Resolution Authorizing the Issuance and Establishing Parameters for the Sale of Not To Exceed \$5,660,000 General Obligation Refunding Bonds to Refund Build America Bonds.

WHEREAS, the City of West Allis, Milwaukee County, Wisconsin (the "City") heretofore issued its Taxable General Obligation Corporate Purpose Bonds, Series 2010C (Build America Bonds - Direct Payment), dated April 1, 2010 (the "Refunded Obligations") and irrevocably designated such issue to be qualified "Build America Bonds" within the meaning of Subsection 54AA(g) of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations promulgated thereunder by the U.S. Department of Treasury (the "Regulations") so that the City is eligible to claim refundable credits with respect to each interest payment on the Refunded Obligations, payable to the City by the Secretary of the United States Department of the Treasury ("Treasury");

WHEREAS, on March 11, 2013, the City was notified by the Treasury that the credit payment it requested with respect to the April 1, 2013, interest payment on the Refunded Obligations was reduced by 8.7%, pursuant to the requirements of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, as evidenced by the letter attached hereto as Exhibit A and incorporated herein by this reference;

WHEREAS, the Refunded Obligations are subject to redemption prior to maturity, in whole or in part, at the option of the City, on any day, at a redemption price equal to 100% of the principal amount redeemed plus accrued interest to the date of redemption, in the event that either (a) Section 54AA or 6431 of the Code is repealed, amended or modified in a manner which results in a reduction or elimination of the City's 35% cash subsidy payment from the Treasury or (b) the Treasury fails to make a cash subsidy payment to which the City is entitled and such failure is not caused by any action or inaction by the City;

WHEREAS, the Common Council hereby finds and determines that the Treasury's reduction in the credit payment with respect to the April 1, 2013, interest payment was not due to any action or inaction by the City,

and as a result, the extraordinary redemption provision referred to above was triggered, and the Refunded Obligations are eligible to be redeemed on any day;

WHEREAS, the Common Council deems it to be necessary, desirable and in the best interest of the City to refund the Refunded Obligations due to Treasury's failure to make the full cash subsidy payment and the uncertainty as to the receipt of cash subsidy payments in the future;

WHEREAS, cities are authorized by the provisions of Section 67.04, Wisconsin Statutes, to borrow money and issue general obligation refunding bonds to refinance their outstanding obligations;

WHEREAS, for the reasons set forth above, it is the finding of the Common Council that it is necessary, desirable and in the best interest of the City to authorize the issuance of and to sell general obligation refunding bonds (the "Bonds") to refund the Refunded Obligations (the "Refunding");

WHEREAS, it is the finding of the Common Council that it is in the best interest of the City to direct Ehlers & Associates, Inc. ("Ehlers") to take the steps necessary for the City to offer and sell the Bonds at public sale and to obtain bids for the purchase of the Bonds; and

WHEREAS, in order to facilitate the sale of the Bonds in a timely manner, the Common Council hereby finds and determines that it is necessary, desirable and in the best interest of the City to delegate to the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer the authority to accept on behalf of the City the bid for the Bonds that results in the lowest true interest cost for the Bonds (the "Proposal") so long as the Proposal meets the terms and conditions set forth in this Resolution.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City that:

Section 1. Authorization and Sale of the Bonds; Parameters. For the purpose of paying the cost of the Refunding, the City is authorized to borrow pursuant to Section 67.04, Wisconsin Statutes, the principal sum of not to exceed FIVE MILLION SIX HUNDRED SIXTY THOUSAND DOLLARS (\$5,660,000) upon the terms and subject to the conditions set forth in this Resolution. The purchase price to be paid for the Bonds to the City shall not be less than 99% of the principal amount of the Bonds nor more than 106% of the principal amount of the Bonds, and the difference between the issue price of the Bonds and the purchase price to be paid to the City by the Purchaser shall not exceed 1.50% of the principal amount of the Bonds.

Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

Section 3. Redemption Provisions. The Bonds shall be callable as set forth on the Approving Certificate (defined in Section 15). If the Proposal specifies that certain of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment to the Approving Certificate.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit B and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2013 through 2029 for the payments due in the years 2014 through 2030.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Refunding Bonds, Series 2013B" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The City Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Bonds; (ii) any premium not used for the Refunding which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Bonds. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Bonds have been issued has been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the

responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds or the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by the City Clerk or City Treasurer (the "Fiscal Agent") unless the Bonds are subject to mandatory redemption. If the Proposal specifies that the Bonds are subject to mandatory redemption, the Approving Certificate (defined in Section 16) shall specify the fiscal agent for the Bonds.

Section 12. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either

principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the City and on file in the City Clerk's office.

Section 15. Conditions on Issuance and Sale of the Bonds. The issuance of the Bonds and the sale of the Bonds to the Purchaser are subject to satisfaction of the following conditions:

- (a) approval by the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer of the definitive maturities, redemption provisions, interest rates and purchase price for the Bonds, which approval shall be evidenced by execution by the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer of a certificate in substantially the form attached hereto as Exhibit C (the "Approving Certificate") and incorporated herein by this reference; and
- (b) no increase in interest cost to the City as a result of the Refunding.

The Bonds shall not be issued, sold or delivered until these conditions are satisfied. Upon satisfaction of these conditions, the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer of the City are authorized to execute a Proposal with the Purchaser providing for the sale of the Bonds to the Purchaser; provided that the sale of the Bonds shall not occur within fifteen (15) days of the sale of the City's General Obligation Corporate Purpose Bonds, Series 2013A.

Section 16. Official Statement. The Common Council hereby directs the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer to approve the Preliminary Official Statement with respect to the Bonds and deem the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer or other officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Preliminary Official Statement and

any addenda or Final Official Statement. The City Administrative Officer, Clerk/Treasurer shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

The City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 18. Redemption of the Refunded Obligations. The Refunded Obligations are hereby called for prior payment and redemption on such date as determined by the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer (but no later than 90 days after the Closing for the Bonds) at a price of par plus accrued interest to the date of redemption subject to final approval of the issuance and sale of the Bonds by the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer as evidenced by the execution of the Approving Certificate.

The City hereby directs the Manager of Finance/Comptroller and the City Administrative Officer, Clerk/Treasurer after final approval of the Bonds to work with Ehlers to cause timely notice of redemption, in substantially the form attached hereto as Exhibit D and incorporated herein by this reference (the "Notice"), to be provided at the times, to the parties and in the manner set forth on the Notice. All actions heretofore taken by the officers and agents of the City to effectuate the redemption of the Refunded Obligations are hereby ratified and approved.

Section 19. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 20. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 21. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by

law.
