Subject: Update on 2022-0707- Operator's Renewal License for Dawn Schwarten

Good afternoon License and Health Committee Members,

Ms. Schwarten was in front of the committee yesterday regarding a renewal license. She was informed at the meeting that she had an outstanding warrant in case 2019CT098. She had contacted me this morning and already identified that she has arranged a date with the Racine County Circuit Court to clear up the warrant and potentially resolve the case. Unfortunately, the earliest they could schedule her is on June 29, the day after the Common Council is set to review the matter again. This appears to have already been updated on CCAP as well so I can confirm she has already begun to make efforts to resolve the outstanding warrant.

I informed her that it will be up to the License and Health Committee and Common Council to determine what to do with her application. She did indicate she would plan on being at the 6/28 Common Council to try and address any concerns.

Let me know if there are any questions or concerns that you'd like me to look into before the meeting on the 28th.
