Questions Most Asked Regarding A Public Hearing

Q. What is the purpose of the public hearing?

A. To give the people affected by the proposed improvement an opportunity to express their feelings on the project to the Mayor and Common Council.

Q. Is every project "cut and dried"?

A. No. Many projects have been modified or dropped entirely after having been the topic of a public hearing.

Q. When will the decision be made as to approval or rejection of the project?

A. After the Public Hearing, the matter is referred to the Board of Public Works for their recommendation. After the Board makes a recommendation, the report is voted on by the entire Common Council.

Q. How will I know if the project is approved?

A. A copy of the Final Resolution authorizing the Board of Public Works to go ahead with the improvement and advertise for the installation of the improvements will be mailed to all property owners.

Q. How does a project get on the annual Capital Improvement Program for consideration at a Hearing?

A. There are several ways a project could be considered for the annual program:

- 1. By petition of the people affected.
- 2. By the request of the Aldermen of the District.
- 3. Upon recommendation of the Engineering Department.
- 4. Public interest or necessity.
- 5. Eligibility for State and Federal aid.

Q. How do I get further information if I do not understand the information sent to me or who should I notify of a change in the mailing address for the information?

A. You should call the City of West Allis Engineering Department at 302-8368 so that you can get any questions you may have answered or to notify us of any mailing address changes.

Q. How and when can I pay for the proposed improvements?

A. Once the project has reached substantial completion, a Special Assessment Billing will be mailed to you outlining the payment options available to you. Please refer to the methods of payment information enclosed herewith for a brief explanation of possible options.
