Thank you for choosing Ziebart of Greater Milwaukee for your detailing needs. Our Inner-Clean service is a comprehensive package designed to make your cars interior look and feel as close to showroom condition as possible. All of our cleaning products contain an anti-bacteria agent that will kill 99% of the germs and bacteria in your vehicle.

Our detailing process starts with a power vacuum and spot clean of all the all fabric and carpet. Then we proceed with a heavy shampoo and hot water extraction. Our next step is to clean all the leather, vinyl, plastic and glass. Finally, we detail all of your trim, dash, vents, vinyl, door jams, windows and cup holders. This will get your interior back to as close to showroom as possible as well as kill 99% of the all the germs and bacteria.

The price for the service is \$149.99

If you are interested in detailing your whole vehicle we do offer a Complete Detail. The Complete Detail includes an Inner-Clean along with an entire outside detail. For the outside we do a process called Renu-A-Shine. We first hand wash the paint and then polish it back to its maximum shine. Then we lock in that shine with our seasonal tough wax Renu-A-Shine (lasts up to four months). Our last step is to detail all your exterior trim which includes the tires, rims, windows, chrome and bumpers. The cost for the Complete Detail is \$279.99

I have availability for your appointment this week or next. Please call or email me back to set up a time that we can service your vehicle. Again, thank you
