

## MUNICIPAL AGREEMENT TO PURCHASE SODIUM CHLORIDE ON WISDOT BID (March 2021)

THIS AGREEMENT MUST BE SIGNED, DATED, AND RECEIVED BY WisDOT BHM ([saltadmin@dot.wi.gov](mailto:saltadmin@dot.wi.gov))  
WISDOT, Bureau of Highway Operations, P.O. Box 7986, Madison, WI 53707-7986)  
NO LATER THAN 5 PM ON MONDAY, March 29<sup>th</sup>, 2021.

Annually the Wisconsin Department of Transportation, Bureau of Highway Maintenance takes bids for sodium chloride to be used as a deicing agent. For the 2021-22 bid the Department will receive a single, combined price to include three categories of delivery services for its road salt needs. They are:

1. Guaranteed Early Fill - this service is to take delivery of salt that will fill the purchaser's storage facilities to capacity. Salt contractor is required to complete delivery by December 3, 2021. The contract guarantees the salt contractors that 100% of the bid quantity shown as guaranteed early fill will be taken by the purchaser at the price awarded to the salt contractor. It obligates the salt contractor to deliver this guaranteed quantity. Early fill salt can be ordered as soon as the contracts are signed by the salt contractor and must be ordered by August 31, 2021 using form DT2208. Any unordered salt by these guidelines may result in forfeiture of salt in this category.
2. Guaranteed Seasonal Fill - this service is to take delivery of salt that will re-fill the storage facilities between December 3, 2021 and April 30, 2022. The municipality guarantees to purchase from the salt contractor - 100% of the bid quantity shown as "guaranteed seasonal fill" at the price awarded to the salt contractor. The request for delivery is made by the purchasing agency using form DT2208. When both guaranteed early fill, and guaranteed seasonal fill are contracted, the municipality must take delivery on all early fill salt, before beginning to take delivery of seasonal fill.
3. Vendor Reserve - the salt contractor assures that it will have a "reserve" quantity, enabling it to provide additional salt up to the quantity let for bid as vendor reserve, which is taken at the discretion of the purchaser at the price awarded to the salt contractor. Form DT2208 must be used to order salt. **The purchaser's "vendor reserve" cannot be more than 20% of the "total guaranteed purchase."**

The WisDOT Bureau of Highway Maintenance will include the requested salt quantities for local units of government in the quantity for the statewide bid. Participating local units of government must agree to abide by the Special Terms and Conditions of the contract between WisDOT and the Salt Contractor including procedures for ordering, taking delivery, acknowledging receipt of delivery, making payment for salt received, salt quantities, salt unit prices, and assessing penalties. By signing this agreement, participants are also agreeing to comply with Administrative Code TRANS 277 which requires registration and compliance at all salt storage facilities. TRANS 277 also requires annual on-site storage facility inspections.
