ANTICIPATED AVAILABLE FUNDING OF \$1.1 MILLION**

Please take notice that on Thursday, August 24, 2017 in Room 128 of West Allis City Hall, the Development Department along with members of the Block Grant Committee will host a public information meeting to consider public comment and ideas in developing goals and projects for FY 2018 funding of the Community Development Block Grant program. City staff members will outline goals developed in the 2014-2018 Consolidated Plan and the public can share ideas and concepts for proposed funding for 2018.

The Department expects a 2018 Community Development Block Grant of approximately \$1.1 million available for funding comprised of entitlement and program-generated income.

To have a request considered for funding, it must meet one of two priorities. It must either (1) benefit low and moderate-income persons as individuals or as a group; or (2) aid in the elimination of slums or blighting influences.

For further information contact the Department of Development, City Hall, 7525 West Greenfield Avenue, West Allis, Wisconsin 53214.

Upon reasonable notice, the City will furnish appropriate auxiliary aids and services when necessary to afford individuals with disabilities an equal opportunity to participate in and to enjoy the benefits of a service, program or activity provided by the City.
