WHEREAS, Workforce Health has been the City’s HRA vendor since 2010, their administration of the program has been positive, and this six (6) year relationship provides valuable historical HRA information; and

WHEREAS, the cost per participant will be \$62.50 per participant, a slight increase over the 2015 cost of \$62.00 per participant; and

WHEREAS, employee participation in the HRA program has resulted in the early detection, identification and mitigation of several serious health concerns; and

participants to be increasingly mindful of their health and providing preventative outlets for participation; and

WHEREAS, the Common Council deems it to be in the best interest of the City to continue the agreement with Workforce Health and require employee, elected official, retiree, and spousal participation in the HRA process in order to obtain the reduced monthly health insurance premium contribution for the March 1, 2017 to February 28, 2018 insurance plan year.
