An Ordinance to amend Sections 10.106(1), (5)(a) 1 and 2 of the Revised Municipal Code relating to Residential Daytime Parking Privileges.

The Common Council of the City of West Allis do ordain as follows:

PART I. Sections 10.106(1), (5)(a) 1 and 2 of the City of West Allis Revised Municipal Code is hereby amended to read:

### 10.106 RESIDENTIAL DAYTIME PARKING PRIVILEGES

\*\*\*

(1) Intent. The Common Council recognizes that certain residential premises in the City, improved prior to May 21, 1985, do not permit location of the minimum off street parking spaces required under Section 12.20 of this Code; and, in such cases, parking time restrictions may unduly inconvenience occupants of such premises with respect to parking of their automobiles; and, a limited daytime parking privilege, as hereinafter provided for the occupants of such premises, will not adversely affect the public interest in lessening traffic congestion on City streets.

\*\*\*

(5) Eligibility.

(a) The permit shall be issued to an occupant of a residential lot containing not more than three (3) dwelling units, only if:

1. The lot does not have the minimum off street parking places required by Sec. 12.20 of this Code; and,
2. As a result of lot size, configuration or building improvements, the minimum number of off street parking spaces required by Sec. 12.20 of this Code cannot be provided on the lot.

PART II. All ordinances or parts of ordinances contravening the provisions of this ordinance are hereby repealed.

PART III. This ordinance shall take effect and be in force from and after its passage and publication.
