removal of foundation drains and the rehabilitation of sanitary laterals has been shown to be an effective means for lowering sanitary flows. The City of West Allis is expecting that measurable changes will occur in MMSD meters as more foundation drain removal projects are completed.

## V. PROJECT GOALS

1. What are the municipality's goals and objectives for the completed project? Please provide qualitative and quantitative measurables for success as they relate to the goals and objectives.

While the City of West Allis has a number of sewersheds that are non-compliant with the District's Wet Weather regulations, we're striving to meet MMSD compliance and are looking to prepare more of our aging infrastructure for increased wet weather events. Many of these properties are still utilizing infrastructure that was originally installed in the 1940's or before, and aren't designed for the weather experienced today.

Quantitatively, these objectives can be analyzed by pre and post-project peak hourly flows, the number of sewage backup reports in the project areas, and the amount of properties with connected sump pump and storm laterals.

Qualitatively, The City can gauge this project's impact by reviewing the average age of current infrastructure, the increased resiliency of our storm and sanitary system to large precipitation events, and an increase in citizen knowledge about the reasoning and urgency behind the program.

## VI. SCHEDULE

Include a schedule of the work with all major tasks and milestone dates for completion including District and municipal administrative approvals, local board/council approvals, work task start and finish, public outreach, deliverables, and reimbursements. The schedule needs to be realistic and achievable based on District approval timelines, local approval timelines, bidding process timelines, work production rates, and weather-related considerations. Identify and highlight any milestone dates by which the municipality is requesting the District to meet to keep your schedule (e.g. local council or board agenda deadlines). Provide the schedule in PDF format.

## VII. FINANCIALS

- Include a comprehensive cost estimate broke down to the task level which includes costs for: all internal municipal staff time which is being requested to be reimbursed, professional services including hours estimates and rates, construction costs by estimated units and estimated unit costs, inspection services, public outreach, and staff training. Attach an Excel version of the estimate to the application when submitting.

If "Yes," list all addition funding sources, the specific work which will be covered by an additional funding sources, and the value.

Property Owner Cost Share - Property Owner contributes \$719\* to extend the storm lateral from the curb to the property line & \$1,600 to replace their properties lead water service line with copper. (\*will become 2023 assessment rate).

Wisconsin DNR - The Department contributes the remaining funds needed to replace the water service.

3. Describe your anticipated frequency of reimbursement requests to the District. (The funding agreement terms may dictate this frequency depending on the type of work).

There likely will be 2-3 reimbursement requests. One mid project, one at the end of the project but prior to final close out, and one after project close out with final deliverables.

4. What department/individual/entity will be submitting and processing the reimbursement requests? Please include the name and contact information.

## VIII. PUBLIC OUTREACH

 Describe in detail your public outreach approach and what entity/individuals/departments will be responsible for the public outreach. Describe the venues and platforms that will be used. Describe the timing and anticipated level of effort that is anticipated to be necessary for the public outreach effort. Describe any public outreach work that has already been completed or is in progress. If a specific person or entity is responsible for public outreach, include the name and contact information. (Examples of public outreach include, but are not limited to; mailings, websites, social media, canvassing, public meetings, etc.)

Public outreach is completed by the Engineering Department and consists of a variety of mailings that are sent out during the initial scope refinement process.

All property owners within the project areas are sent a letter explaining the benefits of sanitary lateral rehabilitation, storm lateral connections, and lead water service replacements and are given the opportunity to sign up for any or all PPI/I work offered to them. Residents who have questions about these offers are directed to someone within the Engineering Department who has experience executing this work.

During construction, in addition to City staff, the consultant/on-site inspector will be answering questions that the property owner may have and handling additional private property work sign ups.

Mayor Dan Devine and Common Council Members City of West Allis, City Hall 7525 W. Greenfield Ave. West Allis, WI 53214

Dear Honorable Mayor Devine and Common Council Members:

The Promotions Committee of the *Downtown West Allis Business Improvement District (DWABID), in partnership with area businesses,* is looking to, once again, host an event entitled "*West Allis Downtown Soup-er Wednesday Soup Crawl.*" *This event will be held on Wednesday, January 18, 2023, from 5 pm to 8 pm.* 

This event will be similar to our previous crawls we hosted in 2022. We are hoping to attract visitors to our Downtown by providing at least twelve different stops where they will be able to sample up to twelve different soups. To make this an appealing event, we ask you to declare our **West Allis Downtown Soup-er Wednesday Soup Crawl** as a "Community Event."

**Barricades for this event are not required**. Visitors will park their vehicles in one of the municipal lots and walk to their destinations. This will be a pre-paid event and limited to three hundred attendees.

Our organization holds a one-million-dollar event insurance policy with the City of West Allis listed as an additional insured. (See enclosed.)

Soup-er Wednesday Soup Crawl is part of an overall event entitled "West Allis Winter Week." We will be working with other organizations such as the West Allis Library, West Allis Historical Society, West Allis Senior Center, Liberty Heights Neighborhood Associations and West Allis Rotary promoting activities and community spirit throughout the entire week.

Downtown West Allis extends its thanks to Mayor Devine and the Common Council for their continued support and consideration in this matter. If you have any questions, please call 414-774-2676.

Sincerely,

mald buch

Donald Falk Downtown West Allis Promotions Committee Chair

Common Council City of West Allis

RE: Bob Lurie Glass Corp Claim

Dear Council Members:

The enclosed claim has been referred to this office in accordance with Section 3.05(8) of the Revised Municipal Code. This office has examined the facts of the claim and the applicable law. This office's recommendation is to deny this claim based on the summary below.

<u>Facts</u>: On June 10, 2022, a City forestry employee was traveling westbound on National Avenue and turned right onto northbound  $60^{\text{th}}$  Street. The employee made a slightly wide right turn to jump the curb and turn into the small pocket park on the corner. The Bob Lurie employee was traveling eastbound on National Avenue, turned left to also head northbound on  $60^{\text{th}}$  Street but he made a wide turn trying to pass in the northbound parking lane just as our City employee was turning into the pocket park.

<u>Claim</u>: Bob Lurie Glass Corp. is asserting \$14,919.71 in damages. This consists of approximately \$8,000 to repair the van involved and the approximate \$6,000 remaining for accessories attached to the van alleged to need replacement.

<u>Analysis</u>: The claim should be denied because under Wisconsin State Statutes Section 895.045 contributory negligence bars recovery where the claimant's negligence is greater than 50%. Our office believes that was the case here given the Bob Lurie's driver's actions of improper passing being the significant contributing factor to the accident. Additionally, their employee did not possess a valid driver's license at the time of the accident further calling into question his culpability in the incident.

Therefore, based on the above analysis, the City Attorney's Office recommendation is to deny this claim.

Respectfully submitted,

Rebecca Monti Principal Assistant City Attorney

#### NOTICE OF CLAIM

 Date of incident: 07/27/2022
 Time of day: 11:00

 Location: 1961 South 57th Street
 Time of day: 11:00

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

I am an Engineering Technician (employee ID #2920) working for the Engineering Department in the City of West Allis. My job duties require me to use my personal vehicle for official city business, which the city has provided a placard for me to place on my dashboard. My field work involves being on active construction sites, which usually involves backhoes, endloaders, trucks, stone, and gravel being moved up and down a street at any given time. So I try to keep my vehicle close enough to the job, but out of the way of any materials or heavy machinery.

On this particular day I was parked to the side in an alley just off the construction site at S 57th St and W Rogers St. When I came back to my vehicle at about 11am I noticed that my side mirror was broken off. The sanitation workers admitted fault, as they had attempted to fold my mirror in, but broke it off instead. This is listed on police report #22-27455 by West Allis Police. Unfortunately, even with my Official City Business placard on my vehicle's dashboard, the sanitation workers did not notify me to move my vehicle.

I obtained a side mirror from an auto salvage yard and just want to be reimbursed for the cost of the part. Please see the attached receipt, and photos of my vehicle after the incident.

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

A tree on 109th street large branch cracked and fell on the top and side of my house. I contacted the city through the web site and also by phone to inform them of the incident. No one has contacted me yet. My insurance company was called as well.

The Police department came to look at the tree and informed the city but still no contact from anyone. On September 7th 2022, a large branch from the same tree fell and landed in the street. We contacted the city and it took several days to have the debri removed .This tree has been dropping large branches since I moved in. It was only a matter of time before this happen and could have been prevented if it would have been taken down in september.

Dear Mayor and Honorable Members of the Common Council:

On behalf of the Economic Development program, attached is the FY 2022 Tax Increment Financing Report. The City currently has 12 open TIF's and 6 closed TIFs. Tax Increment Financing as an economic development toll has generated over \$385 million in current incremental value and district are projected to provide \$123 million of additional incremental value. Further, the districts and developments within the designated boundaries have created over 5,000 new jobs to the City.

If you have any questions regarding the report or projects, please feel free to email or call our office. Thank you for your continued support of redevelopment and having a broad vision for our community.

Regards,

Patrick Schloss Economic Development Executive Director

# **EXECUTIVE SUMMARY**

City needs creativity to retain the high performers who have lived there for years as well as to attract new, interesting residents. Charles Landry

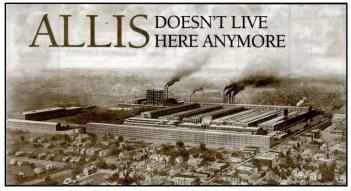

The City of West Allis Economic Development Program has worked collaboratively with the Finance Department to produce a comprehensive report on the City's existing Tax Incremental Districts (TID), which include financial profiles and audited financial statements.

The report describes the strategies involved in utilizing various financing mechanisms provided by a TID called tax increment financing (TIF). This financing tool is utilized through the City's redevelopment entity, referred to as the Community Development Authority of the City of West Allis (CDA). In addition to TIF, the report evaluates other financial resources employed by the CDA to address the blight and blighting influences in TIF Districts throughout the City of West Allis. The report not only provides a detailed review of the financial intricacies involved in each TIF, but it also provides a summary of the challenges and financing strategies that made each TIF District unique.

Like most Wisconsin communities, tax incremental financing is West Allis' most powerful economic development tool and often the impetus to advance image transformation. The City's strategic use of TIF-funded redevelopment initiatives is projected to add over \$500 million in new property tax base, providing over \$9.5 million of new tax revenue and has already expanded the employment base by 5,187 jobs and is projected to add another 899 for a total of 6,076 new jobs.

According to Baker Tilly's TIF report, "TIF (tax increment financing) is the most powerful economic development financial tool for Wisconsin municipalities. Optimizing and aligning TIF with community goals is crucial for economic development success, thus, Wisconsin's governments need to be strategic in their approach." Further, real estate development is a key asset in supporting the economy in the state and TIFs showed that each TIF contributes at least \$1 million in additional state income taxes annually.

Tax incremental financing is a tool to be used in cases where economic development would not occur "unless or but for" the use of public assistance. Often, TIF is the catalyst that leverages the necessary private capital dollars and other state or federal resources to transform a neighborhood or a challenged site. Besides the investment within the boundary of the TIF district, the future direction of a neighborhood and possibly the image of a community can benefit by the injection of a private-public investment.

# **Changing Brownfields**

Throughout this report, we will use the term Brownfield Redevelopment. Brownfields are real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant or contaminant. Cleaning up and reinvesting

in these properties protects the environment, reduces blight, and takes development pressures off greenspaces and working lands. Brownfield redevelopment is also one of the state's strongest weapons in combating urban sprawl. Recent academic research by UW-Whitewater Fiscal and Economic Research Center and Redevelopment Economics suggests that for every 1 acre of brownfield redevelopment, 3 to 3 ½ rural acres are preserved from urbanization. Further, the report stated that "post redevelopment assessed values exceed pre-development values in a ratio of 3.5 to 1."

# West Allis Philosophy

The priority for West Allis is to assist a private-sector developer in taking the lead on any redevelopment initiative. However, when no private-sector developer steps forward, the CDA will lead the redevelopment effort as "developer of last resort" in the sense of performing due diligence work. In the West Allis development experience, the environmental investigation work performed are part of due is required to obtain DNR closure and most importantly meet the conditions that are acceptable to secure private sector investment and bank financing.

The CDA becomes a "change agent" and performs the necessary investigation, clean-up, demolition, research, marketing, and analysis that is sufficient to attract a development or a particular use.

# The City's Redevelopment MISSION: Regeneration

In West Allis, the former Allis-Chalmers Manufacturing Co. went bankrupt in 1987 causing the loss of thousands of jobs. In a broader view of the City's economic health, from 1979 to 1989, West Allis lost 8,500 manufacturing jobs, experienced a decline of 10,000 residents, and the average wage within the city dropped 25%, all while the property tax burden was dramatically shifted from industrial to residential property. The mission was unique – first-ring suburban neighborhood regeneration, and tax incremental financing was utilized to take it on.

# The Districts

As a response to this challenge, the City of West Allis has created 18 tax incremental financing districts that consist of various sizes and solve many different problems. The periods of time span from the early 1990's to today. These districts are in various stages of implementation, from completed to recently adopted. They range from individual parcel (re)developments, such as Quad/Graphics, to larger neighborhood transformations, like the Six Points/Farmers Market District. Some of them focus on job creation, like Summit Place and Chr. Hansen, while others, such as the Pioneer District, provide housing options and neighborhood improvements. Often, districts contain multiple aspects.

State legislation mandates that no more than 12% of a municipality's taxable property value may be within tax incremental financing districts. As of 2022, the City of West Allis has 5.93% of its property value within TIDs, suggesting that there is capacity for additional worthy projects. As opportunities for redevelopment are researched, suggested, and/or presented, staff and City officials will continue to evaluate the financial and land use merits of each proposal. Proposals are evaluated in conjunction with the City's Comprehensive Plan, and the TIF "but for" test.

#### The Results

The City has six TIF districts that have closed. These districts added over **\$58** million of new incremental value and approximately **1,828** jobs. There are twelve open districts that have potential to add \$450 million of incremental tax base and generate nearly \$9.6 million of additional tax revenue, of which \$4.1 million (43%) goes to the City to fund municipal services for our residents and local businesses. Without the proactive use of TIF, these districts would likely have languished and continued to blight the community, producing little, if any, increased property tax base and supporting job creation initiatives to benefit community residents and local businesses. Investment within these districts also promotes change throughout the community and creates a domino-effect to attract new residents, entrepreneurs, and visitors to the City.

#### About the Numbers

- Closed and new TIDs utilized the 2021 assessment values with a mill rate of \$21.17 per \$1,000.
- In the first two years of a TID's life, no new taxes are generated. The first year is often required for construction, which becomes taxable in the second year, and the new revenue is then received to the district in the third year.
- The TIF projections include all prior costs, including 2021 expenditures and currently estimated future costs as part of the total projects' costs to determine the overall life of a TIF district.

# TIF DISTRICT NO. 5 – SIX POINTS / FARMERS MARKET PROJECTED CLOSURE: 2028 (27 YEARS)

(In the corridor of W. Greenfield Ave. & W. National Ave., and roughly S. 60 St. to S. 67 St.)

The Six Points/Farmers Market Redevelopment Area, the 44-acre district, was a challenging and ambitious undertaking by the City of West Allis to transition an aging industrial corridor into a mix of contemporary housing

choices and neighborhood commercial uses. Faced with numerous historic brownfield issues and the assemblage of several underutilized parcels, the City had successfully acquired and cleared land to accommodate a multi-phase development. Although the recent recession challenged development, following the completion and recent \$19-million sale of Phase I, the area is gaining recognition in the real estate community as a prime opportunity and has been a huge game-changer for the image of the City of West Allis.

Tax Incremental District Number Five was adopted in 2001 and is situated along a six-block-long corridor in the Six Points/Farmers Market area. The creation of the district was necessary to eliminate dilapidated industrial buildings, flophouses, junkyards and prevent the spread of blight, which was being experienced through years of disinvestment, incompatible land uses, and declining property values.

In order to turn around the trajectory of the neighborhood, tax incremental financing was used to help pay for acquisition, relocation, demolition, legal environmental cleanup, and geotechnical costs that far exceeded the market value of the property. As the private sector could only afford to pay market value for land, the City, by using TIF, absorbed above market costs so the parcels could compete favorably for private redevelopment.

To date, this district is approximately three-quarters complete and witnessed success with the new Aurora Clinic and Mandel's "The West" development. A 5-acre parcel remains as an opportunity as plans are being developed for a food industry cluster of development.

The Berkshire, one of the first major redevelopments, opened to occupants in 2004. This project redeveloped 1.3-acres of land along W. Greenfield Ave., east of S. 64 St. into 80 units of senior living and three (3) street-level commercial tenants. As one of the first completed projects in the district, this development served as an early catalyst for continued redevelopment. The Berkshire is currently valued at \$4.3 million.

Across the street, for the Six Points East Condos, the City of West Allis underwrote the \$1,000,000 acquisition, demolition, and relocation of a half-block of properties on the north side of W. Greenfield Ave. between S. 63 St. and S. 64 St. As a result of that investment, a \$12-million mixed-use development was constructed in 2008 on the 1.2-acre site. The development includes 42 condominium units, all of which have been sold and are assessed between \$109,400 and \$244,900. The project also features 20,000 sq. ft. of street-level retail space, much of which remains available but in 2017, experienced success with the addition of Lula Mae Aesthetic Boutique occupying 1,495 sq. ft.

was created. In 2008, the Historic West Allis Bank Building underwent extensive renovations and restored parts of its historical character. Also, a new Walgreen's pharmacy completed construction in 2009 at the neighborhood's eastern border adding property value, a commercial asset, and desirable aesthetic enhancements.

In addition to utilizing funding to directly spur private redevelopment, in 2006, \$2 million in TIF was utilized to pay for the preservation and renovation of West Allis' historic Farmers Market. This work, which was completed in July 2007 brought new life to one of the City's most recognized icons visited by thousands each year as well as notable chefs from the metro-Milwaukee area. In terms of enhancing the City's image, there probably could not have been

a more successful project to accomplish this goal.

Although the eastern half of the district has already undergone extensive redevelopment, large opportunities on the western half saw construction of a new Aurora Clinic and 177 contemporary apartments. These developments were incorporated into the overlay district that was created to facilitate development and to address the time needed to capture incremental growth.

The CDA received nearly \$435,000 of grant funding, including \$300,000 in Site Assessment Grants (SAG) funding from DNR and was awarded about \$135,000 Wisconsin Department of Commerce Brownfield Grants to facilitate environmental remediation of the various sites in the early-mid 2000's.

Late in 2003, the CDA published a request for proposals to develop three parcels, composed primarily of two former Pressed Steel Tank parcels and another parcel immediately west of the Farmers Market, which were to be developed in three phases.

Toldt Development was ultimately selected by the CDA. The proposal included over \$60 million in redevelopment taking place over an extended period of time, depending on market conditions. The proposal provided for 600 new, multi-story housing units ranging from condominiums to market rate apartments. Additionally, over 100,000 ft.<sup>2</sup> of retail space would accompany the development.

**Phase 1** is the 3.1-acre parcel immediately north of the Farmers Market. Ground was broken on the first two buildings in June 2006 and the last two were completed in 2008 which are now currently assessed at \$15,300,000. This development was recently sold for over \$19 million. The properties provide 182 market-rate multifamily units and 5,000 ft.<sup>2</sup> of commercial space. The buildings feature a contemporary design with upscale amenities.

**Phase II** is the parcel immediately west of the Farmers Market. The site contains 5.8-acres, which required the acquisition, relocation, demolition and environmental remediation of two junk yards, a salvage company, two taverns and other businesses south of W. National Ave. and west of S. 66 St. The site was cleared and preliminarily prepared for multi-family, commercial or industrial development. Unfortunately, due to the 2008 housing market crash and other unforeseen circumstances, Toldt Development backed out of the deal and Phase II never moved forward.

In December 2013, through claw back provisions in the

original purchase and sale agreement, the site was re-acquired by the CDA at a substantially discounted value because of the developer's lack of performance.

**Phase III** of the redevelopment project, associated with the former Pressed Steel Tank facility, is located northwest of the Historic Farmers Market and encompasses nearly 8 acres of land. The site was cleared and cleaned for development. Approximately \$2.5 million of grant funding was awarded to assist with the cleanup including \$200,000 of SAG funding from the DNR, Wisconsin Department of Commerce and the US EPA.

Given the situation of Toldt Development, Inc. backing out of the redevelopment of Phase II and Phase III, the CDA (the "CDA") issued a new RFP for redevelopment in 2016, and the City and CDA selected Mandel Group, Inc. to pursue redevelopment of the remaining vacant land. Also in 2016, the City and CDA adopted TID 15, which is an overlay district over a portion of TID 5, in the vicinity of the Farmers Market. The

overlay freezes the valuation of the properties that are in both districts, and any increment generated due to redevelopment on those overlapping parcels, is benefitted by TID 15, not TID 5. The projected future value of the development within TID 15 is \$73 million.

Given the current debt of TID 5 and the projected values from the Mandel Group redevelopment going to TID 15, the district will require cash

injections from the Whitnall Summit TID 7 (and potentially other sources) to maintain expiration in 2027 after 27 years. In 2016, the City and CDA adopted Amendment #6 to TID 7, designating TID 7 as a "donor TID" to TID 5, designating approximately \$12,000,000 of increment from TID 7 to TID 5 between the years 2017 and 2026. Without sharing from TID 7, TID 5 would end up with a net negative balance of over \$14,000,000.

Since being created, TID 5 has experienced significant change and challenge. In 2022, the current value of the TID is \$56,514,400 and is expected to have gained \$38,389,800 of incremental value. The estimated taxes of \$914,000 incremental taxes will annually reduce the accumulated costs that were required to acquire, clear, and prepare the district for development.

In 2022, Bars and Recreation purchased the vacant industrial building at 6325 W. National Avenue with plans to renovate the property into an entertainment tavern. The new established would add about \$400,000 of incremental value and another 10 jobs to the area.

# <u>The current outstanding debt balance TIF #5 Six Point is \$6,1 million. With the current estimated increment and donation from TIF #7, the TIF has the potential to dissolve in 2023.</u>

# TIF DISTRICT NO. 6 – JUNEAU HIGHLANDS BUSINESS PARK PROJECTED CLOSURE: 2030 (27 YEARS)

#### (1960 S. 67 Place)

This district, located in the vicinity of S. 67 Place and W. Becher St., initially consisted of 11.5-acres and was created in 2004 in order to pursue redevelopment in a proactive manner and prevent the site from accumulating additional fill materials that could not be developed upon. The site was originally a rock quarry and then had been used as a carbide gas manufacturing plant whose by-product was pure lime, which was dumped in the quarry. The site was most recently a waste storage and transfer facility, an oil/hazardous waste trucking terminal, and a salvage/junkyard. The site also featured numerous discarded vehicles prior to the onset of redevelopment.

The property received orders

for building code and illegal junk yard operations. The owner was also under a DNR order to stop the leaching of the lime slurry on to W. Becher St.

The City worked with the owner to encourage efforts to clean up the site and prepare the property for redevelopment. The City also worked with MMSD, who agreed to pay the trucking cost, so MMSD could use the lime in their wastewater treatment process. When all the lime was removed, the owner started to market the site as a rubble dump site. Weak ground stability at a rubble site would have made the site virtually unbuildable, and as a "last resort" initiative, the CDA stepped in and acquired the site.

To prepare the district for redevelopment, the land was cleared, and environmental testing and cleanup was conducted. Project costs also included the relocation of the existing dumpsters and salvage that were present, site grading, geotechnical work to fill the former lime pits and the construction of a stormwater pond. The vast majority of the project costs for environmental remediation and geotechnical soil stability issues have been financed primarily through \$2,800,000 in tax incremental financing through taxable general obligation bonds.

Several outside sources have been leveraged to assist in financing this district, including most importantly, DNR approval of four site assessment grants totaling \$120,000 for various parcels. Also, the Wisconsin Department of Commerce provided a brownfield grant in the amount of \$675,000. In addition, the U.S. Environmental Protection Agency (EPA) approved a clean-up grant in the amount of \$200,000, the Wisconsin Department of Commerce granted \$150,000 from its Emergency

Assistance Program, and the American Recovery and Reinvestment Act provided an additional \$350,000 in 2009 to provide flooding relief to the abutting residential neighborhood.

In 2006, the Plating Engineering Company located a block away at 1926 S. 62 St., was abandoned, leaving a highly toxic and contaminated site. The City and DNR called in the US EPA for time critical environmental remedial response. EPA documented the presence of an estimated 30 plating vats and 100 drums and small containers. Analysis of vats, containers and drums indicated the presence of hazardous wastes that are corrosive and ignitable. It was concluded that current conditions of the site pose an imminent and substantial threat to human health, welfare, and the environment. EPA undertook a \$680,000 emergency response action to remove the most volatile hazards.

Unfortunately, because of the remaining environmental contamination, the Plating Engineering site is still undevelopable and unmarketable. To that end, in 2007, the boundaries of the TIF district were amended to include this site to provide a potential revenue source to fund the critically necessary environmental cleanup.

Fortunately, the CDA was able to work an arrangement with the DNR where the CDA, under an agreement with DNR, would manage the environmental up clean. DNR would finance through their Environmental Repair Fund the estimated nearly \$1,000,000 clean-up cost. Neither the City nor the CDA would incur any environmental liability under this agreement.

Development within this district was initially delayed by several years, to provide approximately \$250,000 cost savings to the Six Points/Farmers Market (TID 5), which needed a location for the disposal of contaminated foundry sand. This decision was made by the CDA, who had the goal of reducing overall TIF project costs and saving public money (see photo on the right).

Numerous development proposals were reviewed throughout the years for the Juneau Highlands Business Park site, including a 150,000 sq. ft. electric foundry and a 124,000 sq. ft. industrial facility. Those options did not materialize, in part due to general economic conditions, availability of competing parcels in the marketplace such as Milwaukee's Menomonee Valley, changes in the real estate market as well as adjacent land uses, etc.

In late 2016, the City began negotiations with Glenn Rieder, a company specializing in the design and production of architectural millwork, who was looking to construct a new facility within the Milwaukee area. Utilizing cash from the proceeds of deals supported by the City's community development entity called First-Ring Industrial Redevelopment Enterprise, Inc. (FIRE), the City was able to provide them with \$2,200,000 to cover gap construction costs and architectural services to help make the development possible. Approximately \$800,000 of additional FIRE funds was also utilized to cover real estate and environmental expenses. And lastly, \$75,000 of CDBG funds will be utilized to improve the unpaved portion of W. Burnham St. and construction sidewalks to provide access to the new development.

Ground was broken for the development on May 19, 2017. Glenn Rieder opened in February of 2018 and have received positive reviews of their development. The facility offers a state-of-art production line including digital blueprint system and automated painting and varnishing system. When finalized, the new development will be worth approximately \$6 million. There remains opportunity for expansion of the company.

Based on this expected development and a future expansion, the district is projected to close in 2031 (27 years). The current value of district has reached \$9,177,100 and is expected to have a projected incremental value of \$11.8 million. As of 2022, the Glenn Rieder has 331 full-time positions.

Based on the current fund balance of -\$1.8 million, the TIF is expected to be com	plete by 2031.

# TIF DISTRICT NO. 7 – SUMMIT PLACE PROJECTED CLOSURE: 2031 (27 YEARS)

Ultimately, through the City's innovative use of TIF and additional grant funding, the properties of the former Allis Chalmers complex within TIF #7 – Summit Place, experienced a revitalization that is perhaps one of the City's greatest redevelopment successes. Today, the District has a value just over \$65,000,000 and contains over 2,700 jobs.

Initially, a \$350,000 Wisconsin Department of Commerce Brownfield Grant was used to drive the redevelopment of the last three (3) vacant and severely deteriorated former Allis-Chalmers Mfg. Co. "Shops" building. As a result of the brownfield grant, the CDA was able to utilize a leveraged

financing model as the spark for the Complex's revitalization of these vacant buildings into 678,000 ft.<sup>2</sup> of built-out office space, which has been leased and occupied, making it the second largest office building in the metro-Milwaukee area. Today, the office complex is almost 97% occupied.

The Complex was once only occupied by Allis Chalmers Corporation; but today over 100 diversified businesses call this development home. Major tenants within the Summit Place Office Complex include Children's Hospital, Brookdale Senior Living, and International Association of Equipment Manufacturers. In addition, over 150,000 sq. ft. of manufacturing space is currently occupied by Global Power and Toshiba International Corp.

The initial \$7.3 million of TIF expenditures funded public improvements and deferred payment loans to the developer. Additionally, a \$568,000 DNR Urban Non-Point Source and Stormwater Grant, a \$1,000,000 contribution from the A-C Reorganization Trust, which allowed the CDA to assume title to the 8.9-acres from the utility corridor, funded stormwater enhancements and, as a result, made valuable land

available for a 450-stall private parking structure. In addition, the TID funded the creation of a 250-stall public parking lot on land originally owned by 6600 LLC. As a condition for developing the public parking lot, the tenants of 6600 LLC were allowed to park for free and Summit Place agreed

to pay for all maintenance expenses plus make a payment in lieu of taxes as if the lot were privately owned, including a payment for storm water fees.

The City's designation of the property as a "Local Historic Landmark" by the West Allis Historical Commission permitted the use of the historic building code along with additional installation of "Super" fire suppression measures, which saved the developer about \$250,000 in project costs.

In addition, New Market Tax Credits (NMTCs), made available by a wide variety of private equity capital options and instruments, allowed for financing of the aggressive renovation, and subordinated debt.

A \$30,000 SAG grant was also awarded by DNR for investigation of the ReGENco facility, which is now owned by Toshiba. This creative financial leveraging was just the beginning of a profound public-private partnership between the City of West Allis and Whitnall-Summit Co., and a strong cooperation of a variety of state and federal entities. When Siemen Power Corp. relocated with hundreds of jobs to a former Westinghouse fossil fuel facility in North Carolina, the City approached some of the local management to provide incentive financing to start a new company. From that genesis came ReGENco in 1999 with a

\$500,000 loan from the CDA, a \$1,000,000 loan from the State of Wisconsin and over \$20,000,000 from local investors, including some of the states' major utility companies. All loans were paid off when in 2007, Toshiba International purchased ReGENco and now the power turbine generator facility provides over 150 family supporting manufacturing jobs

Building on its success, the district was amended in 2005 to provide an additional \$2.5 million in tax incremental financing for additional private parking on the site, including two additional floors to the parking structure for 300 new parking stalls and constructing the required stormwater facilities associated with these lots. This amendment also provided a construction loan to assist with further building improvements and included funding for a commuter bike and pedestrian trail within the site.

A second amendment was approved in 2007 to upgrade off-site public infrastructure within the area. This amendment provided \$3.5 million for the reconstruction of W. National Ave. and streetscaping improvements, including streetlights, benches, bike lanes and safer pedestrian connections. This amendment added 1 year and 7 months to the expected termination date of the district.

In 2009, a third amendment was approved to finance a loan for a new ingress/egress corridor to the adjacent West Allis Towne Centre shopping center. The aging shopping center was old and tired,

commonly referred to in the planning industry as a "graying mall." The shopping center was also faced with increasing vacancies. Further, the lighting was poor resulting in safety concerns which lowered evening shopping demand. Images of the now defunct Northridge Mall come to mind.

The revitalization of the mall also included an easy connect access to the Summit Place office complex from the mall, which served as an alternate access to the office complex. The ingress/egress corridor provided much-needed relief to the traffic-congested office/industrial areas to the north. The TID provided a loan of \$1.5 million as an incentive to induce the property shopping mall owner (Ramco-Gershenson) to undertake the mall restoration. With 100% of the debt service plus 5.5% interest, being paid by the shopping mall owner, the above was completed at no cost to the TID.

The shopping center restoration included such things as paving, concrete curbs and gutters, lighting enhancements, pedestrian walkways throughout the complex, underground utilities, and building and site demolition. The project also included site improvements such as landscaping, irrigation, and an entrance feature along W. Greenfield Ave.

The fourth amendment provided \$1.5 million in TIF for job creation incentives and off-site

neighborhood improvements. A \$1 million short-term loan was made to Whitnall Summit to finance necessary building improvements to successfully attract a new 300-job high-quality tenant.

\$500,000 was set aside to capitalize a Neighborhood Residential Improvement Program Fund, which was established for single-family residential

homes within a half-mile surrounding the TIF district, as shown below. These funds will be loaned out at low to 0% interest rates to address blight, strengthen investment and assure continued success of the neighborhood. Since the district had been performing so well, the additional funding added only a little over one year to the life of the district.

In 2014, a fifth amendment was approved that added \$2.26 million in project costs for an additional 104 stalls to the parking structure to keep the complex competitive (which ultimately retained 150 existing jobs and 200 new jobs will be added).

To encourage the surrounding residential neighborhoods to stay strong, the Neighborhood Residential Improvement Program was also expanded by an additional \$500,000. Funding was provided for demolition of dilapidated buildings (that can no longer be charged to the tax bill and covered by Milwaukee County) and some selected acquisitions. In addition, \$250,000 was allocated for economic development as an incentive to businesses. This amendment is projected to add one year and nine months to the district.

In 2016, Amendment Number Six was approved with the purpose of allowing TID 7 to share net revenues with TID 5. It is projected that even with sharing, TID 7 will still close seven (7) years earlier than its permitted maximum statutory life. TID 7 will share eight (8) years of revenue with TID 5. The life of the district is estimated to expire in 2031.

To date, over \$91 million of additional taxable value has been invested into the site. The current success of this marquee partnership has allowed this project to excel beyond all expectations.

The CDA has loaned Whitnall Summit approximately \$4.5 million, of which approximately \$405,000 remaining balance is scheduled to be repaid in 2024. This payment was identified in the sixth amendment, to be injected into TID 5 once received.

Without the proactive use of TIF, there was little probability that property values would have increased to these levels. As a direct result of this TID, the property is now the City's largest taxpayer and the City's largest employment center.

In 2018, Blast Cleaning Technologies (BCT), a leading manufacturer of shot blast equipment, leased 127,000 sq. ft. within the space vacated by Global Power Components. The BCT invested over \$3 million dollars into the facility with plans to grow their <u>80</u>-employee team by twenty employees. The City assisted the investment with a commercial façade grant to install windows and to help finance two large cranes within the complex. The company recently hosted an open house and shared that the corporate team has grown to over <u>200</u> employees.

In 2019, plans were approved for the renovation of the property at 6610 W. Greenfield Avenue which was purchased by the Community Development Authority to attract a higher end user instead of a quick lube operation. The Citv's community development entity. FIRE, loaned \$650,000 to the CDA to purchase the property. The renovation of the property is estimated at \$1.9 million and will feature a family and entertainment restaurant. The project attracted

financing proposal from several financial institutions that participate in the recently formed Wisconsin Community Reinvestment Act Network. Today, the building is the Reunion Restaurant featuring a décor that pays homage to the City's industrial heritage. The business features a second-floor game room and party room.

Today, the district has a current value of over \$100 million and gained over \$91 million in incremental value from original base of \$15.9 million. The TIF generates about \$2.230 million of annual increment in taxes. Prior to COVID, the site had over 2,646 full-time

positions at employers such a Brookdale Senior Living, Children's Hospital, Lutheran Social Services, Blast Cleaning Technologies, Toshiba, AEM, etc. However, the office market has changed, and various companies have released some unused space. Summit Place continues to attract new tenants such as the Human Society and Goodwill to name a few.

The TIF has a positive funds balance of \$6 million and has potential to close by 2031.

#### TIF DISTRICT NO. 10 – YELLOW FREIGHT PROJECTED CLOSURE: 2028 (21 YEARS)

# (S. 116 St. & W. Rogers St.)

West Allis' central location, in combination with the CDA's creative use of TIF and other financing resources induced the repositioning the vacant former Yellow Freight terminal located at 116<sup>th</sup> and Rogers. The TID, utilized to write down land assembly, demolition and environment costs, was crucial in attracting \$11.3 million in development by Wangard Partners and its affiliate Mister Rogers Neighborhood LLC. The 9.6 acres of land is located on the City's west side (at 11528 and 11406 W. Rogers St.) and was formerly occupied by two truck terminals and a divisive railroad spur. The proposed improvements have resulted in the location of over 130 jobs.

To assist with brownfield issues on the site, the City of West Allis provided a \$400,000 loan from the City's Brownfield Revolving Loan Fund that was capitalized by a grant from the U.S. EPA. The project was one of the first in the nation to pair U.S. EPA Brownfield Revolving Loan funds with a New Market Tax Credit financing structure.

The project also successfully received two Wisconsin Economic Development Corporation Site Assessment Grants (SAG) totaling \$127,000 to assist with demolition and environmental testing to obtain DNR case closure. A city-wide EPA funded Brownfield Assessment Grant was utilized to conduct the City's environmental investigation of the property to advance the optimal development of the property.

This district was created in 2008 to acquire on a voluntary basis & redevelop the first of two vacant truck terminals. Further, it was designed to proactively foster redevelopment with increased employment opportunities that had less heavy trucking impacts on the local infrastructure and environment. A DNR Site Assessment Grant of \$30,000 was utilized for preliminary environmental investigation prior to acquisition.

Project costs, including acquisition, demolition,

and environmental remediation, have totaled \$2,664,706 through 2016. Additionally, to optimally develop the site, the unused railroad spur was removed, and utilities were relocated to accommodate the proposed building footprints. To assist in the redevelopment, Milwaukee County foreclosed on the abandoned railroad spur and the CDA purchased the property from the County for back taxes.

In the fall of 2013, Wangard Partners closed on financing of the project and purchased the site for \$845,000 from the CDA, which underwrote the City's demolition and environmental expenses. The \$14 million redevelopment was financed with a combination of private and public programs. The developer secured \$8 million primary financing from PyraMax Bank that included a \$2.0 million participatory loan from the Wisconsin Housing and Economic Development Authority.

The City of West Allis' regional community development entity, First-Ring Industrial Redevelopment Enterprise, Inc. (FIRE) provided an allocation of New Market Tax Credits that were sold to monetize

about a \$3-million subordinate equity loan. The equity was provided as a seven-year loan with interest-only payments.

Development of the 72,000 sq. ft. industrial building on the east side of the site was completed in 2015. That building was, and currently still is, occupied by Ferguson Plumbing with 60 employees. Development of the 50,000 sq. ft. spec industrial/distribution space was completed in early 2016 and has since expanded with an additional 10,000 sq. ft. Current tenants include Red Bull, Revere Electric, and Staples.

The district has a current value of \$18.3 million which represents a \$14.9 million incremental increase from its \$3,463,600 base value. Based on the incremental tax revenues of \$314,582, the district can pay down debt service from the project's costs and expected to close in 2026.

# TIF DISTRICT NO. 11 – S. 84<sup>th</sup> ST. and W. GREENFIELD AVE. PROJECTED CLOSURE: 2025 (12 YEARS)

Facilitating development is often complicated and unique. It requires economic analysis, and it involves multiple parties such as investors, lenders, financial consultants, and outside legal counsel, all working towards advancing a project. In the case of 84<sup>th</sup> and Greenfield redevelopment area, the project involved several creative financial strategies and solutions, to attract a hotel development (often identified as a top goal within the City's strategic long-range plan).

TIF #11 was created in 2010 to undertake the redevelopment of 11.4 acres of land impacted by flooding in 2008. The flooding impacted residential properties and a vacant commercial building (Mykonos restaurant) in this area, and irreparably damaged the Milwaukee Gray Iron foundry, causing the business to cease operations permanently at this facility.

A significant financial tool beyond TIF was utilized—EB-5—which is an investor program focused on job creation and capital investment by foreign investors. Following the recent recession, hotel financing underwent stricter underwriting criteria, or was simply hard to obtain. In order to raise \$9.5 million in equity, the developer waited two (2) years while Chinese investors were vetted through Homeland Security, a critical requirement of the EB-5 program.

Another financial element was a Tri-City Bank loan of \$2,500,000 secured through a first mortgage loan. The City-affiliated First-Ring Industrial Redevelopment Enterprise, Inc. (FIRE) provided a \$1,500,000 leveraged loan, and the TID provided a \$350,000 loan which was personally guaranteed by the property owners, to facilitate a \$900,000 state-of-the-art 100-year underground storm water facility, designed to retain storm water on site and not spill out into the neighboring properties.

Redevelopment of the 84<sup>th</sup> and Greenfield area included a combination of TIF, grants and creative financing. Together, these programs contributed to the development of a \$13 million new Hampton Inn and Suites and 9,000 sq. ft. banquet center.

Project costs associated with this TIF district have totaled approximately \$2.3 million to date. Those funds were used for acquisition and relocation of non-grant eligible properties, environmental clean-up and administration, including legal fees. As usual, the single-family homes were acquired by only voluntary acquisition. The vacant industrial facility was also acquired on a voluntary basis. The only property that was acquired by eminent domain (condemnation) was a dilapidated restaurant that had been vacant and for sale for over seven (7) years.

A \$29,000 Site Assessment Grant (SAG) was obtained as well as a \$40,000 Citywide EPA Grant to conduct the initial site investigations. In addition to TIF, a \$3.8 million grant from the Community Development Block Grant – Emergency Assistance Program (CDBG-EAP) was awarded to the CDA to assist in writing down some of the property's redevelopment costs.

In October 2014, a groundbreaking ceremony was held for the construction of the \$13.9-million hotel and banquet facility. The hotel opened fall of 2015, occupying 3.2 acres of the district, leaving an additional 4+ acres for complementary redevelopment. For 2019, the hotel has an assessed value of over \$13 million and provides 45 full-time jobs.

In 2016, Amendment Number One was approved for TID 11, providing approximately \$7.3 million in tax incremental financing funds for project expenses, including on- or offsite improvements, environmental expenses, developer financing, interest expense, and economic and rehabilitation program expenses. The economic and rehabilitation program was modeled after the TID 7 program, allowing housing rehab loans or economic incentive loans to homes/businesses within a ½-mile radius of the district boundaries. The Amendment also amended the district's boundaries to include additional land along S. 83 St. to accommodate for a potential larger redevelopment project. The Amendment projected an additional \$31 million in redevelopment.

In 2017 the Community Development Authority of the City of West Allis (the "CDA") entered into a Purchase & Sale and Development Agreement with Element 84, LLC (a subsidiary of Ogden & Company) for the development of two, four-story buildings consisting of 203 high-end market-rate apartments with 226 underground parking stalls, to be constructed on the remaining land within the district. The development will include about 3,000 sq. ft. of commercial space as a café with outdoor seating. The total project cost of \$43.6 million is estimated to be assessed at over \$22 million with an estimated incremental property tax over \$600,000. The project obtained conventional financing through the HUD 221d4 program allowing for a longer amortization and ability to lock in rate and term from construction. The development is well underway with units becoming available in January of 2021.

#### TIF DISTRICT NO. 12 – TELEDYNE PROJECTED CLOSURE: TBD

#### (S. 52 St. & W. Burnham St.)

The former Teledyne site consists of an approximate 8.96-acre parcel of land previously developed with an estimated 301,333-square foot industrial building most currently owned by 5209 Burnham, LLC. The nearly 100-year-old facility was historically utilized for the manufacturing of automotive engines and motors. The now vacant parcel was previously owned by 5209 Burnham, LLC, but has since been foreclosed upon by Milwaukee County, who has taken ownership as of April 2017.

The City of West Allis performed Phase I and Phase II Environmental Site Assessments (ESA) of the property located at 1910 South 53<sup>rd</sup> Street in 2010. These assessments were conducted on behalf of the City of West Allis and the CD A under a United States Environmental Protection Agency (US EPA) Petroleum Brownfield Assessment Grant to clarify the cost of the environmental impediment-related to redevelopment of the property. The district was created to cover the expected cost of environmental remediation and other costs necessary to make the site marketable for redevelopment.

The results of the environmental assessments suggested that there may be significant amounts of volatile organic compounds (VOC) both chlorinated VOC impacts and petroleum VOCs impacts in the soil and\or groundwater. Further contaminants were identified ranging from vinyl chloride, naphthalene, heavy metals (arsenic and lead in particular), and foundry sand, to elevated concentrations of polychlorinated biphenyl (PCB). The City removed seven underground storage tanks (UST) in conjunction with the demolition of the property, but historical records suggest that there may be many more USTs.

Additional investigation is currently underway to determine the source and extent of these impacts. A Sampling and Analysis Plan is being prepared for the US EPA as part of a Region 5 Targeted Brownfields Assessment Funded Project. The results of that plan, which will include remediation costs, are expected to be known by early Fall 2017.

Beyond environmental costs, the largest redevelopment impediment to the site may be its current tax liability. The former engine factory building was in major disrepair and after several years of litigation and failure of the property owner to comply with building codes the Milwaukee County Circuit Court issued a raze order which required the City to demolish the property.

As allowed under the state law at that time, the demolition costs were assessed as a special charge and placed onto the tax bill. Milwaukee County subsequently reimbursed the City the entire \$1,900,000 demolition costs. However, those charges, plus unpaid taxes, interest and penalties, currently amount to approximately \$3.5 million that remain owed to the County. This huge property tax delinquency represents an overwhelming barrier, all by itself, to redevelopment.

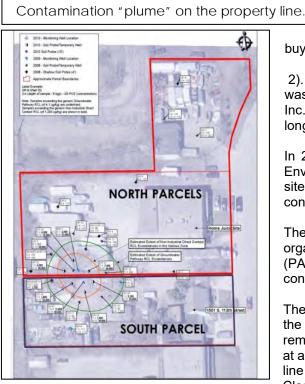

Currently there is not an estimated development value as the City is working to review development options that provide long term benefits to the neighborhood.

### TIF DISTRICT NO. 13 – FORMER HOME JUICE PROPERTY PROJECTED CLOSURE: 2031 (20 YEARS)

#### (1433 - 1501 S. 113 St.)

Tax Incremental district Number Thirteen, composed of a 1.7-acre area on the west side of S. 113 St., just south of W. Greenfield Ave., was created in 2011 as a result of "midnight dumping" of contaminants on the property line between two underutilized parcels (a former residential property and a commercial property). This illegal dumping created a huge redevelopment impediment because of the substantial cost to cure the environmental contamination. In addition to the environmental development impediment, several "problem factors" existed, which ultimately required the CDA to step in and implement the "but for" test, (but for the governmental involvement, a desired private sector development would not occur). Those "problem factors" included:

1). The **South Property**, a vacant, contaminated residential property, located in the middle of an industrial area, that was foreclosed on by a bank as a result of the former owner skipping town. An added hiccup to the project was that an unsuspecting first-time home buyer, with very little financial resources, purchased the property.

2). The **North Property**, the former Home Juice site (composed of three parcels) which historically was used as a commercial property, was in the process of being purchased by Supreme Builders, Inc. With the discovery of the contamination from "midnight dumping," Supreme Builders was no longer interested in purchasing and redeveloping the property into an office complex.

In 2009, with a DNR "Site Assessment Grant" in the amount of \$42,000, Phase I and Phase II Environmental Assessments were completed. The property owners allowed the CDA access to the sites to conduct environmental Investigations to determine the horizontal and vertical extent of the contamination and evaluate the remedial option measures and the anticipated cost.

The environmental reports indicated a release of tetrachloroethene (PCE), a chlorinated volatile organic compound (CVOC). In addition, low-level concentrations of polycyclic aromatic hydrocarbons (PAHs) and arsenic were detected in shallow, near-surface soils above their respective generic direct-contact residual contaminant levels (RCLs) on both properties.

The site investigation delineated the extent of the PCE impacts in soil and groundwater as well as the PAH and arsenic impacts in shallow soil. Total project costs, including environmental remediation, demolition, acquisition, legal, administrative, and other associated costs were estimated at approximately \$707,000. The contamination plume was perfectly centered on the shared property line and extended to a point that cleanup needed to be tackled from both properties at the same time. Cleanup on one property could not be done without simultaneous clean-up on the other property.

After months of negotiations, the CDA finally approved an Agreement for Services between the former Home Juice owner and Supreme Builders, Inc. The Agreement provided for the owner of the former Home Juice properties to place \$250,000 into an escrow account for the CDA to use for environmental remediation costs, and the CDA agreed to complete the environmental remediation subject to the DNR granting Case Closure.

Supreme Builders, Inc. was interested in immediately constructing the new commercial office complex. However, no bank would have provided financing for such a project without a "case closure" approval letter from DNR. Since clean-up

and monitoring were projected to take approximately two (2) years, the CDA creatively provided environmental indemnification to the new developer, which allowed for the purchase of the properties and move forward with his \$1.2-million project. The environmental indemnification provided by the CDA was fully funded by the \$250,000 Home Juice escrow fund, state and federal grants, and about \$194,000 in TIF financing. With creative financing for the environmental remediation and a solid public/private partnership between the CDA, property owners and future developer, the CDA's actions allowed for redevelopment potential to go from "impossible," to "possible."

If it wasn't "but for" the CDA's involvement in the environmental clean-up (which required ownership by the CDA, per the grant), no development would have taken place on these contaminated properties.

As a result of the above, construction of the office is complete and occupied by Supreme Builders, Inc. PCE impacts were addressed through a combination of vapor extraction to address the contaminated soil and in-situ chemical oxidation to remediate the groundwater.

Post active-remediation groundwater monitoring took place and a surface barrier was constructed to reduce exposure to shallow surface soil and help protect the groundwater. Case closure request to the WDNR is in progress and expected to be received in fall 2017. At that point, the ownership will change from the CDA to Supreme Builders, Inc.

This entire project is an extremely successful "poster child" case for the need of governmental intervention along with a creative private-public partnership to redevelop "upside down" properties. "But for" the CDA stepping in to take the leadership in structuring an environmental financing

package the blighted and contaminated properties that would have continued to sit vacant with no end in sight, the environmental contamination would have remained in place continuing to be a health threat to the neighborhood, and no development would have been environmentally allowed on this site, let alone the new construction of a \$1.2 million office building.

In order to make the project financially feasible, the CDA was able to utilize \$186,000 in EPA grants, \$35,000 from the WDNR for a "Ready for Reuse" loan which was creatively converted to a grant, a DNR "Site Assessment Grant" in the amount of \$42,000, and \$250,000 of the proceeds from the owner of the former Home Juice funded from the land sale to Supreme Builders, which was placed into escrow. In addition, approximately \$194,000 in TIF funding will be utilized. These funding sources are anticipated to cover the approximate \$707,000 of total projected costs.

The biggest deterrent in how quickly the TIF can be paid off is the relatively high existing property tax value of the contaminated properties. The CDA could have waited several years while the assessed values of the contaminated properties were reduced to \$100 each. That would have allowed a much more significant tax increment to help finance project cost. However, the current taxes being generated by the current base would no longer go towards taxing jurisdictions but would be set aside to finance tax increment debt.

As a result, even though the new redevelopment is extremely attractive, the relative increase in value is only moderate, generating a tax increment of about \$33,000 per year.

The district has a base value of \$537,400, and as of 2021 has a current value of \$1,129,300 with an incremental value of \$591,900. The incremental tax revenue from this additional value will be utilized to pay off project cost debt. Under current projections, the district is set to expire in 2031.

The property sold in April of 2022 to Cobalt Partners as part of a portfolio sale for \$1,336, 511.

## TIF DISTRICT NO. 14 – S. 68<sup>th</sup> ST. AND W. MITCHELL ST. PROJECTED CLOSURE: 2041 (27 YEARS)

This tax incremental district was approved in 2015 as TID  $14 - 68^{th}$  and Mitchell. The district encompasses approximately 14.7-acres of land in the City's historically industrial corridor. The district was primarily occupied by buildings and land that were formerly owned and operated as the Milwaukee Ductile Iron Foundry, which closed in 2009.

Because the property was historically used as a foundry and had documented environmental releases on the property, the City applied for a Wisconsin Plant Recovery Initiative grant from Wisconsin Department of Natural Resources. Over \$46,000 in grant funds were deployed to identify environmental impacts, conduct general environmental testing, and identify any barriers of redevelopment.

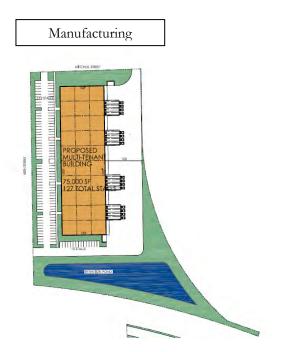

Since plant closure, much of the district became underutilized and was

purchased for its scrap value. Unlike TID 11, where the City acquired the property and bid out the demolition, it was hoped that the private sector would lead the charge for redeveloping these properties. However, once the valuable material was extracted, the new owners stopped all work on the site.

The purpose of creating this district was to assure that the industrial blight was demolished and environmentally remediated, and that the site would be adequately prepared for future redevelopment. Based on the failings of the previous private-sector owner, the CDA has since stepped in as the "developer of last resort."

To enhance the surrounding neighborhood within ½ mile of the project the CDA has also budgeted \$500,000 within the TIF plan to capitalize a Neighborhood Housing Rehabilitation Loan program and to finance demolition of dilapidated buildings in the neighborhood.

Ultimately, the City agreed to purchase the former Milwaukee Ductile properties for approximately \$1,750,000 from the failed private-sector owner, based on expected market value. That money was placed into an escrow account, which was drawn down from the seller to finalize demolition and remediation expenses. Additional project costs have been spent on other planning, demolition and environmental costs, plus administration. To date, over \$2.7 million in project costs have been spent to prepare the site for redevelopment. An additional \$4.500,000 of costs may be incurred.

If the 7-acre former foundry was redeveloped for a light industrial use, the site would have the potential to attract between \$4-5 million of new value. In 2019, the City was approached by United Health Services with interest in developing a \$30 million behavioral health hospital with 120 beds. The project applied and obtained all necessary approvals in 2019 and opened the fall of 2021. The construction was supported through an allocation of New Market Tax Credits

from First-Ring Industrial Redevelopment Enterprise, Inc. Based on the UHS project, the district is expected to pay down all incurred costs by 2041.

## 6771 W. National Avenue.

In April of 2019, the City's CDA published a Request for Proposals for the 6771 W. National Ave. property and selected Baum Revision LLC., as the preferred developer of choice. Baum's vision for the building is to work with the Wisconsin State Preservation Office and the National Park Service to restore the building utilizing historic tax credits and ultimately resulting in the building being listed in the National Register of Historic Places. The building presents a complex set of design, preservation and adaptive use challenges. The restoration will create an architectural jewel that will pay homage to the industrial history of West Allis with the added representation of the City's future vision.

## Primary Project Goals for the project.

- 1. Restore the building in a form and function reflective of its historical legacy. Introduce modern building infrastructure while preserving the historical architectural details. Introduce historical materials from the building as various forms of art (i.e. reuse discarded metal components as components for light fixtures, art pieces, planters, etc.).
- 2. Activate the building with current uses that involve a modern interpretation of its industrial past: activate the building with food production tenants, an event space, and kitchen incubation space.
- 3. Build a strong project identity that results in the project being a destination, attracting visitors and businesses to West Allis and serving as an additional catalyst for the immediate area.

## Job Creation

Culinary-tourism and agri-tourism have increasingly become a focal point for stakeholders in the Wisconsin tourism industry, and for good reason. Recently released data shows that the Greater Milwaukee area continues to be the state's largest tourism market and that the associated spending, labor income, and local tax revenue are increasing. Tourism in the Greater Milwaukee area supported 52,357 full-time jobs.

## Redevelopment/Historic Preservation

The project will contribute to West Allis' rich history of preservation by celebrating its historic roots. The repurposing of the building in part as a manufacturing facility is an acknowledgement of its importance to the economic contributions of the community. By creating access to the building, the public is provided an opportunity to experience first-hand the unique architectural characteristics of the buildings and learn about its history in the community.

## Local Identity

The area already encompasses a unique concentration of food-based business activity that has already created an opportunity for synergistic economic development. The project would complement the following area initiatives/developments/projects: the best farmers market in the metro Milwaukee area, the development of The Market at Six Points food-cluster focus, a growing number of food-focused events, and organizations such as West Allis Eats.

Potential redevelopment of the former Kearney and Trecker building could also result in an investment of up to \$12 million to create commercial and office space with unique event space and up to 100 jobs. The project would utilize federal and state historical tax credits, other local or state grants, and will seek a new market tax credit allocation.

## TIF DISTRICT NO. 15 – THE MARKET PROJECTED CLOSURE: 2042 (27 YEARS)

Tax Incremental District # 15 was approved in 2016 as an overlay district to TID 5 – Six Points/Farmers Market. The district encompasses approximately 16 acres of land in the City's Farmers Market neighborhood. The district consists of vacant land, owned by the Community Development Authority of the City of West Allis (the "CDA").

The vacant land surrounding the Farmers Market had been slated for redevelopment in the mid- 2000's, but the housing market crash of 2008 and the withdrawal of the initial developer left the City with an abundance of vacant land, no added incremental value, and an urgent need to issue a new RFP for redevelopment. In 2016 the City and CDA selected Mandel Group, Inc. to pursue redevelopment of the land within TID 15 for the construction of a 30,000 sq. ft. medical office building, approximately 177 high-end market-rate apartment units, and approximately 46,000 sq. ft. of commercial space. The City and CDA selected the Mandel Group based on their vision of transforming the entire neighborhood and east end of the City with high-end apartments and destination commercial uses such as restaurants, a smaller/specialized grocery store user, and high-end commercial tenants.

The \$70 million development by Mandel Group successfully completed construction of the new Aurora Clinic in 2018 and broke ground on the construction of 177 apartments named The West. The first units became available in November of 2019 and are leasing between \$909 for a studio apartment to \$2,094 for a three bedroom, 2 bath apartment. The assessed value is about \$25 million. The project added 4 new jobs to the district. The West reached stabilized leasing by May 2020 many months ahead of schedule and

was able to secure permanent financing earlier than expected resulting in project savings. Today, rents at The West are at \$2.00 per sq. ft.

The estimated public financial participation is \$16,680,000, in the form of a developer funded TIF, where the developer takes out a loan in that amount, and the tax increment goes back to the developer to pay down the debt. This eliminates the City's risk, as the City is not responsible for taking out a General Obligation Bond (debt), as is typically done when a city provides financial assistance in a TIF district.

The commercial component to be constructed south of National Avenue and referred to as "SONA" started construction in 2021. The development includes a 110-unit apartment building with two commercial space endcaps that will be available for lease. The construction cost is estimated at over \$22 million with units becoming available in January of 2023. The TIF is providing \$15 million of developer funded financial assistance and the City provided \$500,000 loan funded through a revolving loan program funded through a grant from the U.S. EPA.

The additional Makers Row Development, located directly to west of the West Allis Farmers Market, will be constructed as two phases that will offer 31,000 sq. ft. of commercial space for targeted niche food industry businesses. The anticipated construction value is estimated at \$10 million and is expected to add 100 jobs. The City projects assisting the development with an estimated \$1.6 million of developer funded TIF and \$750,000 loan funded through a revolving loan program funded through a grant from the U.S. EPA. The City's new market tax credit community development entity, FIRE, is considering a mezzanine debt loan to the project along with an allocation of NMTCs. The Maker's Row phase of the project is structured to provide lower rents to attract unique food users to the project. With the City's goal to transform the Farmers Market neighborhood with higher end uses, redevelopment by the private sector would not be financially feasible without the proactive use of tax incremental financing.

## <u>TIF DISTRICT NO. 16 – S.70<sup>th</sup> Street and Washington</u> <u>Office Development - Cobalt</u> PROJECTED CLOSURE: 2040 (27 YEARS)

TIF district No. 16 was established to support the major revitalization of the former heavy industrial former Allis-Charmer office & industrial complex and to evolve the corridor into a pedestrian friendly, free parking, and high-end office complex within the S. 70th Street Corridor. The developer, Cobalt Partners, plans include the acquisition of the West side of S. 70th Street, to acquire two office buildings consisting of 155,600 SF and make substantial interior and exterior improvements to the buildings. The property was owned by the West Allis-West Milwaukee School District. The purchase included two buildings located at 1135 and 1205 S. 70th St. and related parking

The project will also involve less than one acre of McKinley Park (South of the Field House) to be considered for surface parking. The project will also work with Milwaukee Area Technical College (MATC) to assemble some property that may be positioned for future redevelopment.

On the East side of S. 70th Street, also as part of Phase 1, the developer acquired another former Allis Chalmers office building (currently owned by BGK Properties Inc.) located at 1126 S. 70th St. with a plan to relocate about 60,000 ft.<sup>2</sup> of the existing tenants to the 1205 S. 70th St. building. The developer commenced demolition of a 469,300 ft.<sup>2</sup> building and stared the construction a 105-room Home 2 Suites expected to open by June of 2023.

S 70TH ST REDEVELOPMENT OVERVIEW

COBAL

The plan for Phase 2 is to develop more than 400.000 ft.<sup>2</sup> of office and taxable educational facilities including related surface parking and parking structures. Overall, the two Phases, through the assistance of TIF will provide a return on public investment bv generating \$80,500,600 in new development which would yield about \$94 million of new incremental taxes over the life of the district. The current area is assessed at \$3,142,700. The area is prime for development with a portion of the district being in a federal "Economic Opportunity Zone" that

will attract future investment by developers looking for a federal tax benefit.

The City anticipates making total project expenditures of approximately \$20,000,000 in initial capital contributions to undertake the projects within the TIF Plan. In Phase 1 of the Project the City will be provide a \$5,300,000 GO Bond (netting \$4.685M to the developer's project) which will be both corporately and personally guaranteed by the developer. In Phase 2, the City will consider approving up to a \$15,000,000 Municipal Revenue Obligations (MRO) whereby the developer borrows the funds directly from the lender and the City through a Development Agreement allows the developer to access the new property taxes generated (property tax increment) by the project to repay the loan. The City incurs no financial liability for a MRO. The City anticipates completing the projects in 2 phases. The expenditure period of this district is 22 years from the date of adoption of the authorizing Resolution of the Common Council (the "Creation Resolution"). The projects to be undertaken pursuant to this Project Plan are expected to be financed with General Obligation Bonds and Municipal Revenue Obligations (PAYGO Bonds) issued by the City, however, the City

may use other alternative financing methods which may provide overall lower costs of financing, preserve debt capacity, mitigate risk to the City, or provide other advantages as determined by the Common Council.

The City successfully applied to Wisconsin Economic Development Corporation and received a \$150,000 Site Assessment Grant to assist with site investigation and site clearance work that will ultimately advance the demolition of 1126 S. 70 St. building.

Future redevelopment of the eastern portion of the district is located within a Governor selected Opportunity Zone (OZ). The goal of the OZ is to attract investment in area that is low-income area that offers three tax incentive benefits such as 1) gain deferral, 2) partial forgiveness, and 3) forgiveness of additional gains. OZ funds look for sites that offer these benefits to foster commercial real estate development and renovation of properties, opening new businesses, and expansion of businesses.

## <u>TIF District No. 17 – 102<sup>nd</sup> and Lincoln</u> PROJECTED CLOSURE: 2046 (27 YEARS)

The 102<sup>nd</sup> and Lincoln TIF was newly created in 2019 to assist with the redevelopment of the property commonly referred to as the Wehr Office building located at 102 and Lincoln. The 21-acre district was created to pay the costs of incentives needed to facilitate development of a 107-room Holiday Inn Express hotel, future medical office or office space development and other potential redevelopment activities. The developer, Catalyst Partners and JNK are expected to invest \$16.3 million in the development of the hotel and potential office building. The hotel will offer a fitness center, pool, business center, small conference room, outdoor patio, and continental breakfast. Phase II of the project is up to a 16,000 sq. ft. office, retail commercial space. The Holiday Inn Express opened in July of 2020 in time for the scheduled Democratic Convention, however national COVID pandemic impacted the travel industry, and the convention was cancelled.

The TIF is expected to generate about \$17 million in new tax increment over the entire district and increment satisfying project costs by 2028. The City anticipates making total expenditures of \$2.8 million to undertake the project. Project costs include an estimated \$2.45 million in incentive payments including \$1.45 million for the hotel development, \$750,000 for other incentives relate to future redevelopment projects, and \$250,000 for residential rehabilitation assistance. The incentives are structured in the form of a developer funded of "pay-go" TIF. The TIF Plan also includes \$250,000 for potential public infrastructure rehabilitation and \$100,000 for district administrative expense to include cost to create the district.

## TIF District No. 18 – Chr. Hansen Expansion PROJECTED CLOSURE: 2040 (21 YEARS)

In 2019, Chr. Hansen, located at 9015 W. Maple Street approached the City of West Allis regarding a broader vision for their U.S. headquarters in West Allis. Located in West Allis since 1929, the company today has over 200 professionals in West Allis. Chr. Hansen is a global bioscience company that develops and produces cultures, enzymes, probiotics, and natural colors for a variety food, confectionery, beverages, dietary supplements, animal feed and plant protection.

When Chr. Hansen started the planning process for the \$25

million expansion West Allis, local representatives of the company suggested to the City and state representatives there might be possible challenges from the Board of Directors perspective. Since Chr. Hansen is based in Denmark an operates under a global footprint, there are many factors and priorities that a company uses to direct company investment and growth. Therefore, economic assistance was proposed to help the project be considered against other global company requests and locations.

In 2019, Chr. Hansen commenced construction on The Phase I of the

project that included a 20,000 sq. ft. expansion to provide a larger footprint for its Food Cultures and Enzymes facility. The addition represents an estimated \$9-\$20 million capital investment. To date, the company added about 25-30 new jobs and contribute about \$55,000 of new increment annually. The addition came online in 2021.

To assist with a proposed expansion, the City created a new industrial district comprising of approximately 7 acres of land including the existing Chr. Hansen facility. As the incentive structure, a developer funded TIF or, "pay as you go" TIF was adopted to provide up to 12 years of increment gained for each phase of expansion. Further, the TIF is structured that the economic benefit is only attained if each future phase starts construction prior to July 1,

2025. The potential incentive placeholder in the TIF plan is up to \$11.9 of increment. The proposed TIF plan also includes \$200,000 for housing and economic development improvements with a  $\frac{1}{2}$  mile of the district and \$155,000 for administrative expenses for operating and creating the district. The TIF is expected to close in 2040.

## **CLOSED TIDs**

# TIF DISTRICT NO. 1 – S. 70<sup>TH</sup> ST. AND W. WALKER ST. – CLOSED

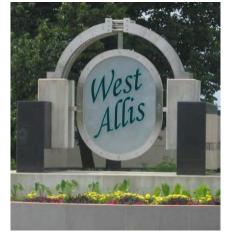

The district, was composed of two general areas east and west of S. 70<sup>th</sup> St. and both generally north of Washington Street. On the east were the vacant and dilapidated former Allis-Chalmers Tractor Plant buildings. On the west, the buildings, just as dilapidated, included a vacant 4-story industrial dinosaur (former Milwaukee Stamping Building) and another 150,000 sq. ft. condemned industrial building. These buildings exceeded their economic development life or usefulness resulting in vacancy and low-end uses (i.e. cold storage, etc.). These sites were further impacted by a wide range of soil and groundwater environmental issues. The project also financed the reconstruction of one of the city's most important gateways, S. 70 St.

The City's 70<sup>th</sup> St. gateway witnessed over \$20 million in new development following the implementation of the City's first TIF in 1993. When the TIF was discussed for adoption, the 43.4-acre district contained properties that were arguably the most blighted areas of the City. Today, the area is a welcoming, vibrant business corridor greeting over 14,000 vehicles per day. The district added over 520 jobs and attracted business icons like Poblocki Sign Co., C&H Distributors, Columbia/St. Mary's Gateway Medical Clinic, an office complex owned by Tri-City Bank, plus over 100,000 sq. ft. of additional manufacturing facilities.

The original project involved \$6,215,000 of project costs, including acquisition, demolition of dilapidated former industrial buildings and substantial environmental clean-up. In many cases the soils were also substantially impaired by poor fill that did not meet modern compaction requirements necessary to support a modern industrial building.

The Project Plan was amended in 1996 to include \$1.8 million for public infrastructure improvements for the reconstruction of S. 70 St. from the north city limits, south to W. Greenfield Ave., including replacement of all storm and sanitary sewer lines and the addition of arguably one of Milwaukee Metropolitan area's most iconic gateway signs.

One of the more unique hurdles in the development of the National Business Furniture (formerly C & H Distributors) site was residual environmental contamination after virtually all of the environmental remediation was completed. The site was cleared of all environmental issues except one monitoring well that continued to report the presence of volatile organic compounds (VOCs). The site could not become bankable/developable until this environmental issue was resolved and DNR approved case closure for the site.

To expedite the redevelopment of the site, the CDA provided environmental indemnification in order to allow the company to immediately begin the construction of a 67,479 sq. ft. office building. It would ultimately take 13 years to extract the nearly 50 gallons of heavy petroleum at a cost of about \$60,000 to obtain DNR case closure.

Because of the environmental indemnification provided by the CDA, the City did not have to wait for 13 years for the development of C&H's corporate headquarters building. It immediately began realizing the benefit of 250 jobs and during that time collected in excess of \$2,300,000 in property taxes.

The 114,000 sq. ft. multi-tenant industrial facility located at 6736 W. Washington St. offered what was to become a typical soils impediment issue, the need for geotechnical soil compaction. In addition to the typical Brownfield redevelopment issues, the soils were too loose to hold a modern structure even though Allis Chalmers built tractors on that landmass for over one hundred years. In order to build the property, nearly 6 feet of

soil compaction (as shown on the picture on the preceding page) was required in order to achieve the necessary soils suitability on which to build a modern manufacturing building.

The district was successfully terminated in March 2008.

When created, the district base valued at \$5,782,000 and produced about \$122,000 in taxes. Currently, the district has a value of \$24,691,000 which provides \$522,708 in taxes. This relates to a current tax incremental value of over \$19 million.

The TIF also donated surplus revenues in the amount of \$1.1 million to the Veterans Park district (TID 2).

#### TIF DISTRICT NO. 2 – VETERANS PARK - CLOSED (S.E. Corner of S. 70 St. & W. Greenfield Ave.)

This TID was dissolved in 2014, two years ahead of schedule. The project added over \$7 million of incremental value and \$204,897 of tax incremental revenue. The TIF successfully transformed the southeast corner of S. 70 St. and W. Greenfield Ave. out of a sharply declining neighborhood. The neighborhood's buildings were severely dilapidated and were a major blighting influence on the surrounding area. The properties were primarily commercial uses such as mixed-use buildings, bars, flophouses and adult entertainment. The project dramatically reversed the declining image and successfully improved the area by adding new housing choices.

The City created this 4.7-acre district after it

began witnessing declining property values, deteriorating and dilapidated buildings. These conditions were further leading to a decline in the City's overall tax base and reduced revenues for the City. The City utilized project funding of \$4,160,164 to underwrite land assembly, building acquisition, demolition, relocation benefits, environmental remediation and reconstruction of W. Orchard St. and S. 68 St.

Today, the area consists of The Landmark, a 127-unit contemporary senior community with both market-rate and Low-Income Housing Tax Credit assisted rental units. The facility features a well-maintained landscape and initiates an architectural statement that

became a model for high-density, quality construction in the community.

The project, along with about a \$200,000 special assessment to the developer, also financed the reconstruction of W. Orchard St. and S. 68 St., including sanitary, storm and water facilities.

# TIF DISTRICT NO. 3 – QUAD/GRAPHICS - CLOSED

In 1994, the northwest corner of the crossing of Hwy. 100 and Theodore Trecker Way was growing in demand as the real estate market looked for retail destination locations with visibility to the Interstate. However, the 48-acre site was occupied by a large idle, industrial building once owned by Giddings and Lewis.

The City's first option regarding involvement in an idle private-sector site is always to do nothing. However, doing nothing in this case would mean getting a retail big box development employing a modest amount of retailrelated low-wage jobs.

The City made a significant economic development policy decision that it was in the public interest to attract a state-of-the-art manufacturing facility with quality family supporting jobs.

As part of the economic development policy decision-making process, the

Mayor and Common Council and representatives of the other taxing jurisdictions unanimously decided to form a TIF district that allowed the City to address the vacant idle industrial building's redevelopment impediments. The result of this policy was the attraction of Quad/Graphics Inc., a Fortune 500 company. This successful attraction allowed for the creation of over 800 family-supporting jobs.

The deal ultimately opened the door to well over a quarter-of-a-billion dollars in private equipment investment and transformed a 550,000 sq. ft. obsolete industrial facility to an impressive 905,000 sq. ft. state-of-the-art global printing operation including Quad Med, a rapidly expanding corporately owned health care system.

Today, the facility has it's a value to over \$11,975,600, which represents an increase of \$7,671,100 from its base value of \$4,300,000. In addition, the district now generates \$336,000 in taxes.

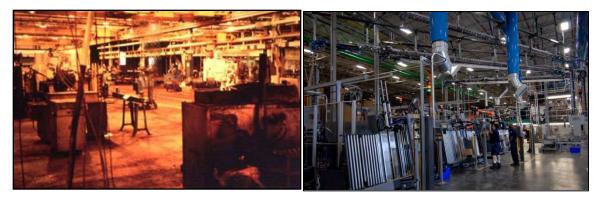

Often, the perception of environmental risk deters investment and finding an acceptable method of allocating the risk between the various parties often kills many transactions. In the case of this district, the risk associated with the environmental personality of the property was the principal impediment barring the successful conclusion of a transaction between the prospective buyer (Quad/Graphics) and seller (Giddings & Lewis).

To bring Quad/Graphics back to the negotiating table and to overcome the "Clash of

Corporate Cultures," the City purchased the property from Giddings & Lewis and subsequently sold it to Quad/Graphics. The City of West Allis was

the first city in the state to use newly enacted legislation (Act 453), which is now the Voluntary Party Liability Exemption (VPLE) program, to offer environmental comfort to buyers & sellers of formerly contaminated properties.

In addition, the seller was very concerned that the buyer would litigate over third-party environmental claims, so the City of West Allis in partnership with the Wisconsin Department of Commerce created a \$1.5 million "Indemnification Fund." Milwaukee County also provided a contingent Standby Liability pledge of \$2.5 million. Through good stewardship by the City, the Indemnification Fund was never drawn upon and the monies were returned to the City and the State, and Milwaukee County was released from its pledge.

The buyer was also concerned about owning a contaminated property. To resolve this, the City bought the property from the seller and sold the property to Quad/Graphics on a Land Sale Contract. The sale had a seven-year term and ended in a balloon payment which coincided with the time that was expected to complete the environmental clean-up.

Instead of borrowing the funds for acquisition the City funded the project with internal borrowing from the City's operating reserves yielding an 8.5% return to the general fund on the investment by the City. Over the seven-year term of the land sale contract the City's general fund earn nearly \$2,400,000 in immediate property tax relief.

This district was amended in 2008 to include \$500,000 for street resurfacing improvement on Theodore Trecker Way, which extended the district's projected closing date by about 1.5 years. The street resurfacing was an important project in maintaining an active commercial corridor that connects to an industrial segment of the city. This action allowed the city to expend the \$500,000 that was budgeted for this project from General Obligation Bonds on other City street projects.

The district has successfully satisfied the investment of \$4.7 million in capital costs (not including interest and fiscal charges). The TIF also donated surplus revenues in the amount of \$2.5 million to the Juneau Highlands (TID 6) and Six Points/Farmers Market (TID 5) districts.

## TIF DISTRICT NO. 4 - S. 113th ST. and W. GREENFIELD AVE. - CLOSED

The vibrant blue architectural glass of the 127,000 sq. ft. building located at S. 113 St. and W. Greenfield Ave. is a staunch contrast to the barren land that once was a 9.9 acre public works storage yard. Following the creation of a TID and the investment of \$2.7 million of public funds to address geotechnical costs and environmental concerns, the property attracted 230 jobs and business tenants such as Milwaukee Plate Glass, ABRA Auto Body and Glass, Wisconsin Medical –Cyclotron LLC, Office Copying Equipment, LTD., and Knueppel Healthcare Services.

Today, the district is valued at \$9.6 million and generates over \$203,000 in property taxes. This district was closed in 2006, nine years ahead of the anticipated 2014 closing date.

Challenged by historic land uses such as a quarry and landfill for non-organic demolition materials, the City formed a TID to prepare the property for development. In addition, the site had serious geotechnical (poor soil bearing capacity) concerns, in that as a former quarry, filled with non-compacted soils, the soil was so poor that it was essentially unbuildable.

Of note, the site was also contaminated with 26,000 tons of woodchips that were laced with iron cyanide (generated as a byproduct of the manufactured gas process), which the City successfully litigated against Wisconsin Electric Power Co. to pay for clean-up.

The TIF supported \$1.1 million in geotechnical specialized site work to compact the soils so that the land could meet the engineering standards for new buildings.

The remaining \$1.6 million was utilized for environmental cleanup not related to the \$1.8 million of remediation costs paid by Wisconsin Electric Power Co. (WEPCO), now We Energies.

The company was also required by the court to pay the City about \$7 million in punitive damages which the City utilized to renovate the City's three (3) fire stations.

## TIF DISTRICT NO. 8 - WEHR STEEL - CLOSED

Private development is always the first goal for the City in revitalizing any neighborhood. This 13.5 acre site, located at 2154 S. 54 St. was occupied by the former Wehr Steel plant, on the eastern edge of the City's limits. The site remained a weed covered parcel with remnants of abandoned building slabs for over a decade. This plant was once the oldest and largest steel mill in Wisconsin. This property represented a classic brownfield site where the simple fear of the presence of a hazardous substance, pollutant, or contaminant held up redevelopment. The creation of Tax Incremental District Number Eight in 2005 helped advance development and improve the economic position of the property, by eliminating the concerns over potential environmental mitigation costs.

Through \$60,000 of SAG funding from the DNR and a Brownfield Assessment Demonstration Pilot \$200,000 EPA grant (which was one of the first in the nation) provided the initial impetus to eliminate the juggernaut of this major environmental impediment - the fear of potential environmental remediation costs. With these grant funds, the CDA performed the critical environmental assessments of the property to determine the exact extent of contamination. The investigations determined that contamination at the site was significantly less extensive than expected with only low-level metal and polycyclic aromatic hydrocarbon (PAH) impacts.

Once it was determined that the environmental contamination could be easily managed via institutional controls (capping the site with the building footprint, parking lot & soil covering the landscape areas) the owner became re-interested in developing the property.

The CDA also worked with the private owner who wanted TIF funding to relocate a stormwater line so that he could build on the land over the sewer line. The City would not allow the developer to build over a major 54" storm sewer line. The CDA did show the owner how they could get the same building coverage ratio by capping the site and re-orientating the building configurations without any additional public investments.

By resolving these impediments, the private property owner ultimately stepped forward and completed a \$9 million redevelopment consisting of 194,000 ft.<sup>2</sup> of industrial space currently occupied by Columbia Pipe & Supply Co., the Marek Group, and Raphael Industries Inc.

No capital TIF expenditures were required, and the district was able to close in 2007.

As noted previously there are a lot of factors involved in a decision to create a TID. The decision to create the Wehr Steel TID revolved around the concept of "Opportunity Cost". There is a cost for doing nothing. In this case the site could (and ultimately did) generate new property tax revenue of about \$200,000 per year. The bottom line was \$200,000 was lost each year for doing nothing – this is what is referred to as the lost "Opportunity Cost".

After trying for 10 years to cajole the property owner to take private action without success, the question was how many more years the City was willing to wait to realize the benefit of the new \$200,000 in property tax relief and the new manufacturing facilities that ultimately provided the 124 family-supporting jobs. The decision was to wait no more.

This district is now valued at \$6,862,000, up \$6,600,000 from the base value of \$1,100,000. It now generates \$192,416 a year in property taxes, which is up

\$162,251 from the base tax revenue of \$30,165. The site is home to Columbia Pipe and Raphael Industries which as of 2019 have a total of 57 full-time employees.

## TIF DISTRICT NO. 9 – PIONEER NEIGHBORHOOD PROJECTED CLOSURE: 2020 (15 YEARS)

(W. National Ave. from S. 78 St. to S. 81 St.)

Over \$11.5 million in development was realized with the creation of Tax Incremental District Number Nine, known as the Pioneer Neighborhood located along W. National Ave. between S. 78 St. and S. 81 St. The district, created in 2006, encompasses 7.8 acres in the City's earliest neighborhood settlement and included several parcels that were previously used as a school bus parking lot/storage area, former lumber yard, and the former vacant Neis Hardware store. The existing building improvements on the site were blighting influences on the National Avenue corridor.

The site was considered by the West Allis Police Department for a new station but was passed on due to fears of environmental issues.

Nearly a decade later, the CDA, purchased the site via a voluntary acquisition in the spring of 2006 and added it to the former Neis Hardware site, which was acquired through a foreclosure Sheriff Sale in November 2005, to create this district.

Efforts within the district have resulted in two major redevelopments. The first redevelopment included a new neighborhood bank (PyraMax Bank), and the second portion included 120 units of independent senior living with underground parking, 80 units of assisted living, and 64 units of memory care, and was completed in 2009.

A total of \$3,517,400 in project costs for acquisition, environmental remediation, and site preparation was expended in the district to assist redevelopment. The CDA obtained two DNR SAG grants of about \$60,000, which was utilized to finance the initial environmental site assessment. Once the horizontal and vertical extent of contaminations was fully characterized, the CDA acquired the properties. The CDA in combination with TIF financing utilized a \$475,000, Wisconsin Department of Commerce Brownfield Grant to help defray some of the environmental remediation costs.

The district is currently valued at \$11.9 million which is a \$9, 692, 200 increase in value from its \$2,299,600 base. The current taxes of about \$342,438 represent an incremental increase of \$276,770 in property taxes up from about \$65,667. Based on the current debt service schedule, the district is set to close in 2020 after 15 years. The developments added 77 new jobs to the district.

## **CONCLUSION**

Spanning the past two decades, the story of utilizing tax incrementing financing has produced contrasting and unique chapters of a city reinventing itself. Ultimately, the use of TIF helped the City reverse decline, redevelop challenged areas, and reestablish and grow the City's image and tax base through millions of dollars of investment from both private and public sectors. Some districts have been focused on business expansion and job creation, while others have provided housing opportunities (both market rate and senior housing). Each district in West Allis directly tackled blight elimination and neighborhood stabilization utilizing various methodologies. The new or incremental property taxes generated from these initiatives have been used to finance the City's neighborhood revitalization. The measurement of success can be seen in the list of the City's Largest Taxpayers, of which four (4) of the top six (6) were brought about using tax incrementing financing (see Exhibit 2). In addition, TID 7 produced one of the largest office buildings in the Milwaukee Metropolitan area.

Over the past years, the bond rating firms have spoken favorably of the City's redevelopment efforts. As a result, the City has had a stable and very favorable bond rating even during economically challenged times.

Overall, throughout this comprehensive report, there are highlights and prime examples of the positive impact of TIF districts have on the community and how the economic tool changed West Allis' landscape and promoted the West Allis image in the metro-Milwaukee area. If the past few years reflect the future, then through effective leadership and progressive visioning by West Allis' community members, tax incremental financing will continue to serve as the fuel and financial tool to support a continued evolution of modernization and growth.

## Exhibit 1

#### Background

Adopted first in 1975, legislation within the Wisconsin State Statutes (66.1105) gives municipalities the authority to create tax incremental financing districts to address blight through concentrated redevelopment efforts. Importantly, as part of creating a TIF district, a municipality must find that the desired redevelopment would not happen "but for" the use of TIF. In other words, the municipality must believe in the feasibility of a redevelopment initiative and make a public finding that without the use of TIF, the proposed project would not happen on its own.

#### What is Tax Increment Financing?

When a TIF District is proposed, the project and its financial feasibility are carefully reviewed and underwritten by City leaders, taxing jurisdictions, staff, and a team of consultants working together to ensure significant community benefit and proper investment of TIF revenue.

As part of the consideration, the City also looks at "opportunity cost." This term refers to leaving conditions as the status quo and deciding to wait for the private sector to inject investment capital and foster change. The time spent waiting over what could be conceptually developed, is an "opportunity cost." As increased tax revenues are not received, property values continue to diminish, and the appearance of aged blighted industrial sites restrict the ability to attract capital and new vibrant development. In addition, a community's image suffers greatly because of lack of reinvestment.

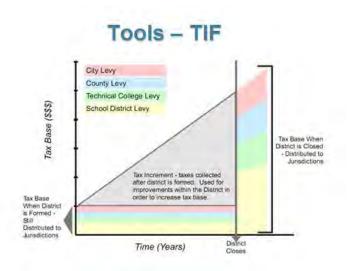

## The Creation of a Tax Increment Financing District

A tax incremental financing (TIF) district is a contiguous geographical area within a city that is assessed for general tax purposes. The taxing jurisdictions (City, School District, Milwaukee County and Milwaukee Area Technical College) representing the area jointly decide to utilize the "value increment" or "new tax revenue" gained by the newly redeveloped property to pay for project costs.

The Tax Increment law allows a community to recapture the costs of public expenditures made to stimulate new development from the property taxes generated by the new development. Fundamental to the TIF law is the concept that new development will benefit all local taxing jurisdictions, but state law requires the municipality to take the lead in funding redevelopment initiatives. However, an inequity occurs because the community is left to finance the entire cost of public expenditures needed to facilitate the development. The TIF law recognizes that without the TIF expenditures, the desired development could not or would not have occurred.

Thus, the TIF law provides that all property taxes levied on increased property value within a TIF district are retained by the community to finance the public expenditures made within the TIF district, rather than normally being distributed among all the taxing jurisdictions. The base value (the value that existed at the time the TIF district is created), however, continues to provide same level of revenues to the other taxing jurisdictions. Once all the public expenditures have been repaid, all taxing jurisdictions can collect taxes levied on the new property value.

State statutes are very specific as to how a TIF district is created. First, a TIF project plan is developed and presented to the Community Development Authority (CDA) for a formal public hearing. The CDA makes a recommendation on the TIF project plan to the City Council. The Council then must pass a resolution adopting the TIF project plan and establishing the TIF boundaries. Finally, a Joint Review Board is created with members from the City, School District, County, Milwaukee Area Technical College, and one member at large. The Joint Review Board reviews the TIF plan and public hearing comments and approves the creation of the TIF district.

#### How TID Funds Are Spent

TIF financing is commonly used to pay for demolition, environmental investigation and remediation, public infrastructure, site access, stormwater controls, geotechnical soil issues, and sometimes site assembly. Often, in dealing with the issues of historically industrial redevelopment or environmental conditions, legal costs are a significant part of project costs. Most recently, project costs associated with job creation incentives and neighborhood improvements have also been added to project plans, to strengthen the viability of the districts and their surrounding neighborhoods.

In addition to the general obligation bonds that are borrowed to fund projects, TIF very often leverages additional resources through public-private partnerships. These additional resources help to pay down project costs and return the districts to the general tax roll, as quickly as possible. In addition to private investment, other sources include New Market Tax Credits, and State and Federal grants and loans through the Wisconsin Department of Natural Resources (DNR), Wisconsin Economic Development Corporation (WEDC, formerly the Department of Commerce), and federal agencies such as the Environmental Protection Agency (EPA) and the Department of Housing and Urban Development (HUD).

State or federal grants are an important component to the success of TIF districts as they assist with due diligence and reduce the upfront costs in preparing sites for development. For example, Site Assessment Grants (SAG) from the Wisconsin Department of Natural Resources (DNR) and the Wisconsin Economic Development Corporation (WEDC) are one of the most important state resources as they help launch the first steps towards redevelopment. Financing for the first environmental investigation on a site is always hard to obtain. These pivotal funds are necessary to kickstart virtually any redevelopment. West Allis has utilized nearly \$1 million in SAG funding to start redevelopment in almost all of its tax increment financing districts.

## The Decision to Create a TID Involves a Complex Matrix of Options

If a piece of property is stagnating or declining in value, it is prudent public policy to begin the process of evaluating what is holding this property back and what, if any measures, are necessary to facilitate revitalization. The first option is always to do nothing. If the aftermath of that decision leads to continual blighting conditions, some type of public intervention may be necessary.

With the creation of a TIF district, a community borrows money to pay for expenses tied to a specific development project. Only the property taxes generated from the increased value of the project pay off the borrowed debt over time. Once that debt is repaid, the tax base grows and the increased revenue generated by property taxes flow to the municipality, the school district, county and technical college, providing much needed property tax relief.

The second step would be to determine what impediments are holding the property back from being privately redeveloped. Once identified, what is the most cost-effective approach to proactively intervene and induce major private sector investment?

The next logical progression would be to define the cost of removing impediments, whether it is

environmental remediation, demolition of dilapidated buildings, soil compaction, or amelioration of poor soils insufficient to support a modern building. Sometimes an economic incentive is necessary to attract a high-quality, job generating business to the neighborhood.

Once these impediment costs are identified, the next step is to determine how much of this cost the public sector must "eat" to return the site so that it can compete in the marketplace for private sector investment. The typical quandary is, if the market value of a piece of property is \$100,000/acre and the environmental remediation cost is \$200,000/acre, that parcel is utterly upside down with no prospects for redevelopment. Examples of these issues are the Wehr Steel site, the 113<sup>th</sup> & Greenfield site, and the Pressed Steel Tank site.

If it is too costly to remove the development impediments, a less challenged suburban site will be developed and the challenged site will just sit there negatively impacting the surrounding neighborhood. From an urban sprawl perspective, for every one acre of urban land that is redeveloped, 3 to 3.5 acres of suburban sprawl is avoided.

In many cases public improvements are also needed, such as streets, storm & sanitary sewers, and water lines to accommodate the new development. Examples of these issues are the S. 70<sup>th</sup> St. corridor, Theodore Trecker Way, 69<sup>th</sup> & Orchard St., etc.

In another local economic development decision scenario, you could have a site where a big box retailer could afford to purchase the property and remove the impediments but only provide few full-time minimum wage jobs. Under this scenario if this type of development was all that the community aspired to, no TIF/public financing will be required. However, if it is a local decision that the community wants to promote family-supporting jobs on the site, TIF funding would be required to underwrite the site cost to a point where a manufacturer could afford the land.

Quad/Graphics is an excellent example of a local decision made by all the taxing jurisdictions to utilize TIF to lower the land development cost so that it was affordable to a manufacturing enterprise. Quad Graphics ultimately provided 800 manufacturing family-supporting jobs and in addition more than tripled the tax base.

These are the types of decisions that local taxing jurisdictions must jointly weigh in determining the costs and benefits of each TIF decision.

In built-out, urban communities with changing economic needs and historical environmental issues, redevelopment comes at a higher cost. For West Allis, a landlocked first-ring suburban community can only grow from within its existing boundaries. West Allis has no cornfields to expand on to. As an economic development tool, TIF provides local leadership an opportunity to level the playing field with appealing, "greenfield development" and more competitive urban sites. It ultimately keeps the image of communities viable, stabilizes property values, maximizes previous investments in public infrastructure and provides an environment where family-supporting jobs can be created.

Re: Code Enforcement Position Change

The 2023 Budget approved moving one position from the Planning and Zoning Office to the Code Enforcement Department. We are requesting that the reallocated position be changed to Commerical Construction Inspector from Zoning Inspector. This request is based on discussions with Human Resources and Code Enforcement Staff. The reallocations will allow the department to effectively fulfill the day to day workload and responsibilities, and provide timely inspections and enforcement for residents and business. We feel that there is adequate capacity within our code enforcement team to absorb the zoning enforcement inspector duties.

The overall number of positions in the department will remain the same and there is no financial impact as both positions are in the same salary grade.

Thank you for your consideration.

Sincerely,

Reberry no Shill

Re: Adjustment of Engineering Department Positions

With the recent departure of City Engineer, Peter Daniels, and other vacancies in the Engineering Department, we have taken the opportunity to review the overall structure and responsibilities of the department. The need to be a competitive employer, increased workload, current and future initiatives, and adherence to additional federal, state and local requirements necessitate the adjustment of the organizational structure.

Based on the review, there are two recommended changes:

- One Civil Engineer position is changed to an Assistant City Engineer position, Salary Grade N (Exempt).
- 2) Adjust the City Engineer Position to Salary Grade R (Exempt).

The overall number of positions in the department will remain the same. The additional costs for 2023 will be absorbed by the savings from the vacancies of the City Engineer and other positions which will remain vacant for some of 2023. The salaries in the Engineering Department are funded by Water, Sanitary and Storm funds in addition to the General Fund which helps to mitigate the impact as it relates to the levy limit.

These changes will allow for greater shared knowledge of department activities and continuity of service delivery in both times of transition as well as when all positions are filled with experienced employees.

Please see attached current and proposed organizational charts for reference.

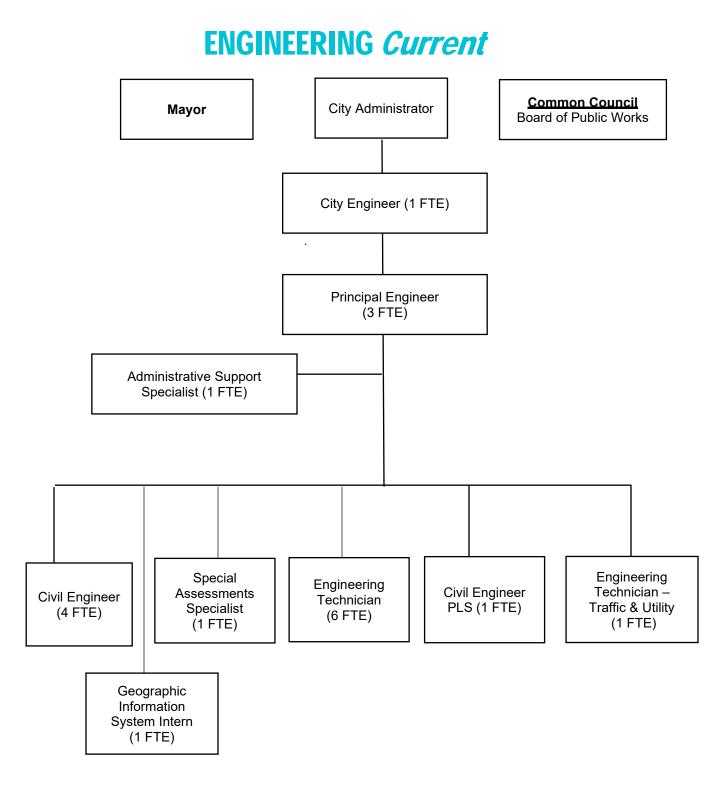

In addition to the adjustments of positions, I am requesting the authority to promote Rob Hutter to the position of Assistant City Engineer as we continue our outside recruitment for the City Engineer position.

Thank you for your consideration.

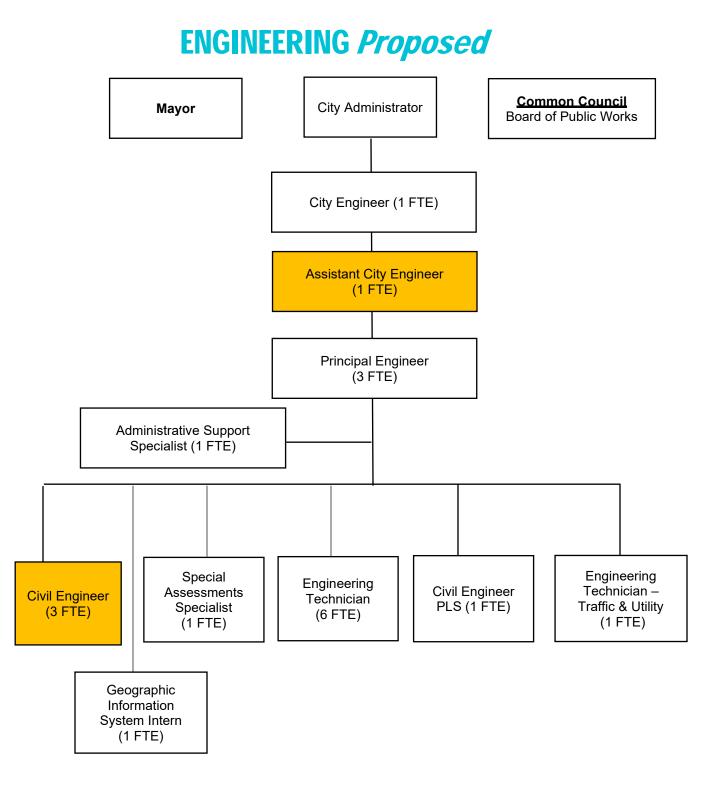

Sincerely, Release no Shill

#### MEMORANDUM

- TO: Common Council
- **FROM:** Bob Leischow, Health Commissioner

DATE: December 9, 2022

**SUBJECT:** Grant award and acceptance

The Health Department received approval from City Administrator, Rebecca Grill, on October 25, 2022 to apply for funding from WI Department of Health Services to address Youth and Adolescent Vaccination needs. On December 9, 2022 we received the award notification from the WI Department of Health Services as indicated below:

Thank you for your application to the Improving Routine Vaccination for Children and Adolescents Through Community Outreach grant program. Your organization's application has been selected to receive a **\$25,000** award based on application review. Congratulations! Funds will be awarded once grant agreements are finalized between DHS and grantee. Please note funding release dates are subject to delay depending on failure to follow grant agreement process details and incomplete paperwork or submission requirements.

Per Grant Management Policy, Common Council is asked to approve acceptance of this grant award.

Thank you.

# COMPLAINT

Defendant.

Plaintiff, Aria Realty Mitchell Manor LLC ("Plaintiff") by its attorneys, The Law Office of Kevin M. Scott LLC, by Kevin M. Scott, and as for a Complaint against Defendant City of West Allis ("West Allis") alleges as follows—

#### PARTIES

 Plaintiff is a foreign Limited Liability Company organized under the laws of the State of Illinois with a principal office address of 8150 Central Park Avenue, Skokie, IL 60076.

West Allis is a municipal corporation with a principal office located at 7525
 West Greenfield Avenue, West Allis Wisconsin 53214.

#### VENUE

3. The events giving rise to this Complaint occurred in Milwaukee County, and the property that is the subject of this lawsuit is located in Milwaukee County. Therefore, venue is proper in Milwaukee County pursuant to Wis. Stat. § 801.50.

#### FACTUAL ALLEGATIONS

4. Plaintiff owns Meadowmere and Mitchell Manor, a retirement and assisted living facility located at 5301 W. Lincoln Avenue, West Allis WI 53219 ("Meadowmere").

 The Meadowmere property is identified as tax parcel ID # 491-0016-001 (the "Meadowmere Property").

6. This is an action brought under Wis. Stat. § 74.37(3)(d) for a refund of excessive real estate taxes imposed on Plaintiff by West Allis for the year 2020, plus statutory interest with respect to the Meadowmere Property.

Plaintiff is responsible for the payment of property taxes to West Allis.

8. Plaintiff has the legal authority to prosecute this property tax dispute regarding the Meadowmere Property.

9. The aggregate ratio of property assessed in West Allis as of January 1, 2020 is 0.905004799.

10. For 2020 West Allis imposed property tax on the Meadowmere Property at the rate of \$27.904679 per \$1,000 of assessed value.

11. For 2020 West Allis assessed the Meadowmere Property at a market value of \$15,573,300.00, and a total value of \$14,093,800.00 (the "Assessed Value").

12. Attaches as **Exhibit A** is a true and correct copy of the "Assessor's Office Property Record" relating to the Meadowmere Property obtained from a search conducted on the West Allis website at <u>http://apps.westalliswi.gov/property\_search/search.aspx</u>.

13. Plaintiff appealed the 2020 assessment of the Meadowmere Property by filing a timely objection with West Allis's Board of Review pursuant to Wis. Stat. § 70.47 and otherwise complying with all of the requirements of Wis. Stat. § 70.47, except Wis. Stat. § 70.47(13) (the "Objection").

14. On June 10, 2021, the Board of Review convened and approved West Allis's request to waive any hearing regarding the Objection, allowing Plaintiff to appeal directly to Circuit Court pursuant to Wis. Stat. § 70.47(8m)(the "Waiver").

15. Notice of the Waiver was provided to Plaintiff's agent via letter dated June 22, 2021, a true and correct copy of which is attached as **Exhibit A**.

#### CLAIM FOR RELIEF

16. West Allis has overvalued the Meadowmere Property as the Assessed Value is based upon the amount that Plaintiff paid for three separate retirement facilities.

17. The Meadowmere Property was purchased by Plaintiff and five other related limited liability companies (collectively, "Plaintiff") on December 17, 2020 from SPTMNR Properties Trust, a real estate investment trust organized under the laws of the State of Maryland ("SPTMNR")(the "Meadowmere Sale").

18. Via the same transaction and on the same date, Plaintiff purchased two other retirement and assisted living facilities located in Southeast Wisconsin from SPTMNR.

 Attached as Exhibit B is a true and correct copy of the closing statement for the Meadowmere Sale.

20. The purchase price for all three facilities totaled eleven million five hundred thousand dollars (\$11,500,000).

21. The purchase price of the Meadowmere Property was three million eight hundred thirty-three thousand and three hundred thirty-four dollars (\$3,833,334).

22. The Meadowmere Sale was an arms-length, open market transaction.

23. The Meadowmere Sale has been classified as a useable sale by the Wisconsin Department of Revenue.

24. Attached as **Exhibit C** is a true and correct copy of the Real Estate Transfer Return for the Meadowmere Sale obtained by performing an RETR search on the Wisconsin Department of Revenue website at

https://propertyinfo.revenue.wi.gov/WisconsinProd/search/commonsearch.aspx?mode=owner

25. West Allis has improperly ignored the fact that the Meadowmere Sale was an arms-length, open market transaction.

26. West Allis has improperly ignored the fact the Meadowmere Sale has been classified as a useable sale by the Wisconsin Department of Revenue.

27. Based on a tax rate of \$27.904679 per \$1,000 of assessed value, the proper amount of property tax on the Meadowmere Property for 2020 should be no higher than \$106,967.96.

 Instead ,the Gross Tax imposed on the Meadowmere Property in 2020 was \$418,002.51.

29. As such, Plaintiff overpaid taxes in the year 2020 by at least \$311,034.55.

30. Upon information and belief, the Assessed Value is excessive compared other commercial property in West Allis, and violates Article VIII, Section I (the "Uniformity Clause") of the Wisconsin Constitution.

31. As a result, the tax imposed on Meadowmere for 2020 is excessive in the amount of \$311,034.55.

32. West Allis's position that the Meadowmere Property's market value is \$15,573,300.00 is an overassessment that constitutes a violation of the Uniformity Clause

and thus Plaintiff bears an unreasonably disproportionate share of taxes on an ad valorem basis.

33. Plaintiff is entitled to a refund of at least \$311,034.55 for tax year 2020, plus statutory interest.

WHEREFORE, Plaintiff respectfully requests that this Court enter an Order-

A. A determination that the Assessed Value of the Meadowmere Property for
 2020 is no higher than \$3,833,334;

B. A determination that the correct amount of property tax on the Meadowmere Property for 2020 is no more than \$106,967.96;

C. Judgment in the amount of \$311,034.55 or such greater amount as may be determined due Plaintiff plus statutory interest;

D. An award of all litigation costs incurred by Plaintiff in this action, including reasonable attorney's fees; and

E. Such other relief as the Court determines to be fair and just.

#### COMPLAINT

Plaintiff, Association of Equipment Manufacturers ("AEM"), by and through its attorneys,

Husch Blackwell LLP, states and alleges its Complaint against Defendant, City of West Allis (the "City") as follows:

**INTRODUCTION** 

This is an action filed pursuant to Wis. Stat. § 74.35 to recover that amount of the 1. personal property tax imposed upon and paid by AEM for the 2021 tax year because the City's January 1, 2021 assessment was unlawful.

#### PARTIES

Plaintiff is a Wisconsin trade association, with its principal place of business 2. located at 6737 West Washington Street, Suite 2400, West Allis, Wisconsin 53214.

 Defendant is a Wisconsin municipal corporation with its principal place of business located at 7525 West Greenfield Avenue, West Allis, Wisconsin 53214.

#### VENUE AND JURISDICTION

4. This Court has jurisdiction over the subject matter of this dispute pursuant to Article VII, Section 8 of the Wisconsin Constitution, which provides for subject matter jurisdiction over all civil matters within this state.

5. The City is subject to this Court's jurisdiction pursuant to Wis. Stat. § 801.05, including – *inter alia* – subparts (1) and (5).

6. Venue is proper in Milwaukee County pursuant to Wis. Stat. § 801.50(2)(a) and (b) because it is the county where the claim arose and where the subject property is situated.

#### FACTS

7. At all relevant times, AEM leased the property located in the City of West Allis at 6737 West Washington Street, Suite 2400 identified by the City as Parcel No. 26053 (the "Property").

8. At all relevant times, the Property contained exempt personal property, including machinery, tools, patterns, mainframe computers, minicomputers, personal computers, networked personal computers, servers, terminals, monitors, disk drives, electronic peripheral equipment, tape drivers, printers, basic operational programs, systems software, and prewritten software (the "Personal Property").

9. For the tax year 2021, the City assessed the Personal Property at \$4,923,742.00 (the "2021 Assessment"), on the basis that the Personal Property was not exempt under Wis. Stat.
§ 70.11 or § 70.111.

10. The 2021 Assessment included general contractor costs which relate to real property improvement for costs associated with demolition, electrical, HVAC, data, and flooring

improvements, as well as architectural design costs and branding fees ("the leasehold improvements."). The leasehold improvements are either permanent improvements to the Property that will benefit any future tenant or costs that have no tangible value to the Property.

11. The Personal Property was exempt from property taxes under Wis. Stat. § 70.11(39) and/or Wis. Stat. § 70.111(27).

12. The leasehold improvements are not taxable to AEM because they were also taxed as Real Property to the landlord of the Property. They were therefore unlawfully taxed twice by the City, once as Real Property and once as Personal Property.

Thus, the 2021 Assessment unlawfully included \$4,140,897.00 of Property which 13. qualified for exemption pursuant to Wis. Stat. § 70.11 and/or Wis. Stat. § 70.111 and/or which had already been taxed as Real Property to the landlord ("Unlawful Assessment").

14. In December 2021, the City issued a Personal Estate Property Tax Bill ("Tax Bill") based on the 2021 Assessment, which alleged a total net property tax due of \$136,493.34.

15. AEM has timely paid the tax alleged to be due for the 2021 tax year.

16. AEM has fully complied with all statutory requirements under its control for procedurally objecting to the 2021 Assessment under Wis. Stat. § 74.35.

By letter filed January 31, 2022, AEM timely filed a refund claim to recover 17. unlawful taxes paid as a result of the Unlawful Assessment ("Refund Claim"), in an amount of no less than \$117,356.20, plus interest as provided by law.

The City notified AEM that its Refund Claim was disallowed, pursuant to Wis. 18. Stat. § 74.35(3)(b), by letter dated March 7, 2022.

19. Pursuant to Wis. Stat. § 74.35(3)(d), AEM timely commenced the action relating to the 2021 tax year within 90 days after its Refund Claim had been disallowed.

3

Gase 2022GV002644

Document 2

AEM has not contested the 2021 Assessment of the Personal Property under Wis.
 Stats. §§ 74.33 or 806.04.

#### CLAIM FOR RELIEF

21. All of the foregoing paragraphs are incorporated as if fully re-alleged.

22. The 2021 Assessment is an Unlawful Assessment of the Personal Property, as defined in Wis. Stat. § 74.35, because the City's 2021 Assessment included exempt personal property and of property that was already subject to taxation as real property.

23. AEM is aggrieved by the imposition of personal property tax based on the Unlawful Assessment by the City and is, therefore, entitled to a refund under Wis. Stat. § 74.35 of not less than \$136,493.34, the unlawful taxes it paid to the City for the 2021 tax year, together with interest as provided by Wis. Stat. § 74.35(4).

WHEREFORE, AEM respectfully requests that this Court:

A. Declare, Find and/or Order the 2021 Assessment to be unlawful;

B. Declare, Find and/or Order that AEM paid more than its fair share of taxes due to the assessment of exempt property in 2021;

C. Declare, Find and/or Order that AEM is entitled to a refund of not less than \$136,493.34, the unlawful taxes assessed by the City pursuant to Wis. Stat. § 74.35, together with interest pursuant to Wis. Stat. § 74.35(4);

D. Award AEM actual and reasonable attorneys' fees and costs associated with the prosecution of this dispute; and

E. Grant any and all other relief that the Court deems just and equitable under the circumstances.

# CITY OF WEST ALLIS ORDINANCE O-2022-0170

# ORDINANCE TO CREATE A PEDESTRIAN MALL IN THE 1300 BLOCK OF SOUTH 72ND STREET

## **CREATING SECTION 11.21**

**WHEREAS,** Wis. Stat. 66.0905 allows the common council to designate any street, road or public way or any part of a street, road or public way wholly within its jurisdiction as a pedestrian mall and prohibit or limit vehicular traffic in the pedestrian mall; and

**WHEREAS,** the common council finds that the city would benefit from a pedestrian mall where the 1300 Block of South 72nd Street meets West Greenfield Avenue by closing a 60' x 120' area of the street to vehicular traffic and allowing only pedestrian traffic; and

**WHEREAS,** this matter was referred to the plan commission for report, and a public hearing on the matter was held on December 13, 2022, after publication of a Class 1 notice of the hearing; and

**WHEREAS**, creation of a pedestrian mall does not constitute a discontinuance or vacation of the street, road or public way under Wis. 66.1003 or Wis. Stat. 236.43;

**NOW THEREFORE**, the common council of the City of West Allis do ordain as follows:

**SECTION 1:** <u>ADOPTION</u> "11.21 Pedestrian Malls" of the City Of West Allis Municipal Code is hereby *added* as follows:

# ADOPTION

11.21 Pedestrian Malls(Added)

Pursuant to Wis. Stat. 66.0905, the common council designates each of the following streets, roads or public ways as a pedestrian mall and prohibits or limits vehicular traffic as indicated:

1. The 1300 Block of South 72nd Street, from West Greenfield Avenue to 120 feet north of West Greenfield Avenue. Vehicular traffic is prohibited in this pedestrian mall.

**SECTION 2:** <u>EFFECTIVE DATE</u> This Ordinance shall be in full force and effect on and after the required approval and publication according to law.

Mayor Dan Devine and West Allis City Common Council 7525 W. Greenfield Avenue West Allis, WI 53214 November 30, 2022

Dear Mayor Devine and Members of the West Allis Common Council,

This letter voices our concerns regarding the proposal of Walter Holtz, owner and proprietor of "*The Deco*" in Downtown West Allis. It is our understanding that Mr. Holtz has shown interest in using 72<sup>nd</sup> Street, north of Greenfield Avenue, as an extension of his event space. He is asking that 72<sup>nd</sup> Street be permanently closed to traffic. He will supply tables, chairs and other amenities to this area, making it a welcoming outdoor area for his event space.

The Downtown West Allis Business Improvement District (BID) would like to voice their concerns regarding this venture. We fully support his business as it is the type that both the BID and the city would like in the BID and our community. However, we feel considering closing this side street before an actual event has taken place is premature. Alternatively, we ask that you extend the use of 72<sup>nd</sup> Street, north of Greenfield Avenue, to be used for any events as needed. In this scenario, the city would provide barricades, "No Parking" signs and "No Turn" signs at no cost when the outdoor space has been reserved as an extension of "The Deco."

We ask that you permit this courtesy to Mr. Holtz for one year after opening the doors of his event venue. This allows the BID, the city and Mr. Holtz to get informed feedback from our businesses and residents to determine the impact of having  $72^{nd}$  Street closed so we can better determine the feasibility of closing it on a permanent basis. If everything is positive or if things need to be adjusted, they can be taken into consideration before moving forward.

We think that this consideration in this matter would be for the better of not only "The Deco," financially, but also the community as it would provide a look into the future of how things could be.

In conclusion, the BID supports Mr. Holtz's request for special consideration in this matter but asks that it be done on a temporary basis as described above for one year to gauge business and residential impact.

Sincerely,

Board of Directors Downtown West Allis Business Improvement District

# CITY OF WEST ALLIS RESOLUTION R-2022-0822

# FINAL RESOLUTION AUTHORIZING PUBLIC IMPROVEMENT BY CONCRETE RECONSTRUCTION OF THE PAVEMENT WITH MISCELLANEOUS SIDEWALK REPAIR, NEW CONCRETE CURB AND GUTTER, NEW DRIVEWAY APPROACHES, STORM SEWER RELAY, SANITARY SEWER RELAY, WATER MAIN RELAY, BUILDING SERVICES, UTILITY ADJUSTMENTS AND STORM UNDERDRAIN IN W. NATIONAL AVE. FROM S. 62ND ST. TO S. 65TH ST. AND LEVYING SPECIAL ASSESSMENTS AGAINST BENEFITED PROPERTIES

WHEREAS, Public necessity requires the improvement of a certain street as hereinafter described; and,

WHEREAS, The Common Council has received final plans and specifications for such proposed improvements; and,

**WHEREAS,** A hearing has been conducted pursuant to Sec. 66.0703(7) of the Wisconsin Statutes; and,

WHEREAS, The Common Council finds that each property against which the assessments are proposed is benefited by the improvement.

**NOW THEREFORE,** BE IT RESOLVED By the Common Council of the City of West Allis as follows:

1. That the final plans and specifications heretofore submitted for the improvement of W. National Ave. from S. 62nd St. to S. 65th St. (Plan File No. SH-138), by concrete reconstruction of the pavement with miscellaneous sidewalk repair, new concrete curb and gutter, new driveway approaches, storm sewer relay, sanitary sewer relay, water main relay, building services, utility adjustments and storm underdrain be and the same are hereby approved and adopted.

2. That the Board of Public Works be and is hereby authorized and directed to cause said street to be improved in accordance with the plans and specifications, and it is directed to advertise in the official paper for sealed proposals for all work necessary to be done with the installation of the above described improvements.

3. That such improvements be assessed in accordance with the report of the Interim City Engineer as finally approved, and the due date for payment of such assessments, without interest, is the 30th day following the billing date; and

4. That each property owner be given the opportunity of paying the assessment against his property by one of the following methods:

a. Payment of entire assessment, or any portion thereof, without interest at any time prior to due date as noted on the billing.

b. Payment of the entire assessment with the next tax roll including a 4.0% interest charge from due date to December 31 of the year billed. All assessments of \$100.00 or less will automatically fall under category a or b.

c. Payment in five annual installments on the property tax bill including a 4.0% interest charge on each succeeding unpaid principal amount. All assessments between \$100.01 and \$250.00 which are not paid by due date or elected to be paid under plans a or b above will automatically be extended in this manner.

d. Payment in ten annual installments on the property tax roll, including a 4.0% interest charge on each succeeding unpaid principal amount. All assessments over \$250.00 which are not paid by due date or elected to be paid under plans a, b or c will automatically be extended in this manner.

5. That if, after election to pay to the City Treasurer by November 1st of the year billed said property owner shall fail to make the payment to the City Treasurer, the City Treasurer's office shall place the said assessment, with interest at the rate of 4.0% per annum as applicable from due date, on the next succeeding tax roll for collection; and,

6. That if the property owner fails to notify the City Treasurer's office, in writing prior to the due date, of his option, the assessment shall be written in ten annual installments, except that any total assessment or assessment balance of less than \$100.00 against any one property shall be written in one payment, and those between \$100.01 and \$250.00 shall be written in five annual installments; and,

7. That a certified list of such assessments and assessment installments be given to the City Treasurer's office, and the City Treasurer's office shall inscribe the same on the tax roll as they become due; and,

8. That property owners may submit duly executed waivers prior to or following the passage of the Final Resolution, approving assessments against their properties and waiving all statutory requirements and proceedings in public work of this nature and agreeing to pay all assessments levied against their properties by reason of the installation of the improvements stated therein, in the same manner and in the same effect as if said statutory requirements relating to said work had been complied with, and such waivers are hereby confirmed and adopted by the Common Council; and,

9. That the City Clerk is hereby directed to publish this resolution as a Class I Notice in the assessment district.

10. That the City Engineer's office is further directed to mail a copy of this resolution and upon completion of the improvement, a statement of the final assessment against his property, to

every property owner whose name appears on the assessment roll whose post office address is known or can, with reasonable diligence, be ascertained.

BE IT FURTHER RESOLVED as follows:

1. That with the above installations the existing street grades and widths are hereby being reestablished in accordance with Paving Plan No. SH-138.

2. That the Common Council does hereby exercise the authority contained in sec. 66.0911 of the Wisconsin Statutes, to require the installation of laterals to every property abutting said street where it is felt said services are necessary and that any required assessments be applied as therein provided; and

3. That the plans and specifications for the sanitary sewer relay as aforesaid be submitted to the Milwaukee Metropolitan Sewer District for approval; and

4. That the plans and specifications for the sanitary sewer relay and the water main relay as aforesaid be submitted to the Department of Natural Resources for approval; and

5. That said work be performed with funding from Bond Funds, Water Utility Funds, Sanitary Sewer Funds, Storm Water Management Funds, Federal Funds and Special Assessments.

Rebecca Grill, City Clerk, City Of West Allis

Dan Devine, Mayor, City Of West Allis This Privilege Agreement ("Agreement") is made as of \_\_\_\_\_\_, 2022, between the City of West Allis, having a mailing address of 7525 West Greenfield Avenue, West Allis, WI 53214 (the "City"), and Walter Holtz, an individual resident of Wisconsin, with a mailing address of 7140 West Greenfield Avenue, West Allis, WI 53214) ("Holtz"). The City and Holtz are collectively referred to as "Parties" and individually as "Party."

WHEREAS, the West Allis Common Council has designated a portion of South 72nd Street as a pedestrian mall under Wis. Stat. § 66.0905 and prohibited vehicular traffic in that pedestrian mall; and

WHEREAS, Holtz owns The Deco, which is located east of and adjacent to that pedestrian mall at 7140 West Greenfield Avenue; and

WHEREAS, the Parties desire to allow Holtz to use the pedestrian mall for private events hosted at The Deco in exchange for Holtz providing amenities to the pedestrian mall for others to use when no private events are occurring;

For good and valuable consideration, the parties agree to the following:

- 1. The term of this Agreement shall commence on May 1, 2023 and end on October 31, 2023 ("Term").
- 2. Between the date of this Agreement and the beginning of the Term, Holtz shall provide improvements to the pedestrian mall by installing seating, tables, decorations, umbrellas and lighting ("Amenities") in a manner consistent with the diagram attached and marked as **Exhibit A**.
- 3. During the Term, Holtz shall maintain the pedestrian mall and all Amenities by fixing or replacing damaged or non-functioning Amenities, removing refuse, cleaning, storing or securing items that are not permanently affixed to the ground, removal of ice and snow, and keeping the space tidy and available for use by the public.
- 4. During the Term, Holtz shall cause barriers to be installed at the north and south ends of the pedestrian mall of a type approved by the City's engineer as the engineer's discretion.
- 5. Holtz may apply for an appropriate license to serve alcohol at the pedestrian mall. Holtz may only serve alcohol at the pedestrian mall to the extent authorized under an issued alcohol license.
- 6. During the Term, Holtz may utilize the pedestrian mall for private events that exclude the general public ("Special Event") under the following conditions:
  - a. The private event is held in conjunction with an event held at The Deco.
  - b. Holtz has obtained a special event permit for the date and time of the event that lists the pedestrian mall as the premises for that permit.
  - c. Holtz has commercially reasonable general liability insurance coverage that extends to the pedestrian mall.
  - d. The events are held on Fridays or Saturdays.
  - e. The events may not start prior to 8 a.m. and must end by 10 p.m.
- 7. When Holtz is not utilizing the pedestrian mall for a Special Event, the pedestrian mall and all Amenities shall remain open for use by:
  - a. The general public
  - b. City-sponsored events, and/or

- c. The West Allis Downtown Business Improvement District
- 8. Termination
  - a. The City may terminate this Agreement only upon approval of the West Allis Board of Public Works and the West Allis Common Council. If the City terminates this Agreement:
    - i. The City shall provide notice to Holtz that the Agreement has been terminated.
    - ii. Holtz shall remove all Amenities provided by him to the pedestrian mall within 10 days after the date of notice.
  - b. Holtz may terminate this Agreement at any time. If Holtz terminates this Agreement:
    - i. Holtz shall provide notice to the City that the Agreement has been terminated.
    - ii. Holtz shall remove all Amenities provided by him to the pedestrian mall within 10 days after the date of notice.
- 9. The Parties acknowledge that this agreement constitutes a privilege under Wis. Stat. § 66.0425, and consequentially:
  - a. Holtz assumes primary liability for damages to person or property by reason of the granting of the privilege.
  - b. The provision in this Agreement constitute the conditions on the privilege imposed by the common council.
  - c. Holtz is not entitled to damages for removal of Amenities, and if Holtz does not remove the Amenities upon due notice, they shall be removed at the Holtz's expense and the cost thereof shall be imposed upon The Deco as a special charge.
  - d. Third parties whose rights are interfered with by the granting of a privilege have a right of action against Holtz only.

By signing below, the Parties agree to the terms above.

### RE: Operator's License Application Review

Dear Seth;

Your application for an Operator's/Bartender License is scheduled for a televised hearing before the License and Health Committee on: November 15, 2022 at 6:30 pm in Room 128 at City of West Allis, City Hall, 7525 W. Greenfield Avenue, West Allis.

The reason for the hearing is based upon information from your background check relating to conviction(s) for a felony, misdemeanor, or other offense; and/or habitual law offenses. The circumstances of the offenses substantially relate to the operation of a licensed premise because the conduct demonstrates irresponsible or illegal use of alcohol and/or drugs and/or noncompliance with licensing rules and regulations.

You are allowed to show competent evidence of rehabilitation and fitness to engage in the operation of a premises licensed to serve alcohol (Wis. Stat. 11.335(4)(c)). See page 2 for additional information.

If you fail to appear you waive your opportunity to be heard to present your evidence of rehabilitation and your license application could be denied. If your license is denied, you will have to wait six months from the date of denial to reapply.

Please park in the parking lot on the south side of the building. Room 128 is the first room on your right when you enter the building. The Art Gallery is located in the lower level through glass doors.

If you have questions, please email <u>clerk@westalliswi.gov</u>.

Pursuant to Wisconsin Statute Section 111.335(4)(d)1, competent evidence of rehabilitation may include:

- A certified copy of a federal department of defense form showing honorable discharge or similar cessation of military service
- A copy of local, state, or federal release documents showing completion of probation, extended supervision, or parole
- Evidence that at least one year has lapsed since release from local, state, or federal custody without a new offense and compliance with terms of supervision

An applicant may also provide information regarding:

- Evidence of the nature and seriousness of the offense
- The circumstances relative to the offense, including mitigating or social conditions
- The age of the applicant at the time of the offense
- The length of time that has lapsed since the offense
- Letters of reference
- Any other relevant evidence of rehabilitation and present fitness.

### RE: Operator's License Application Review

Dear Steven;

Your application for an Operator's/Bartender License is scheduled for a televised hearing before the License and Health Committee on: December 13, 2022 at 7:00 pm in Room 128 at City of West Allis, City Hall, 7525 W. Greenfield Avenue, West Allis.

The reason for the hearing is based upon information from your background check relating to conviction(s) for a felony, misdemeanor, or other offense; and/or habitual law offenses. The circumstances of the offenses substantially relate to the operation of a licensed premise because the conduct demonstrates irresponsible or illegal use of alcohol and/or drugs and/or noncompliance with licensing rules and regulations.

You are allowed to show competent evidence of rehabilitation and fitness to engage in the operation of a premises licensed to serve alcohol (Wis. Stat. 11.335(4)(c)). See page 2 for additional information.

If you fail to appear you waive your opportunity to be heard to present your evidence of rehabilitation and your license application could be denied. If your license is denied, you will have to wait six months from the date of denial to reapply.

Please park in the parking lot on the south side of the building. Room 128 is the first room on your right when you enter the building. The Art Gallery is located in the lower level through glass doors.

If you have questions, please email <u>clerk@westalliswi.gov</u>.

Pursuant to Wisconsin Statute Section 111.335(4)(d)1, competent evidence of rehabilitation may include:

- A certified copy of a federal department of defense form showing honorable discharge or similar cessation of military service
- A copy of local, state, or federal release documents showing completion of probation, extended supervision, or parole
- Evidence that at least one year has lapsed since release from local, state, or federal custody without a new offense and compliance with terms of supervision

An applicant may also provide information regarding:

- Evidence of the nature and seriousness of the offense
- The circumstances relative to the offense, including mitigating or social conditions
- The age of the applicant at the time of the offense
- The length of time that has lapsed since the offense
- Letters of reference
- Any other relevant evidence of rehabilitation and present fitness.

## RE: Operator's License Application Review

Dear Alisha;

Your application for an Operator's/Bartender License is scheduled for a televised hearing before the License and Health Committee on: December 13, 2022 at 7:00 pm in Room 128 at City of West Allis, City Hall, 7525 W. Greenfield Avenue, West Allis.

The reason for the hearing is based upon information from your background check relating to conviction(s) for a felony, misdemeanor, or other offense; and/or habitual law offenses. The circumstances of the offenses substantially relate to the operation of a licensed premise because the conduct demonstrates irresponsible or illegal use of alcohol and/or drugs and/or noncompliance with licensing rules and regulations.

You are allowed to show competent evidence of rehabilitation and fitness to engage in the operation of a premises licensed to serve alcohol (Wis. Stat. 11.335(4)(c)). See page 2 for additional information.

If you fail to appear you waive your opportunity to be heard to present your evidence of rehabilitation and your license application could be denied. If your license is denied, you will have to wait six months from the date of denial to reapply.

Please park in the parking lot on the south side of the building. Room 128 is the first room on your right when you enter the building. The Art Gallery is located in the lower level through glass doors.

If you have questions, please email <u>clerk@westalliswi.gov</u>.

Pursuant to Wisconsin Statute Section 111.335(4)(d)1, competent evidence of rehabilitation may include:

- A certified copy of a federal department of defense form showing honorable discharge or similar cessation of military service
- A copy of local, state, or federal release documents showing completion of probation, extended supervision, or parole
- Evidence that at least one year has lapsed since release from local, state, or federal custody without a new offense and compliance with terms of supervision

An applicant may also provide information regarding:

- Evidence of the nature and seriousness of the offense
- The circumstances relative to the offense, including mitigating or social conditions
- The age of the applicant at the time of the offense
- The length of time that has lapsed since the offense
- Letters of reference
- Any other relevant evidence of rehabilitation and present fitness.

#### MEMORANDUM

TO: City of West Allis License & Health Committee

**FROM:** Bob Leischow, Health Commissioner, and members of the Nuisance Abatement Team

DATE: December 13, 2022

SUBJECT: Communication regarding Nuisance Abatement Program – Action Plan Progress

# PLAN FOCUS: GARBAGE CART STANDARDIZATION

(Strategic Plan item: 1.4.4)

Summary: Require all residential properties to have a city issued garbage cart. If they do not currently have one, they can purchase a cart at 50% off the total cost.

Progress to date: As of August 1, 2022, all residential properties having 3 or less living units have in their possession a city provided garbage cart.

# PLAN FOCUS: CODE ENFORCEMENT EFFORTS – CONSOLIDATED/REORGANIZATION

(Strategic Plan item: 1.4.5)

Summary: Improve quality of life through code enforcement. The City has multiple departments engaged in various aspects of code enforcement and nuisance abatement. Restructuring of how code enforcement is accomplished through increased collaboration, streamlining and efficiencies. The multiagency Rodent Task Force continues to meet bi-weekly to discuss progress and plan for next steps. All code enforcement processes and complaints completed through OpenGov.

Progress to date: Further strides have been taken to increase rodent tracking within OpenGov. Internally, staff flag 'Let Us Help' entries as rodent related and can indicate if rodent information was discussed during the follow up. The Health Department has finalized the rodent nuisance enforcement platform in OpenGov to issue letters and abatement orders directly through OpenGov.

Public Works recycling/refuse crews continue to report rodent activity during collection routes to Code Enforcement/Health Department staff. The municipal code addressing refuse and recycling collection continues to be enforced relating to storage and collection issues at residential properties. Since January 2022, approximately 1,500 (+600 since last report) violation notices related to non-contained garbage, improper containers and carts have been issued. Of the 1,500 violation notices sent, 9 resulted in citations. Five (5) were related to issues with garbage/food content stored on the ground, insufficient containers, and animal waste on the ground not contained.

Code Enforcement Director hired and on-boarded in September.

# PLAN FOCUS: RESIDENT ENGAGEMENT AND PARTNERSHIP

(Strategic Plan item: 1.4.6)

Summary: Engage with neighborhood residents to increase awareness of causes for a rise in the presence of nuisance animals and organize neighborhood clean-ups to eliminate locations for nuisance animals to inhabit and eliminate access to food sources.

Progress to date: Phase one of the social media campaign has concluded and a total of 67,927 people were reached through the WAHD FB Rodent Posts and a total of 51,175 people were reached through the City of West Allis FB Rodent Posts. We are in the process of creating posts for phase two of the social media campaign. Our first post for phase two was on the proper disposal of pumpkins since they are a food source for rodents. The WAHD FB Post reached a total of 2,700 people, raising awareness.

# PLAN FOCUS: NUISANCE ANIMAL ABATEMENT/MITIGATION PLAN + METRICS

(Strategic Plan item; 1.4.2/1.4.7)

Summary: In conjunction with the previous three initiatives and the previous and current programs focused on nuisance animal abatement, implement a plan to mitigate the issue. Provide increased funding for nuisance animal abatement and control, explore options to disrupt the reproductive cycle and possible involvement of a pest control company, and advanced trapping tools.

Progress to date: We are tracking resident complaints/communications, notices of violations, and neighborhood rodent outreach including neighborhood walk-throughs, door hangers and mailings.

- 580 properties fell under the umbrella of the walk-through areas.
  - 28 people joined the 1<sup>st</sup> neighborhood walk-through and 12 people for the 2<sup>nd</sup>/3<sup>rd</sup> walk-through.
  - One enforcement walk through was conducted on August 25<sup>th</sup> in Zone 1 where Orkin Pest Control Services were implemented. Approximately 40 Orders to Abate were issued based on violations identified during the walk through.
- 196 (+41 since last report) rodent related complaints were received through OpenGov (As of 11/30/2022). Initial inspections were conducted for each of the complaints. As conditions warranted, follow up to verify the completion of necessary actions were conducted.
  - 1,205 neighborhood notice letters (+136 since last report) sent to residents related to rodent complaints, with educational packets included for all (As of 11/30/2022).
  - 13 Notices of Violation related to rodent infestations sent to property owners between 10/01/2022 – 11/30/2022.

# PLAN FOCUS: ORDINANCE CHANGES

(Strategic Plan: 1.4.8)

Summary: Work with the Common Council to adopt summary abatement laws to allow for immediate removal of items that cause nuisance animal harborages.

Progress to date: West Allis Code Section 7.145 – Rodent Control was adopted by the Common Council implemented into the code on August 2, 2022. The intent of the code update is to provide various code enforcement departments with the ability, authority, and discretion to issue citations, summarily abate remedial problems, or require abatement practices be employed for more nuanced issues.
