C. DISCUSSION ITEMS

[2017-0128](#)

Discussion on Communication from City Administrator requesting approval to fill the vacant position of Electrical Mechanic I in the Building/Inventory and Electrical Division, Electrical Section.

This item was discussed.

[2017-0130](#)

Discussion regarding an update to recycling/solid waste contracts.

The Director of Public Works updated the Committee about the recycling contract. As directed by the Committee, the Development Department is scheduled to meet with West Allis Disposal to determine if the City could provide any funding assistance to them with purchasing and installing the necessary equipment to process recyclables from carts instead of the current bag system. The Director of Public Works asked the Committee how involved they wanted to be at this point in selecting the recycling processor. He suggested maybe tours of their facilities, interviews, etc. The Committee expressed confidence in the Department to bring the best proposal/deal back to the Committee and declined any detailed involvement. The Committee again stated their desire to switch to recycling carts.

This item was discussed.

D. ADJOURNMENT

A motion was made to adjourn the meeting at 7:35 p.m.
