Resolution relative to determination of Special Use Application submitted by Dale Dobroth of SIDCOR for proposed building addition to the north end of Southtown Plaza Shopping Center located at 2900 S. 108 St.

WHEREAS, Dale Dobroth of SIDCOR, duly filed with the City Administrative Officer- Clerk/Treasurer an application for a special use permit, pursuant to Sec. 12.43(2) and Sec. 12.16 of the Revised Municipal Code, to construct a building addition to the north end of the Southtown Plaza Shopping Center. The addition will consist of a 3,780 square foot multi-tenant space and a 6,574 square foot space for Southtown Tire and Auto; and,

WHEREAS, after due notice, a public hearing was held by the Common Council on January 20, 2004, at 7:00 p.m., in the Common Council Chambers to consider the application; and,

WHEREAS, the Common Council, having carefully considered the evidence presented at the public hearing and the following pertinent facts noted:

1. The applicant, Dale Dobroth, has a corporate office at 950 N. Western Avenue, Lake Forest, IL 60045-1734.
2. The applicant manages/owns the Southtown Plaza property at 2900 S. 108 St., West Allis, Milwaukee County, Wisconsin, more particularly described as follows:

A tract of land being located in the Southwest ¼ of Section 8, Township 6 North, Range 21 East, City of West Allis, Milwaukee County, State of Wisconsin, more particularly described as follows:

Parcel 2 of Certified Survey Map No. 944, and Parcel 2 of Certified Survey Map No. 7107.  
All parcels are subject to existing easements.

Said land contains 6.9405 Acres, more or less.

Said land being located at 2900 S. 108 St.  
(TAX KEY NOS. 519-0339-007; 519-0339-017; 519-0339-018)

3. The applicant is proposing to construct a 10,354 square foot addition consisting of a 3,780 square foot multi-tenant retail space and a 6,574 square foot Southtown Tire and Auto space, attached at the north end of the existing Southtown Plaza Shopping Center.
4. The auto repair facility will operate utilizing one overhead garage door facing W. Dakota St. and three garage doors facing south (the rear of the shopping center). The minimization of the number of garage doors was strongly recommended by the Plan Commission as both an important architectural/ aesthetic design feature, as well as necessary to satisfy potential neighborhood concerns with respect to the type of use and location to residences.
5. The building currently occupied by Southtown Tire and Auto will be utilized for a future retail tenant. The intent is to lease it to a restaurant and/or small service user. As part of the occupancy conversion, the building's exterior facade will be remodeled. Plans for the reuse/occupancy of the building will be submitted to the Building Inspection Dept. and the Development Dept. for review and may require Plan Commission and Common Council review, depending upon the future use.
6. The aforesaid premises is zoned C-4 Regional Commercial District under the Zoning Ordinance of the City of West Allis, which permits auto repair as a special use, pursuant to Sec. 12.43(2) and Sec. 12.16 of the Revised Municipal Code.
7. The subject property is part of a block along the east side of S. 108 St. between W. Oklahoma Ave. and W. Dakota St, which is zoned for commercial purposes. Properties to the north, south and west are developed as commercial; properties to the east are developed as residential.
8. The proposed development should not adversely contribute to traffic volumes or traffic flow in the area as the area (Southtown Plaza and Hwy. 100) are zoned for commercial uses.
