Resolution authorizing the Director of Public Works/City Engineer to amend the existing architectural services agreement with Quorum Architects for consulting and design services for the construction of a new storage facility at Fire Station No. 2 in an amount not to exceed $9,250.

Whereas, the West Allis Fire Department as determined that it needs to add a new storage facility at Fire Station No. 2; and,

Whereas, the new facility will be used to store equipment to run and support their Candidate Physical Ability Test program; and,

Whereas, the new facility must satisfy current City building code and Plan Commission review; and,

Whereas, the Public Works/Engineering Department recommends that the current agreement with Quorum Architects be amended to provide for consulting and design services related to the new facility.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Common Council of the City of West Allis that up to $9,250 is hereby approved for consulting services.

BE IT FURTHER RESOLVED, that the Director of Public Works/City Engineer be and is hereby authorized to enter into an architectural agreement for consulting services related to the new facility and that the Fire Department has the necessary funding through the appropriate account.
