Resolution to amend the City's fee schedule by revising recycling cart pricing in the Public Works fee section.

WHEREAS, to ensure that the City collects the full cost of each recycle cart and avoids subsidizing the cost of each recycle cart with taxpayer dollars, the City shall charge the full cost of each recycle cart to the persons who receive one; and

WHEREAS, the price of each recycling cart changes with each order, so it is important to provide flexibility so the city clerk may update the fee amount as prices change; and

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of West Allis that the fee schedule is approved.
