SUBJECT:
Request for Reimbursement Due to Business Interruption, Blocked Property Access, and Loss of Use

DESCRIPTION OF INCIDENT:

On June 14, 2026, city-related activity occurred without prior notification to the property/business owner. Access to the garage, driveway, and parking area was blocked, preventing normal entry and exit from the property.

After June 14, 2026, notification was provided; however, access limitations continued to interfere with garage access, parking availability, and normal business operations through June 19, 2026.

IMPACT TO ANGEL'S ASPHALT LLC:

The loss of access and parking availability interfered with normal business operations, including vehicle access, equipment access, scheduling, and the ability to conduct business efficiently from the property.

REQUESTED REIMBURSEMENT:

Business interruption, loss of access, operational disruption, and property access impact:

AMOUNT REQUESTED: $500.00

PAYMENT REQUEST:

Angel's Asphalt LLC respectfully requests reimbursement within 30 days of receipt of this claim.

Supporting documentation may include photographs, dates/times of blocked access, notices received, and any additional records related to the interruption.
