That the establishment, maintenance and operation of the proposed use, with the imposition of certain conditions hereinafter set forth, reasonably satisfies the standards set forth in Sec. 12.16 and Sec. 12.45(2) of the Revised Municipal Code, so as to permit the issuance of a Special Use Permit as therein provided.

BE IT FURTHER RESOLVED that said Special Use Permit is granted subject to the following conditions:

1. Site, Landscaping and Screening Plans. The grant of this Special Use Permit is subject to and conditioned upon a site, landscape and screening plan approved on May 28, 2008 by the West Allis Plan Commission as provided in Sec. 12.13 of the Revised Municipal Code of the City of West Allis. No alteration or modification of the approved plan shall be permitted without approval by the West Allis Plan Commission. No outdoor storage shall be permitted on site.
2. Building Plans and Fire Codes. The grant of this special use is subject to building plans being submitted to and approved by the Department of Building Inspections and Zoning and by the Fire Department.
3. Off-Street Parking. Off-street parking spaces for 7 vehicles will be provided on site, including one (1) ADA stall. Zoning requires parking for 18 vehicles for Cartune Auto (1 for office, 2 for indoor storage, and 15 for auto repair), and an additional 2 vehicles for the other tenant on site, for a total of 20 required parking spaces.

4. Hours of Operation. The auto repair facility will be open from 8:00 a.m. - 6:00 p.m., Monday thru Saturday and 11:00 a.m. - 3:00 p.m. on Sunday. The business is not located next to residential uses.
5. Outdoor Paging Speakers. The use of outdoor pagers, intercoms, or loud speakers shall not be permitted on site as the land use to the east consists of residential uses.
6. Sidewalk Repair. The grant of this special use is subject to compliance with Policy No. 2806 of the Revised Municipal Code relative to the City's sidewalk improvement policy as it relates to damaged, (if any) abutting sidewalk.
7. Outdoor Lighting. All outdoor lighting fixtures shall be shielded in such a manner that no light splays from the property boundaries.
8. Window Signage. Any building window signage shall not exceed twenty percent (20%) of each window's area.
9. Expiration of Special Use Permit. Any special use approved by the Common Council shall lapse and become null and void one (1) year from and after that approval if the use has not commenced, construction is not underway, or the owner has not obtained a valid building permit. An extension of these time limitations may be granted without a public hearing by the Common Council by resolution reauthorizing the special use in accordance with the following criteria:
  - A. The applicant requesting the extension shall complete a planning application available from the Department of Development and shall submit a \$250.00 extension fee.
  - B. A written explanation for the extension of time shall accompany the planning application along with a timeline/schedule for obtaining necessary permits, zoning, state and municipal approvals and a target date for construction start;
  - C. The request for extension shall be submitted within sixty (60) days of the expiration of the special use permit;
  - D. The extension, if granted, shall be valid for a period of six (6) months. If no building permit has been issued and construction has not commenced within six (6) months from and after the extension has been granted, the special use shall become null and void.
  - E. The Common Council may declare the Special Use Permit to be void using the procedure set forth in Section 11.
10. Miscellaneous.
  - A. Applicant is advised that the foregoing conditions are reasonably necessary to protect the public interest and to secure compliance with the standards and requirements specified in Sec. 12.16 of the Revised Municipal Code; that the issuance of the special use is expressly subject to compliance with said conditions.
  - B. The use, as granted herein, is subject to applicant's compliance with all other state and local laws and regulations which may be applicable to the proposed use of the real estate in question.

C. The special use, as granted herein, shall run with the land and benefit and restrict all future owners and occupants of the property, unless the use shall lapse or be terminated and the use will not be altered or extended (including structural alterations and/or additions) without the approval of the Common Council, following public hearing, all as provided in Sec. 12.16 of the Revised Municipal Code.

11. Lapse. If the applicant does not meet all of the terms and conditions set forth in this grant of a special use within one year of the granting thereof, then the Special Use Permit shall lapse and become null and void and the applicant shall forfeit any right to use the property as conferred by the Special Use Permit. The failure of the applicant to meet the terms and conditions of the Special Use Permit shall subject the permit to being declared void by the Common Council after notice to the applicant and a hearing before the Safety and Development Committee. Upon a finding and recommendation by the Committee to the Common Council on the matter, the applicant and/or any interested person may make comments regarding the matter to the Common Council prior to the Common Council's next regular meeting following the recommendation. Upon the Common Council's finding that the Special Use Permit has lapsed and become void, the applicant shall cease all operations at the property.

12. Acknowledgement. That the applicant sign an acknowledgment that he has received these terms and conditions and will abide by them.

**The undersigned applicant agrees to the terms and conditions and has agreed that the grant of the Special Use Permit is conditioned on meeting the terms and conditions of this resolution.**
