Such music and singing shall be discontinued thirty (30) minutes prior to the established closing time set forth in Chapter 125 of the Wisconsin Statutes. No dancing shall be permitted under such license unless a

dance hall license has been obtained pursuant to Section 9.05.

(b) An establishment that has a license under this section need not obtain a separate license under Section 9.031 to provide karaoke music.

(2) Application. Application for a license required by this section shall be made in writing upon a form prescribed by and filed with the City Clerk/Treasurer. The application shall contain the following information:

(a) The name and address of the person, corporation, partnership, limited liability company or other entity applying for the license. Said applicant must be the same as the person or entity holding the Class "B" fermented malt beverage, Class "B" intoxicating liquor, or Class "C" wine license.

(b) Whether the applicant has, within five (5) years prior to the date of application, been licensed to sell alcohol beverages, and whether any such licenses were ever suspended or revoked and a statement of the reasons therefore.

(c) The location of the premises for which the license is sought and identification of the Class "B" fermented malt beverage, Class "B" intoxicating liquor, or Class "C" wine license held for the premises.

(d) If, during the pendency of the application, or during the term of any license granted, there is any change in fact which would alter the information given on the application, the applicant shall notify the Clerk/Treasurer in writing thereof within ten (10) days after such change.

(3) License Fee. The fee for a live music license shall be \$150.00. The fee shall accompany each application. The full license fee shall be charged for the whole or fraction of the license year.

(4) Off-Street Parking. Any Class "B" or "C" establishment shall, prior to being issued a license, meet the off-street parking requirements of Section 12.19 of the Revised Municipal Code. Such off-street parking shall be available and maintained during the term of the live music license.

(5) Granting of License.

(a) Upon receipt of a proper application and the prescribed license fee, the Clerk/Treasurer shall forward such application to the Common Council for consideration. Within sixty (60) days of receiving an application, the Common Council shall grant or deny the license or hold the application for an additional thirty (30) days, unless otherwise agreed to by the applicant.

(b) The Common Council shall examine all applications filed, as herein provided, and shall make or cause to be made such further investigation of the application as it deems necessary. The Common Council shall approve a license only if it finds all of the following facts exist:

3. That the premises for which a license is sought will comply with the provisions of this section and all

other applicable rules, regulations, ordinances and state laws, specifically including, but not limited to, zoning regulations, building code requirements, fire prevention code, and health code requirements;

4. That the proposed instrumental music will comply with all applicable rules, regulations, ordinances and state laws, specifically including, but not limited to, noise limitations;
