# <u>City Role</u>

The City of West Allis is committed to helping private property owners in the District promote its development. To this end, the City intends to play a significant role in the creation of the Business Improvement District and in implementation of the Operating Plan. In particular, the City will:

- Encourage the County and State governments to support the activities of the District.
- Monitor and, when appropriate, apply for outside funds that could be used in support of the District.
- Collect assessments, maintain the funds, and disburse the funds of the District to the BID along with an identification of those BID assessments included in the disbursement.
- Provide the BID Board through the Assessor's Office on or before September 1 of each Operating Plan year with the official City records on assessed value for each Parcel Identification Number within the District, as of that date in each plan year, for purposes of calculating the BID assessments.
- Adopt this Operating Plan in the manner required by Wis. Stat. sec. 66.1109.

## <u>Required Statements</u>

- The Business Improvement District law requires the Operating Plan to include several specific statements:
  - Wis. Stat. sec. 66.1109(1)(f)1m: The District will contain property used exclusively for manufacturing purpose, as well as properties used in part for manufacturing. These properties will be assessed according to the formula contained herein because it is assumed that they will benefit from development in the District.
  - Wis. Stat. sec. 66.1109(5)(a): Real property used exclusively for residential purposes and real property that is exempted from general property taxes under s. 70.11 may not be specially assessed.

## Severability and Expansion

- This BID has been created under authority of Wis. Stat. sec. 66.1109.
- Should any court find any portion of the BID law or this Operating Plan invalid or unconstitutional, said decision will not invalidate or terminate the BID and this BID Operating Plan should be amended to conform to the law without the need to reestablish the Operating Plan.
- Should the State amend the statute to narrow or broaden the purposes of a Business Improvement District so as to, among other things, exclude or include as assessable properties of a certain class or classes of properties, then this BID Operating Plan may be amended by the Common Council of the City of West Allis as and when it conducts its annual budget approval without necessity to undertake any other act.
- All of the above is specifically authorized by Wis. Stat. sec. 66.1109(3) (b).
- If it is determined by a court or administrative body that a parcel of property not subject to general real estate taxes may not be included within the District, then such parcels shall be excluded from the definition of the District.
