WHEREAS, after due notice, another public hearing was held by the Common Council on January 4, 2005, at 7:00 p.m. in the Common Council Chambers to consider the application; and,

Four drive-through lanes are proposed, one of which will be utilized for an ATM function. A total of 59 parking spaces, including 3 ADA stalls, are required by zoning and 51 spaces will be provided on site.

A neighborhood planning meeting was conducted on October 14, 2003, to introduce the proposed use and design to the surrounding neighborhood. Property owners within 200 feet were notified. Site grading, location and height of retaining walls, street parking and landscaping were topics of concern addressed at the meeting.
