Good Afternoon Gina,

We no longer offer the Imperial Stout, as it was a limited time only item. We would like to start selling a new limited time beer – Mrs. Grebe's Beer for the Break Room – which is a white stout sold in cans. Can we go ahead with selling this given the condition listed on our license (*Conditions: Only Imperial Stout is sold*) or will we need some kind of amendment or further approval?

Thanks for your help on this,

Liz Enders

Good Afternoon,

Last night the Common Council approved your liquor license request. They did put one condition on it, that only the Imperial Stout product is sold. Please let me know if you have any further questions.
