Board of Appeals Request Letter

This form must be returned to the Department of Building Inspection and Neighborhood Services by the submittal date listed below to be placed on the Agenda for the next available meeting date. Requests submitted after this date will be moved to the following month. The Board will hear appeals based only on the current proposed plan. Any additional proposed changes to this plan must be submitted with this application. The Board cannot hear or discuss any additional changes once this request has been submitted.

Address: 1121 S 58th St

Submittal Date: 7/10/2020

Tax Key: 521-9922-000

Meeting Date: 8/11/2020

Permit Refusal #: 2020-02

Meeting Time: 5:30 pm

Amount Paid: \$150.00

Room No: City Hall 128

Receipt:

paid csc

I hereby request a variance to add a section of fencing where the slope is greater downhill from the neighboring driveway. The fencing sections will range from 5' 6" to not more than 9'. The greatest point will not exceed 9 ft at the house corner. The code does not allow for a fence to exceed 6 feet in height.

Thank you for your consideration.
